KULAR, David

I am a long term resident of Newman having arrived in 1978. I am now retired and have the time and passion to be your strong voice in Local Government. I have a sound understanding of Local Government having worked as Manager Human Resources with this Shire for over 13 years and with similar senior HR positions with Mount Newman Mining Company and BHP, which has given me insight to community expectations in Newman.

I will vigorously campaign for further resident airfare reductions, openly drive opportunities for youth employment and also to keep council rates to a minimum.

I am a firm believer that Local Government should be open and accountable.
