# **KAMBARANG CRICKET** **CARNIVAL OVERVIEW**

## **Introduction**

Aboriginal communities have a proud and enduring connection to cricket. However, in recent years, fewer young Aboriginal players have been joining local clubs. The Kambarang Cricket Carnival aims to reignite that passion by offering a fast, fun, entry-level cricket format, inspired by the excitement of the Big Bash League (BBL) and Women's Big Bash League (WBBL). This carnival provides a culturally safe and inclusive space for Aboriginal youth to engage with cricket in a way that's exciting and accessible.

## **Program Overview**

Key community leaders across targeted regional and metropolitan areas will support the formation of both male and female teams. This initiative will increase opportunities for Aboriginal youth and raise awareness of cricket as a sport they can enjoy and pursue. The carnival is aimed at 12–17-year-olds, with games played in the Australian Cricket junior format, specifically using an entry-level cricket format that mirrors the energy and entertainment of BBL/WBBL matches. Each team will consist of 8–10 players, supported by a Coach and Team Manager. Games will run for approximately 1 hour over two days, with all equipment provided.

Local cricket clubs that demonstrate inclusive and welcoming environments will be invited to host regional carnivals, helping to build lasting connections between Aboriginal youth and the broader cricket community.

# EXPRESSION OF INTEREST! KAMBARANG CRICKET CARNIVAL

Registrations are open for teams in the Kambarang Cricket Carnival. We encourage Male and Female teams to register to play in the deadly cricket tournament. Participation will open up opportunities and awareness for Aboriginal youth in cricket. The carnival offers cultural learning on ground experience at the WBBL and learning and participating in fun and fast format of cricket with the support from the WA Cricket staff, local cricket staff and volunteers.

A community participation and pathway program aimed at bringing Aboriginal youth living in metro and regional WA together through an annual carnival that promotes social inclusion, health and wellbeing. With male and female divisions, the program also provides a pathway to the WA Men's and Women's Aboriginal XI.

**Venue:** WACA and Swan Valley Adventure Centre  
Centre

**When:** 6-7 Dec

**Age Level:** 12-17 Years Old

## **Community Engagement**

To ensure strong participation and support, influential figures within Aboriginal communities will be engaged.

These include:

- Regional and Metro club coaches
- Aboriginal Academies (Clontarf Foundation, Stars Foundation, Deadly Sista Girlz, Shooting Stars)
- Youth Group organisations
- Boarding Houses

These partners will play a key role in promoting the carnival, supporting participants, and coordinating activities. Training opportunities will also be offered for those interested in developing coaching skills and continuing their involvement in cricket.

## **Outcomes**

- Aboriginal youth playing cricket in a fast, fun entry-level format
  - Bringing together young Aboriginal people from across the state
  - Strengthening links between Aboriginal youth and local cricket clubs
  - Providing access to coaching and development opportunities
- Creating role models through high-performing Aboriginal cricketer
