I am a Martu Elder who lives in Nullagine and I am very passionate about providing the best opportunities for the Martu people of the Western Desert. I have been chairman of Ngurra Kujungka since 2012 and have provided great leadership and vision to enable this Martu community-driven organisation to be an award-winning success. I am also current Chairperson at JYAC. I was recently awarded a Certificate of Recognition for dedicated leadership in the Martu community from the Shire of East Pilbara. It will be a new challenge working with the East Pilbara shire and making right decisions for safe access roads to remote communities and to make the communities of Kiwirrkurra, Kunawarritji (Well 33), Punmu and Parnngurr safe.
