In accordance with section 5.12 of the *Local Government Act* (the Act), and Schedule 2.3, Division 1 of the Act, an election is to be conducted for the position of Chairperson as the first item of business at the first meeting of the Committee.

The Chief Executive Officer is to preside at the meeting until the position of Chairperson is filled and is to act as Returning Officer for the electoral process.

The election must be conducted by the Chief Executive Officer in accordance with the prescribed procedure.

In essence, the election will be conducted as follows:

1. Nomination forms have been previously provided to all Councillors to assist with the election process and, where possible, should be lodged with the Chief executive Officer prior to the commencement of the meeting. The Chief Executive Officer will, however, announce the closing time for the submission of nominations at the commencement of the meeting and will continue to receive nomination forms up until that time.
2. If a Councillor is nominated by another Councillor, then the Chief Executive officer is not to accept the nomination unless the nominee has confirmed to the Chief Executive Officer, either verbally or in writing, that he or she is willing to be nominated for the office.
3. If more than one nomination is received, then Councillors will be required to vote on the matter by secret ballot, as if they were electors voting at an election. Positions on the ballot paper will be drawn at the meeting and ballot papers will be compiled and distributed at that time. Councillors will be asked to indicate their vote by placing a tick against the name of their preferred candidate as shown on the ballot paper and to place their completed ballot paper in the ballot box provided.
4. Once all votes have been cast, the ballot box will be opened, all votes counted and the successful candidate determined as if those votes were votes cast at an election.
5. As soon as is practicable after the result of the election is known, the Chief Executive Officer will declare and give notice of the result.
6. If there is an equality of votes between two or more candidates who are the only candidates in, or remaining in the count, the meeting will be adjourned for a period of five minutes. At the recommencement of the meeting, the voting process will be commenced again.
7. At this point, any nomination previously submitted may be withdrawn and new nominations will be received by the Chief Executive Officer up to a specified time.

8. If there is still more than one nomination for the position then Councillors will be required to vote again by secret ballot. New ballot papers will be prepared and distributed at that time and Councillors will be asked to indicate their vote by placing a tick against the name of their preferred candidate as shown on the ballot paper and to place their completed ballot paper in the ballot box provided.
9. Once all votes have been cast for a second time, the ballot box will be opened, all votes counted and the successful candidate determined as if those votes were votes cast in an election.
10. If there is still an equality of votes following the second count, then in accordance with Schedule 4.1 of the *Local Government Act 1995* and Regulation 77A of the *Local Government (Election) Regulations 1997* the Chief Executive Officer will draw lots to determine which candidate is elected.
11. The result will be declared by the Chief Executive Officer. The successful candidate will be called upon to assume the Chair for the remainder of the meeting.

REPORT PURPOSE

For the Airport Committee to receive an update on the progress of the airport master plan.

BACKGROUND

Council resolved to establish an Airport Committee (Committee) to provide Council with the ability to oversee the development of the airport. The Airport Committee was to be established in accordance with the Terms of Reference (refer **Appendix 1 – Airport Committee Terms of Reference**) and the members of the Airport Committee were nominated at the Ordinary Meeting of Council (OCM) held on the 25th of October 2019 (refer **Appendix 2 – Airport Committee Nominations**).

COMMENTS/OPTIONS/DISCUSSIONS

The airport master plan is progressing well. The consultants are approximately 90% of the way through the Land Use Plan.

As you will see from the overall site plan (refer to Appendix 3) the long term land use has incorporated the relocation and expansion of the General Aviation (GA) and rotary aircraft (helicopters) into precincts that allow for long term expansion and separation which will significantly assist in safe operational movements. The current location of the GA area and the positioning of the Air Services land, has effectively boxed in the GA area not allowing for any expansion or reconfiguration.

The plan also accommodates a precinct for air freight, which the administration believes will dovetail with Councils plan to provide a freight and logistics hub for the Pilbara region.

There is also an expansion to the terminal which will increase check-in and security area allowing for the current and future volume of passengers and also the enclosure of the baggage collection area.

The reconfiguration of the short and long term carpark is still yet to be designed, however, the allocation of a carpark reserve will provide enough space for any future designs.

Shire staff and the consultants have been in discussions with Air Services regarding the current NDB site and the possibility of relocation or preferably it's decommissioning which is currently inhibiting expansion of the lease areas to the west.

It is anticipated that the land use strategy and master plan will be completed and presented to council in the coming months.

In addition to the master planning, the consultants have provided staff with a preliminary intersection design to accommodate the size of the trucks that Komastu are looking to bring into the site if they are successful in securing land at the airport. (refer to Appendix 4)

9.1.7 AIRPORT ADVISORY COMMITTEE - APPOINTMENT OF MEMBERS

Attachments:	Appendix 1 – Airport Advisory Committee Terms of Reference 2019

Author:	Mrs Kylie Bergmann Coordinator Governance
Proposed Meeting Date:	25 October 2019
Location/Address:	N/A
Name of Applicant:	N/A
Author Disclosure of Interest:	Nil

REPORT PURPOSE

For Council to consider establishing a Committee to oversee the development of airports, to approve the Terms of Reference, and to appoint members to that Committee.

BACKGROUND

Council has established a number of Committees to provide it with advice on specific matters. The *Local Government Act 1995*, requires that all appointments to committees of Council must fall vacant at the next Election Day, with new appointments to be made subsequent to the election.

In appointing committee members, Council is also requested to appoint a corresponding deputy member. The appointment of a deputy reduces the risk of a quorum not being met should a sitting member be unavailable.

Deputy members do not participate in committee meetings unless requested to do so in place of a sitting member. However, they are welcome to attend meetings as observers, and are included in the meeting invitations and provided copies of all relevant agendas and minutes so that they remain aware of the issues under discussion.

All Terms of Reference (ToR) documents are based on the same basic template, with additional information inserted relevant to the particular role and membership of the committee concerned.

COMMENTS/OPTIONS/DISCUSSIONS

The purpose of the Airport Advisory Committee is to foster liaison and cooperation between the Shire of East Pilbara and all stakeholders associated with the Newman Regional Airport, to provide a formal forum for the discussion of issues associated with the Newman Airport, and to make recommendations to Council on matters associated with the future strategic development of the airport.
