Enrolment status	MCWHIRTER-BROOKS, Wendy is eligible to stand for election as a resident of the Shire of East Pilbara.

Since February 2021 I have worked hard to uphold my commitment to represent you on our Council. I try to make sure that this Shire offers the best it can to the diverse population that lives here.

As Deputy Shire President and Shire representative on a range of committees and boards across the Pilbara I champion the East Pilbara and particularly our rural towns of Marble Bar and Nullagine. I continue to use these positions to press for housing solutions, better mobile coverage, State road funding, education opportunities and provision of services which create local jobs.

Your vote can help me to keep doing this.

As a resident of Marble Bar I am interested in community participation and growing opportunities in our town. I serve on the committees of the Community Resource Centre, the Marble Bar Tourism Association and am a member of VFES.

Since being re-elected in October 2021 I have enjoyed serving as your Councillor.

I look forward to continuing to represent you.
