I am a retiree living in Newman since 2012 and previously for 3 years in 1980's. I love the East Pilbara and now have the time and passion to give back to the community.

My diverse career starting as a tradesman and estimator in engineering, 30 years of Policing, including 3 years at Newman, and then 17 years in Local Government, has given me the ability to be able to relate and respond to the many and varied issues experienced by members of the community.

Having been employed as a manager in the Development Services team for this Shire from 2012 until retirement in 2021, I have an excellent knowledge of the workings of Local Government and of the unique and varied challenges faced by this Shire.

I believe that Local Government should be open and accountable and that its role is to be of service and support to all sections of the community.

I will strive for the careful and steady growth of our community and will endeavour to help make this Shire a better place in which to work and live.
