My name is Karen Lockyer, but known as Lou.

I have been a resident of Newman for 17 years and was born and raised in the Pilbara with connections to Newman and Marble Bar. I am a proud Banjima woman.

I have been a member of council since 2019 and through my time have gained so much knowledge and perspective of how big and vast our region is. I am a proactive member of the community and have many leadership roles within my professional and personal life which includes many sports associations and the current School Board Chair of both South Newman Primary and Newman Senior High School.

I started my journey in local government to be a voice for my community and that objective still stands today. I want to represent not only the town I live in but drive what is best for all communities that lie within the Shire. I believe I am approachable and able to advocate for the various aspects of the community as I am across these networks. I am reliable and trustworthy with integrity to lead.
