Residential Bulk Kerbside Collection 2026

Dear Resident,

Mark your calendars!

The Shire of East Pilbara will soon be undertaking the residential bulk kerbside collection service in Nullagine.

This collection service is for residential properties only.

When can I put items out?

Items must be placed on the kerb the day before your scheduled collection dates, as items placed during the collection times may be missed.

Materials placed on the kerbside after the dates outlined will not be collected.

What items can I put out?

Turn the page for details about acceptable and unacceptable materials.

LATE ITEMS WILL NOT BE COLLECTED

Residential Bulk Kerbside Collection 2026

To make collection easy for our crew and divert as much recoverable material from landfill as possible, you must separate materials on the kerbside into the following groups:

Green waste
Maximum size: 1.5m length and 150mm diameter, in bundles.
Lawn clippings and small items must be bagged or boxed.

Cardboard
Flattened or securely bundled.

Household furniture
Maximum size: 1.8m length.

Fridges and white goods
Maximum of three (3) fridges and/or white goods.

Mattresses
Maximum of three (3) mattresses.

Scrap metal
Maximum size: 1.8m length, safely and securely bundled.

Not all waste is suitable for kerbside collection.

To ensure all your items are collected, please only put out acceptable materials.

- Batteries
- Electronics and/or eWaste
- Gas bottles and aerosols
- Paints, chemicals, poisons and oils
- Glass
- Car bodies, parts and tyres
- Bricks, pavers, rubble, concrete, sand, soil
- Food waste and general household waste
- Asbestos containing material
