I consent to my child/children's and myself, photographs to be taken whilst participating within the program		YES	NO	

Junior Program Policies & Procedures

GENERAL

- Please ensure your child arrives **5 minutes** prior to the class beginning so the instructor can provide maximum teaching time for all children.
- Please advise the Instructor of any medical conditions, which may affect the child during activities. We reserve the right to request a doctor's certificate advising us that the child is fit to participate should the Instructor determine there is a need to do that.
- No lessons will be conducted on public holidays. Term fees will be adjusted accordingly.
- Please do not allow your child to climb or play with any equipment prior to commencement of class. We will not be responsible for any injury that occurs to a child prior to commencement of the class.
- **Parents must stay with their child/children in the class at all times up to 7 years of age.**
- Children must be collected IMMEDIATELY following the finish of the class.
- Newman Recreation Centre reserves the right to cancel a term program by week 2 if minimum numbers are not met.
- Suitable clothing and footwear must be worn at all times

FEES

- Full fees are to be paid at time of enrolment.
- Fees cannot be transferred to other families.
- Refunds will be issued, subject to a medical certificate and will be on a pro rata amount.
- Please ring the centre and advise us if you will not be attending your class.
- No credits will be given in lieu of, or for missed lessons.

Newman Recreation Centre Disclaimer	
I am aware that whilst every care will be taken, I agree that the Shire of East Pilbara staff is free of all responsibility for any lost property or personal injury in connection with my child/children's participation. To the best of my knowledge and ability, the information I have provided in this form is true and correct.	
Conditions of Enrolment	
I have read and agreed to all policies and procedures outlined in "Newman Recreation Centre Policies and Procedures"
