Author: Mr Rick Miller
Director Technical and Development Services
Proposed Meeting Date: 09 December 2016

PURPOSE

For Council to consider a road haulage application from Atlas Iron to utilise Shire Roads to transport bulk products (Iron Ore) from their mining Operations for a period of 5 years.

OFFICER'S RECOMMENDATION

THAT Council supports the application by Atlas Iron Limited to Main Roads WA and endorses the use of roads Hillside Marble Bar Road (8120001)SLK 2.42-20.82km, Marble Bar Town Bypass Road SLK 0.0-2.46km, Corunna Downs Road (8120145) SLK 0.0-1.94km and the Limestone-Marble Bar Road (8120242) SLK 0.0-7.42km for Concessional Loading Bulk Products Scheme – RAV10 and Tri Drive Network 5 subject to the following conditions and requirements:

- 1. All Road sections used for haulage to be sealed and includes Hillside Marble Bar Road for 200 metres south of the minesite intersection turnoff and 200m north of the bypass road intersection turnoff;**
- 2. Seal widths to compliant with the proposed RAV usage and vehicle type. Limestone-Marble Bar Road (8120242) seal width will include sealing of shoulders and sealing and widening of off road pulloff areas at town entry statements;**
- 3. That a structural pavement evaluation and testing report be prepared and submitted for approval, and used for the proposed upgrade works to ensure the roads have the structural capacity to support the use of the proposed vehicles and haulage duration;**
- 4. That the proposed road design will be in accordance with Main Roads WA and Australian standards and guidelines for the proposed vehicles and haulage duration and shall take into consideration safety aspects for the road user including interaction with cattle and cattle strikes near to town;**
- 5. The applicant will be responsible for obtaining all necessary approvals and clearances (including clearing permits and native title etc) from relevant agencies prior to commencing earthworks. The Shire will authorise all works and investigations within the limits of the approvals.**
- 6. Engineering Documentation including drawings, specifications, design reports, approvals and clearances for all proposed roadworks, to be**

- submitted to Shire for approval and works to be undertaken in accordance with the approved engineering drawings and specifications;
7. All proposed approved upgrade works to be completed prior to commencement of haulage and at no cost to Council;
 8. That Atlas Iron Limited pay a road contribution for future asset preservation works for each year of usage of the roads for haulage. The contribution amount to be based on the WALGA User Guide for Estimating the Incremental Cost Impact on Sealed Roads from Additional Freight Tasks. Payments to be made to the shire 12 months in arrears except the final year where final payment will be made by the due date of haulage completion;
 9. A road maintenance schedule for ongoing maintenance to keep the roads in good condition and to a safe standard shall be developed and implemented with all costs borne by the applicant for the life of the haulage operations;
 10. The applicant shall observe at all times, all provisions contained in the Road Traffic Act and Regulations, the Local Government Act 1994 and all relevant Local Laws.
 11. Hillside Marble Bar Road (8120001), Marble Bar Town Bypass Road, Corunna Downs Road (8120145) and the Limestone-Marble Bar Road (8120242) shall remain at all times, public roads under the care, control and management of the Shire of East Pilbara;
 12. The applicant will be responsible to ensure compliance with the RAV 10 and Tri Drive Network 5 conditions as quoted on the permit at all times. Non compliance may result in Council at its discretion requesting that MRWA withdraw the Heavy Vehicle Permit;
 13. No haulage will occur on the approved permit roads on Public Holidays or Marble Bar Special Event days unless a formal request is received by the Shire from the applicant for consideration at least 42 days prior to the event day;
 14. All permits will be suspended where the road surface has deteriorated and is determined by the Shire to be unsafe for heavy haulage or any form of transport or that continuing use will cause a safety risk and/or significant damage to occur. MRWA is to administer a Council request of this nature and issue suspension notices to permit holders;
 15. The applicant shall report any damage to the road asset or associated infrastructure to the shire and arrange repairs as soon as practical;
 16. The applicant shall maintain a complaints register to record complaints from the public or road users (including road train drivers) in regards to the haulage operations or road conditions and will action these complaints and provide a copy for shire records;
 17. The shire will be permitted to use and benefit from any infrastructure installed or built in or near the roads for the road upgrades or maintenance and infrastructure not to be removed without permission of the shire;
-

18. The applicant to confirm in writing acceptance of the specified conditions and payment of application fees to formalise the agreement and;

That Council

19. Advise the applicant that subject to a formal request that the inclusion of Hillside Marble Bar Road from distance 40km to the Woodstock Marble Bar Road (Mt Webber Mine) would also be supported with conditions.

Chief Executive Officer
Author: Mr Allen Cooper
Chief Executive Officer
Proposed Meeting Date: 09 December 2016
Location/Address: N/A
Name of Applicant: N/A
Author Disclosure of Interest: Nil

REPORT PURPOSE

To appoint a panel of Councillors to undertake the Annual Performance Review of the Chief Executive Officer and to prepare a report on the review to Council.

BACKGROUND

It is a compliance requirement of the *Local Government Act 1995* and the *Local Government (Administration) Regulations 1996*, that a review of the CEO's performance be undertaken each year.

COMMENTS/OPTIONS/DISCUSSIONS

The performance review may be conducted "in house" by Councillors or an independent external person may be contracted to perform that review by Council. In either case, the outcome of the review must be considered by the full Council. The review has been performed "in house" over recent years and it is recommended that this again be the case.

The process to be followed and the criteria to be assessed are contained in the employment contract of the officer undergoing review.

STATUTORY IMPLICATIONS/REQUIREMENTS

Local Government Act 1995

Part 5 – Administration

Division 4 – Local government employees

5.38 Annual review of certain employee's performances

The performance of each employee who is employed for a term of more than one year, including the CEO and each senior employee, is to be reviewed at least once in relation to every year of the employment.

5.39 Contracts for CEO's and senior employees

- (1) *Subject to subsection (1a), the employment of a person who is a CEO or a senior employee is to be governed by a written contract in accordance with this section.*
- (1a) *Despite subsection (1) –*
 - (a) *an employee may act in the position of a CEO or a senior employee for a term not exceeding one year without a written contract for the position in which he or she is acting; and*
 - (b) *a person may be employed by a local government as a senior employee for a term not exceeding 3 months, during any 2 year period, without a written contract.*
- (2) *A contract under this section –*
 - (a) *in the case of an acting or temporary position, cannot be for a term exceeding one year;*
 - (b) *in every other case, cannot be for a term exceeding 5 years.*
- (3) *A contract under this section is of no effect unless –*
 - (a) *the expiry date is specified in the contract;*
 - (b) *there are specified in the contract performance criteria for the purpose of reviewing the person's performance; and*
 - (c) *Any other matter that has been prescribed as a matter to be included in the contract has been included.*
- (4) *A contract under this section is to be renewable and subject to subsection (5), may be varied.*
- (5) *A provision in, or condition of, an agreement or arrangement has no effect if it purports to affect the application of any provision of this section.*
- (6) *Nothing in subsection (2) or (3)(a) prevents a contract for a period that is within the limits set out in subsection (2)(a) or (b) from being terminated within that period on the happening of an event specified in the contract.*
- (7) *A report made by the Salaries and Allowances Tribunal, under section 7A of the Salaries and Allowances Act 1975, containing recommendations as to the remuneration to be paid or provided to a CEO is to be taken into account by the local government before entering into, or renewing, a contract of employment with a CEO.*

Local Government (Administration) Regulations 1996

18D Local government to consider performance review on CEO

A local government is to consider each review on the performance of the CEO carried out under section 5.38 and is to accept the review, with or without modification, or to reject the review.

Author:	Mr Allen Cooper Chief Executive Officer
Proposed Meeting Date:	09 December 2016
Location/Address:	N/A
Name of Applicant:	N/A
Author Disclosure of Interest:	Nil

REPORT PURPOSE

To consider a financial contribution of \$5,000 to a Regional Aging Strategy Project as proposed by the Pilbara Regional Council to be known as the Age Friendly Pilbara 2021 Regional Strategy.

BACKGROUND

This is a project proposed by the Pilbara Regional Council, funded in part by the Department of Local Government and Communities (DLGC).

Details of the Pilbara Regional Councils previous deliberations are attached, with the resolution of the 21st October 2016 being;

“That (the PRC Council) endorse the continuation of the Regional Ageing Strategy Project, noting the activities are subject to financial contribution from other LGAs”.

For the funding to be received from DLGC it requires matching funding from within the consortium that being the PRC and the four member Councils of \$5,000 each.

A number of agencies work in and have undertaken strategic work in the “Ageing” space.

The basis of this strategy will be to have more of a Pilbara focus.

“The desired end state of an ageing friendly framework is to create a community that:

- Recognises the great diversity among older persons.
- Promotes their inclusion and contribution in all areas of community life.
- Respect their decisions and lifestyle choices.
- Anticipates and responds flexibly to ageing related needs and preferences.

COMMENTS/OPTIONS/DISCUSSIONS

Council owns and operates the Piri Smith Retirement Village in Marble Bar and has recognised that the communities of Marble Bar and Nullagine are aging.

Approximately persons over the age of 50 at Marble Bar are 24% and at Nullagine 40 to 50%.

STATUTORY IMPLICATIONS/REQUIREMENTS

Nil

POLICY IMPLICATIONS

Council has no specific strategies aimed at the ageing.

STRATEGIC COMMUNITY PLAN

Goal 2 – Social – Planned Actions

The Shire of East Pilbara seeks to foster harmonious communities that acknowledge a shared heritage; develop strong community connections, and have access to relevant and affordable community services and well-managed community infrastructure.

2.4 Diverse and inclusive communities

2.4.3 Provide relevant and affordable community services
Partnering With: Federal Government, State Government, Industry and NGO's

RISK MANAGEMENT CONSIDERATIONS

There is no risk associated with not contributing to this project.

FINANCIAL IMPLICATIONS

Funds can be sourced account GL#41147 Budget \$200,000 Special Projects which has a balance of \$135,000 as at the 21st November 2016.

Author: Mr Allen Cooper
Chief Executive Officer
Proposed Meeting Date: 09 December 2016
Location/Address: N/A
Name of Applicant: N/A
Author Disclosure of Interest: Nil

REPORT PURPOSE

For Council to consider a request from the Pilbara Regional Council (PRC) for a financial contribution of \$2,500 (ex. GST) for the purposes of hiring a booth and other relevant equipment at the RAC Caravan & Camping Show in March 2017 at the Claremont Showgrounds.

BACKGROUND

The RAC Perth Caravan & Camping Show is Perth's largest lifestyle consumer exhibition and will be held between the 22nd and 26th march 2017 at the Claremont Showgrounds. The Show promotes the great Australian outdoor dream and all that the caravan and camping lifestyle in Western Australia has to offer.

The Show has a strong history of high attendance and a reputation for generating consumer spending. The show is a much-anticipated annual event for both exhibitors and visitors alike.

In 2016 the event attracted over 44,000 visitors across five days. Approaching its 20th year, the well-established event is the second largest show in Western Australia, following only The Perth Royal Show.

COMMENTS/OPTIONS/DISCUSSIONS

During PRC's previous Ordinary Council meeting held on the 21 October 2016 in Port Hedland, the Council resolved to endorse the attendance of the PRC at the RAC Perth Caravan & Camping Show 2017, noting that attendance is subject to individual members financial commitment towards the attendance costs.

It was suggested that PRC CEO to liaise its member CEOs to facilitate the coordination of cost-sharing arrangements and marketing collateral required from the members for the event.

Traditionally it has been the Visitors Centres role to organise attendance at these events. At this stage, as far as staff are aware, both the Newman Visitors Centre and the Marble Bar Tourist Association have not mad commitments to attend this event.

The PRC is requesting a financial contribution of **\$2,500 (ex. GST)** towards a shared 9m x 3m booth in the Jim Webster Pavilion at the RAC Caravan & Camping Show 2017.

The contribution will support:

- the hiring of the booth;
- booth furniture,
- postage fees to transport all marketing materials from the region to Perth and back to the region when the show is finished;
- transportation and installation of the mini Welcome Rest Stop; and
- staff meal allowance.

The PRC will arrange all event related logistics and will staff the booth (with member Local Government staff should members wish to allocate staff for this purpose). The PRC will also prepare visitation reports and other material relevant to Council for the purpose of making a post-event value-for-money assessment.

Itemised costs:

Item	QTY	Amount Ex. GST
Stall hire (9 x 3)	1	\$8,101.50
Shipping per LGA (\$180 /return)	4	\$720.00
Shipping & installation of the mini Welcome RS	1	\$600.00
Furniture hire	1	\$700.00
Staff lunch	2	\$300.00
Total cost		\$10,421.50

STRATEGIC COMMUNITY PLAN

Goal 3 – Economic – Planned Actions

The Shire of East Pilbara seeks to support the economic development of its communities through the establishment of partnerships with industry, local businesses, government agencies and the tourism sector.

3.1 Business diversification and promotion

3.1.3 Encourage tourism

Partnering With: State Government, Industry, NCCI, other relevant stake holders

Responsible officer: DCEO

Timing: 1-5 years

RISK MANAGEMENT CONSIDERATIONS

Responsibility for commercial risk is the responsibility of the appointed event management company and the Caravan Industry Association Western Australia, noting this Association has a proven track record for delivering similar successful events in the past.

FINANCIAL IMPLICATIONS

Council currently funds both the Newman Visitors Centre (\$90,000) and the Marble Bar Tourist Association (\$19,000).

Council also pays an annual subscription to the Pilbara Regional Council of \$240,000 account No. 41046.

If Council decides in favour to contribute, the funds could come from the Regional Tourism Contribution Account, No. 131012, which has a balance of \$25,000.

VOTING REQUIREMENTS

Absolute.

OFFICER'S RECOMMENDATION

THAT Council agree to contribute \$2,500 (ex. GST) to the Pilbara Regional Council for the purposes of hiring a booth and other relevant equipment to attend the RAC Caravan & Camping Show in March 2017 at the Claremont Showgrounds.

REPORT PURPOSE

For Council to review and accept the budget and differential rating timetable for the 2017/2018 financial year.

BACKGROUND

A strict legislative timetable exists when completing Council's budget. This is amplified by the fact we use a differential rating strategy. With adherence to this timetable the budget process will be completed in a timely manner and comply with legislation.

COMMENTS/OPTIONS/DISCUSSIONS

The table below sets out dates for the budget timetable including the consideration and acceptance of differential rating.

RISK MANAGEMENT CONSIDERATIONS

When setting the Annual Budget the Shire is exposed to financial risk over the long term if insufficient regard is given to both revenue and expenditure implications beyond the budget period. Consideration must be given to a relevant rating strategy including the use of differential rating during this time. Timing is very important to ensure the budget is accepted within legislative restraints and that all other legislative requirements are met to avoid the risk of any legislative breaches.

9.2.6 AMENDMENT TO REGIONAL PRICE PREFERENCE POLICY

Attachments:	Draft Amended Regional Price Preference Policy
Responsible Officer:	Ms Sian Appleton Deputy Chief Executive Officer
Author:	Ms Dawn Brown Contract and Procurement Officer
Proposed Meeting Date:	09 December 2016
Location/Address:	N/A
Name of Applicant:	N/A
Author Disclosure of Interest:	Nil

REPORT PURPOSE

For Council to consider an amendment to the Regional Price Preference Policy to be included within the SoEP Policy Manual (*Policy item 3.13*).

BACKGROUND

Council adopted the 2016/17 Policy Manual (*in its entirety*) at the Ordinary Council meeting held on the 24th June, 2016 (**Resolution: 201515/241**).

Council adopted the Regional Price Preference Policy on the 5th May, 2006 (**Item 9.4.2**)

On the 8th February, 2013 the Regional Price Preference Policy was amended to include examples of how the Policy would operate. (**Resolution: 201213/269**)

On the 26th August, 2016 the Regional Price Preference Policy was amended to reflect the name changes from Shire of Roebourne to the City of Karratha and Shire of Ashburton. (**Resolution: 201617/26**)

COMMENTS/OPTIONS/DISCUSSIONS

The Policy has been amended to enable the Regional Price Preference to be applied to both submissions for Tenders and Formal Request for Quotations from regionally based businesses and also to include a description of how to define a regional based business for the purpose of this Policy.

The amendments throughout this Policy document are:

- Change references throughout this Policy from Tender to Tender or Formal Request for Quotation (RFQ)
 - Include the following description to define what a regional based business is for the purpose of this Policy – *a regionally based business is to have office and/or workshop premises (LIA or Shop Front) and/or staff housed (residentially not in a Camp) located within the district of the Shire of East Pilbara.*
-

Whilst there is not a statutory requirement for local governments to apply a regional price preference for Formal Request for Quotations, it is discretionary as to whether this is to be introduced as policy. As the Shire's formal Request for Quotations are dealt with in a similar manner as to the Request for Tenders, i.e utilising the electronic tendering portal (Tenderlink), having a detailed Scope of Works/Specification and evaluating against qualitative criteria, it is felt that the regionally based businesses who submit a compliant submission for a Formal RFQ should be afforded a regional price preference.

Before Council can adopt this amended Policy, Council must give Statewide public notice of its intention to amend this Policy, and at the same time seek submissions from the public for a minimum of 4 weeks as *per Local Government (Functions and General) Regulations 1996 Part 4A, 24F*.

24F. Adoption and notice of regional price preference policy

- (1) A policy cannot be adopted by a local government until at least 4 weeks after the publication of the Statewide notice of the proposed policy.
- (2) An adopted policy must state —
 - (a) the region or regions within which each aspect of it is to be applied; and
 - (b) the types and nature of businesses that may be considered for each type of preference; and
 - (c) whether the policy applies to —
 - (i) different regions in respect of different parts of the contract, or the various contracts, comprising the basis of the tender;
 - (ii) different goods or services within a single contract or various contracts;
 - (iii) different price preferences in respect of the different goods or services, or the different regions, that are the subject of a tender or tenders,or to any combination of those factors.
- (3) An adopted policy cannot be applied until the local government gives Statewide notice that it has adopted that policy.
- (4) The local government is to ensure that a copy of an adopted regional price preference policy is —
 - (a) included with any specifications for tenders to which the policy applies; and

STATUTORY IMPLICATIONS/REQUIREMENTS

Local Government (Functions and General) Regulations 1996.

POLICY IMPLICATIONS

3.13 REGIONAL PRICE PREFERENCE POLICY

3.13 Regional Price Preference Policy

Responsible Directorate	Corporate Services
Responsible Officer	Manager Assets and Procurement
File Number	FIN

Objective

To maximize the use of competitive locally based businesses in the provision of goods or services purchased or contracted by the Shire of East Pilbara.

Policy

For the purposes of this policy, a regionally based business is to be located within the district of the Shire of East Pilbara.

Where no tender or price is received from a Shire of East Pilbara based business, submissions from businesses based within the City of Karratha and the Shire of Ashburton and the Town of Port Hedland will be deemed to be regionally based for the purposes of this policy.

A price preference will apply to all tenders invited by the Shire of East Pilbara for the supply of goods and services and construction (building) services, unless Council resolves that this policy will not apply to a particular tender.

The following levels of preference will be applied under this policy:

1. Goods and Services – 10%, or to a maximum price reduction of \$50,000
2. Construction (building) Services – 5%, or to a maximum price reduction of \$50,000
3. Goods and Services, including Construction (building) Services – 10%, or to a maximum price reduction of \$500,000, if the Council is seeking tenders for the provision of those goods or services for the first time, due to those goods or services having been, until then, undertaken by the Council.

The application of the preference levels listed in 1.2 above will only be in consideration of the value of those goods and services identified by the supplier as being from regional sources.

In considering any tender or submission, price is only one of the factors to be assessed when Council is to decide which of the suppliers it thinks would be the most advantageous to it

Example of the Application of the Regional Price Preference Policy

Example 1

Consider a scenario when the following 2 tenders to supply goods and services are received by a local government that has chosen a 10% rate of preference.

1. Tender 1 is from a regional tenderer (as defined by Council in this policy).
2. Tender 2 is from a metropolitan based firm.

Tenders Received	Price of Tender	Price Reduction at 10% rate of preference	Adjusted price used for evaluation purposes
Tender 1	\$100,000	\$10,000 (10% of \$100,000)	\$90,000 (100,000 less \$10,000)
Tender 2	\$95,000	No preference applicable	\$95,000

As can be seen from the table above, in terms of price, the tender from the regional tenderer (Tender 1) is the most advantageous once the preference has been applied.

However, it is important to emphasise that price is only one of the criteria used to determine a successful tenderer. Nonetheless, when the tenders are assessed against all the tender criteria, the adjusted price is the one to be used. That is, the price following the application of any preference.

Example 2

This example highlights how the maximum price reduction affects the assessment of tenders. The following scenario where tenders are called to supply construction (building) services by a local government that has chosen a 5% rate of preference.

1. Tender 1 is from a regional tenderer.
2. Tender 2 is from a metropolitan based firm.

Tenders Received	Price of Tender	Price Reduction at 5% rate of preference	Reduced price used for evaluation purposes
Tender 1	\$1,200,000	Less 5% of \$1,200,000 = \$60,000. However the maximum price reduction is limited to \$50,000	\$1,150,000 ((\$1,200,000 less \$50,000))
Tender 2	\$1,145,000	No preference applicable	\$1,145,000

In this case, in terms of price alone, Tender 2 is the most advantageous.

Annual Review

This policy will be reviewed on an annual basis to assess the financial impact on Council resources and the level of local purchasing. The Council may revise the percentage preference rates as a result of each Review, in accordance with the *Local Government (Functions and General) Regulations 1996*.

REPORT PURPOSE

For Council to consider tenders for the provision of fire equipment inspection, servicing and testing, and to seek approval for the Chief Executive Officer to apply the common seal of the Shire of East Pilbara to the Contract for the successful tenderer.

BACKGROUND

Statutory legislation requires mandatory inspection, servicing, testing and tagging of all fire equipment in all public buildings. Australian Standard 1851-2012 details the service scheduling for all fire equipment.

COMMENTS/OPTIONS/DISCUSSIONS

The tender was advertised in the West Australian newspaper on Wednesday 28th September 2016, the Shire Tenderlink Portal, the Shire website and Shire notice boards.

Closing date for the tender was 10.00am on Wednesday 19th October 2016.

At the close of tender, four (4) compliant tenders and one (1) non-compliant tender were received as follows:

Tenderer
Firesafe
Kyte Holdings
Protector Fire Services
Wormald Australia
Capricorn Extinguisher Services

The documentation outlined the qualitative selection criteria with the associated weightings for the evaluation of the tenders as follows:

No.	Criteria	Weighting
1	Relevant Experience	25%
2	Skills and Experience of Key Personnel	15%
3	Methodology	5%
4	Demonstrated Understanding	15%
5	Price Consideration	40%

Value for money and costing also formed part of the assessment and consideration. A full assessment of the tender submissions is attached under a separate confidential cover.

The results of the tender assessment indicate that Wormald Australia is the most advantageous to Council.

STATUTORY IMPLICATIONS/REQUIREMENTS

The National Construction Code and the Health Act specify the legislative requirements for compliance

POLICY IMPLICATIONS

3.13 REGIONAL PRICE PREFERENCE POLICY

Minute No: Item 9.2.8
Date: 26th August 2016

Objective

To maximise the use of competitive locally based businesses in the provision of goods or services purchased or contracted by the Shire of East Pilbara.

3.14 PURCHASING AND TENDER PROCEDURES

Minute No: Item 9.2.8
Date: 26th August 2016

Objective

1. To provide compliance with the *Local Government Act 1995* and the *Local Government (Functions and General) Regulations 1996* (as amended).
2. To set guidelines which must be followed when inviting tenders for works and services within the Shire.
3. To ensure consistency that purchasing activities integrate within all Shire of East Pilbara operational areas.

STRATEGIC COMMUNITY PLAN

Goal 1 – Civic Leadership – Planned Actions

The Shire of East Pilbara seeks to deliver high quality corporate governance and demonstrate accountability to its constituents. All decisions are informed by community engagement – leading to the effective allocation of the Shire’s resources – that deliver optimum benefits to the community.

- 1.1 Efficient and effective local government
 - 1.1.1 Ethical, accountable and transparent decision-making

Timing: As appropriate
 - 1.1.2 Continued strong financial management
Responsible officer: DCEO
Timing: 1 year
 - 1.1.3 Effective business management
Responsible officer: DCEO
Timing: 1-3 year

Goal 3 – Economic – Planned Actions

The Shire of East Pilbara seeks to support the economic development of its communities through the establishment of partnerships with industry, local businesses, government agencies and the tourism sector.

- 3.3 Provide adequate community infrastructure
 - 3.3.1 Ensure well managed and equitable provision of community infrastructure
Responsible officer: MBA
Timing: 1-5 years

RISK MANAGEMENT CONSIDERATIONS

The potential risk to council is twofold:

1. Failing to undertake the statutory testing will result in breaching the legislative requirements and potentially render the public facilities non-compliant, therefore unfit for public use.
2. By not going to public tender to award the works, could potentially breach the tender and purchasing requirements under the Local Government Act.

FINANCIAL IMPLICATIONS

Resource requirements are in accordance with existing budgetary allocation.

REPORT PURPOSE

For Council to consider tenders for the Design and Construction of a New Archive Building & Animal Management Facility Building, to be located at Newman Works Depot and to seek approval for the Chief Executive Officer to apply the common seal of the Shire of East Pilbara to the contract for the successful tenderer.

BACKGROUND

The Archive and Animal Management Facility project will have an outcome of improved community safety and care pertaining to animal management and storage of archive documentation in accordance with the Shire of East Pilbara's Record Keeping Plan 2013.

The upgrade and relocation of the pound will also facilitate the integration of the adjacent lot purchased by the shire for the future expansion of the depot.

At the Ordinary Council Meeting held 24 July 2015, Council resolved:

“ COUNCIL RESOLUTION: 201516/12

MOVED: Cr Anita Grace

SECONDED: Cr Gerry Parsons

THAT Council

- 1. No Tender for RFT 17-2014/15 Archive Building and Animal Management Facility be accepted; and*
- 2. The design and requirements for this tender be re-evaluated and re-tendered.*

*CARRIED BY ABSOLUTE MAJORITY
RECORD OF VOTE: 8 - 0”*

Subsequently the Shire undertook a second Tender procurement process for the Design, Construct, and Installation of a New Archive Building & Animal Management Facility Buildings. The Tender was publically advertised on the 8th October 2016. The Tender closed for submissions at 2.00pm, Tuesday, 8th November, 2016.

This project is for the Design, Construction and Installation of a new Archive Building and a combined Animal Management Facility that are to be based on the detailed “Hames Sharley” drawings. The drawings undertaken for the Principal by Hames Sharley are to be used as a “Guide” as the Principal is interested in alternative designs, use of alternative building materials and methods to achieve the same outcome that may represent value for money. The new archive building will be located adjacent to the boundary fence and subsequently must have the **correct fire rating** accordingly.

The existing shed will now be kept and used as additional storage space. A compliance report indicated that the building would require significant upgrades to be used for any other purpose. The other major changes from the first tender is that the archive building has been moved to accommodate the existing shed which requires the removal of the existing disused overhead diesel tank and the Community Safety Office has been expanded to cater for future relocation of the Community Safety Section to the Depot.

Appendixes Four to Seven identify:-

- Approximately, 136sqm New Archive Building with 24/7 air conditioning. No gas suppression system required. (Refer Appendix Four as Guide)
- Individual Dog compounds and dog exercise yard. (Refer Appendix Five as Guide)
- Approximately, 72sqm Office facility, (Refer Appendix Six as Guide)
- Relocation of existing 15sqm Cattery and new approximately 24sqm Cat exercise yard. (Refer Appendix Seven as Guide)

The RFT documentation outlined the selection criteria with the associated weights for the evaluation of the tenders as follows:

---------------------	--

Capital Expenditure

All capital purchase orders will be signed by the Chief Executive Officer, Deputy Chief Executive Officer or the Director Technical & Development Services with the exception of road construction and plant fleet which can be signed by Manager Technical Services – Rural.

Definition of a Capital Item for the purpose of the Shire of East Pilbara:

1. Any item budgeted as a capital item in the adopted budget;
2. Any item to be purchased, which involves the replacement of an existing asset through the sale, trade-in, write-off or disposal of an item on the fixed asset register.

Refer to the Accounting Policy in the Council's Policy Manual for the further treatment of non-current assets.

No item of a capital nature may be purchased unless included in the adopted budget, or if unbudgeted, has been approved by "absolute majority" of Council prior to the purchase of the item. (Council has no retrospective right of approval of purchase of non-budgeted items of capital).

In order to preserve the cash flow of the Shire, major items of budgeted capital expenditure should be deferred, where possible, until the second or third quarter of the financial year. However all capital orders must be raised by the 30 April to allow adequate time for payment by June 30 of each year. In all cases, the timing of the expenditure on major items of capital should be discussed and agreed with the Deputy Chief Executive Officer.

Orders for Goods & Services

Purchase orders must be made out and signed by authorised persons for all goods and services ordered for the Shire at the time that the order is placed. **Orders should never be raised retrospectively.**

The following staff may raise a purchase order in accordance with value procedures as previously set out in this clause to the maximum value of \$150,000. If the purchase is in excess of \$150,000 a requisition is to be authorised by the Chief Executive Officer prior to the order being issued:

1. Deputy Chief Executive Officer
2. Director Technical & Development Services
3. Manager Technical Services – Rural (road construction and plant only)

The following staff may raise a purchase order in accordance with value procedures as previously set out in this clause to the maximum value of \$30,000. If the purchase is in excess of \$30,000 a requisition is to be authorised by their supervisor prior to the order being issued;

1. Managers
2. Coordinator Property Services

The following staff may raise a purchase order in accordance with value procedures as previously set out in this clause to the maximum value of \$10,000.

1. Coordinators
2. Works Supervisor (Newman and Marble Bar)

If the purchase is in excess of \$10,000 a requisition is to be authorised by their supervisor prior to the order being issued.

Other officer's in line with relevant procedures will have authority to authorise purchases to the value of \$2,000.

Light Vehicle Purchases

The designated Fleet Officer is authorized to purchase light vehicles under \$150,000 utilising the WA State Purchasing Agreement and adhering to Council's budget decisions and Council's Light Vehicle Policy. Any vehicle incurring the luxury car tax will have to be approved by the Chief Executive Officer or the Deputy Chief Executive Officer.

Consultants Services

Services separately identified in the adopted budget to be at officer's discretion up to \$20,000.

Between \$20,001 and \$150,000 a Request For Quote procedure shall be utilised, in compliance with purchase thresholds.

A request for services, which it is envisaged, will exceed \$150,000 shall undergo the full tender process.

Light Vehicle Disposals

The preference for the disposal of light vehicles (less than \$150,000) is by public auction.

The reserve sale price is to be determined by the Manager Technical Services – Rural in conjunction with the Chief Executive Officer and/or the Director Technical and Development Services.

The following information sources will be utilised in determining the reserve sale price:

1. Valuation by the auction house.
2. Valuation from a recognised source ie: red book.
3. Internet research.
4. Past sales by auction house.

Disposals are to be completed within the same financial year, or within 3 months of receipt of a new vehicle, whichever is the sooner to maximise sales return

Regulatory Compliance

In the following instances public tenders or quotation procedures are exempt (regardless of the value of expenditure):

7. An emergency situation as defined by the Local Government Act 1995;
8. The purchase is under a contract of WALGA (Preferred Supplier Arrangements), Department of Treasury and Finance (permitted Common Use Arrangements), Regional Council, or another Local Government;
9. The purchase is under auction which has been authorised by Council;
10. The contract is for petrol, oil, or other liquid or gas used for internal combustion engines;
11. Any of the other exclusions under Regulation 11 of the Local Government (Functions and General) Regulations 1996 apply;
12. The purchase is under the Shire of East Pilbara Supplier Panel and is under \$30,000 exc GST.
13. The goods or services are obtained through a person registered on the Aboriginal Business Directory WA for contracts worth \$250,000 or less.
14. The goods or services are obtained through an Australian Disability Enterprise.

4.5 EXECUTION OF DOCUMENTS

Minute No: Item 9.1.3

Date: 27th June 2013

Objective

To allow for the proper execution of documents.

Policy

All documents validly executed will have the common seal affixed and the Shire President and the Chief Executive Officer's attestations affixing the seal. Use of the common seal is to be recorded in the common seal register and must have the Council resolution number included and the date that the seal was applied.

STRATEGIC COMMUNITY PLAN

Goal 1 – Civic Leadership – Planned Actions

The Shire of East Pilbara seeks to deliver high quality corporate governance and demonstrate accountability to its constituents. All decisions are informed by community engagement – leading to the effective allocation of the Shire's resources – that deliver optimum benefits to the community.

1.1 Efficient and effective local government

1.1.3 Effective business management

Responsible officer: DCEO

Timing: 1-3 years

RISK MANAGEMENT CONSIDERATIONS

Low Risk in supporting recommendation is as it aligns with shires budget and strategic objectives. Not going with recommendation is a moderate negative risk that would impact Shire Reputation as the grant has been rolled over several times and failure to acquit in a reasonable timeframe may have a negative effect on future applications. Reputation with contractors would also be negatively impacted as they invest significant time and funds to submit tenders to the shire. The shire would also be exposed to a financial risk with the return of funds some of which has already been spent and negative impact on strategic development of the Depot.

FINANCIAL IMPLICATIONS

Resource requirements are in accordance with existing budgetary allocation. Adopted Budget Project Accounts GL49037 \$300,000; GL59019 \$330,000. The project is also supported by a \$80,00 grant that must be acquitted in 2017.

PUBLIC HEALTH ACT 2016**

File Ref: LEG-1-2
Responsible Officer: Mr Rick Miller
Director Technical and Development Services
Author: Mr Edmore Masaka
Manager Development Services - Health
Proposed Meeting Date: 09 December 2016
Location/Address: N/A
Name of Applicant: N/A
Author Disclosure of Interest: Nil

REPORT PURPOSE

For Council to adopt and delegate all its powers conferred to it under the Public Health Act 2016 to the Chief Executive Officer.

BACKGROUND

Following the coming into force of the Public Health Act 2016, herein referred to as the 'Act', the Department of Health (WA) advises local government to prepare for the implementation of stage 3 by putting into place processes which provide for:

- Automatic designation of Environmental Health Officers as authorised officers and;
- Future designation of authorised officers following stage 3 as provided for under Section 24 of the Act.

Section 16 of the Public Health Act 2016 specifies the functions of local government as:

Division 2 — Functions of local governments

16. Functions of local governments

A local government has the following functions in relation to the administration of this Act —

- (a) to initiate, support and manage public health planning for its local government district;
- (b) to develop and implement policies and programmes to achieve the objects of this Act within its local government district;
- (c) to perform the functions that are conferred on local governments by or under this Act;
- (d) to administer and enforce this Act within its local government district in accordance with the objects and principles of this Act.

Section 17 of the Act now empowers local government to appoint environmental health officers to function as authorised officers under the Act:

17. Appointment of environmental health officers

- (1) A local government may appoint one or more persons as environmental health officers.
- (2) An appointee may be —
 - (a) a person employed by the local government under the *Local Government Act 1995* section 5.36; or
 - (b) a person engaged by the local government under a contract for services.
- (3) A local government must not appoint a person as an environmental health officer unless the person has the qualifications and experience approved by the Chief Health Officer under section 18.
- (4) Two or more local governments may enter into arrangements for one or more persons to be appointed as environmental health officers for each of those local governments.
- (5) This section does not limit the *Local Government Act 1995* section 5.36.

Section 4 (d) (1) of the Act designates local government as an enforcement agency, with its roles as such being spelt out under Section 19 of the Act as:

Division 3 — Functions of enforcement agencies

19. Functions of enforcement agencies

An enforcement agency has the functions in relation to the administration of this Act that are conferred or imposed on the agency by or under this Act.

As an enforcement agency, the local government is now empowered to designate authorised officers for the purpose of this Act as provided for under Section 24(1) of the Act:

Designation of authorised officers

- (1) An enforcement agency may designate a person or class of persons as authorised officers —
 - (a) for the purposes of this Act or another specified Act; or
 - (b) for the purposes of the specified provisions of this Act or another specified Act; or
 - (c) for the purposes of the provisions of this Act or another specified Act other than the specified provisions of that Act.

To enable Council to fulfil the above mentioned legislative responsibilities, Section 21(1) (b) of the Act empowers it to delegate any or all its powers conferred to it under the Act to its Chief Executive Officer, including the power to appoint environmental health officers and designate certain classes of persons as authorised officers under the Act as long as such appointment and/or designation complies with the requirements of Section 25 of the Act;

25. Certain authorised officers required to have qualifications and experience

- (1) An enforcement agency must not designate a person or class of persons under section 24(1) unless the enforcement agency —

- (a) considers that the person or, as the case requires, the persons in that class have appropriate qualifications and experience to perform the particular functions that the person or class of persons are to perform as authorised officers; and
 - (b) has regard to any guidelines issued under section 29.
- (2) This section does not apply to the designation of —
- (a) public health officials, whether individually or as a class; or
 - (b) environmental health officers, whether individually or as a class.

COMMENTS/OPTIONS/DISCUSSIONS

The Department of Health (WA) has advised that the anticipated date when stage 3 of the implementation of the Act will kick off is late January 2017.

It is therefore imperative that Council ensures that due processes regarding the appointment and /or designation of authorised officers are considered and finalised, with the required certificates of authority having been issued to ensure compliance with the Act and also ability to fulfil the legislative responsibilities under this Act by late January 2017.

It is for this reason that Council needs to delegate its powers and responsibilities under the Act to the Chief Executive Officer before late January 2017.

Author Disclosure of Interest: Nil

REPORT PURPOSE

For Council to consider authorising the Chief executive Officer (CEO) to sign the memorandum of understanding (MOU) between the Shire of East Pilbara, Department of Fire and Emergency Services Authority and the Marble Bar Volunteer Fire and Emergency Service (VFES).

BACKGROUND

The Shire of East Pilbara has previously been partner to a similar MOU dated 2011-2016. This agreement expires in December 2016 and DFES seeks renewal of this MOU.

The function of the MOU is to ensure the maintenance and support of the Marble bar volunteer fire & emergency services is provided by the stakeholders.

The purpose of the agreement:

- 1.1 This Memorandum of Understanding (MOU) is intended to identify and document the respective roles and responsibilities of the Marble Bar Volunteer Fire and Emergency Services (VFES), the Shire of East Pilbara (the Shire) and the Department of Fire and Emergency Services (DFES), to manage the Marble Bar VFES.
 - 1.2 This MOU outlines the responsibilities and undertakings of the Shire, the Marble Bar VFES and DFES (the parties), for the delivery of volunteer fire and emergency services to the Shire in accordance with DFES' best practices.
 - 1.3 This MOU does not constitute or create and shall not be deemed to constitute, any legally binding or enforceable obligations on the part of any party.
-

COMMENTS/OPTIONS/DISCUSSIONS

The Marble Bar VFES Unit forms part of the Shire's mitigation and control responsibilities under the *Bush Fires Act 1954* and the *Fire & Emergency Services Act 1998* and is the only emergency service available to respond to road accident rescue fire, flood and cyclone in the Marble Bar townsite and surrounding area.

Whilst the VFES unit is not directly under the Shire's control, the Shire of East Pilbara Chief Bush Fire Control Officer has the ability to activate the unit for the control and extinguishment of wildfire as required.

The MOU as presented has been reviewed by the author and agreed to by the other parties. Council approval will see the terms of this document become formalised between the parties involved.

The Shire of East Pilbara involvement is of a minor nature with a commitment to assist in the support group in the form of a representation at an annual meeting as required.

STATUTORY IMPLICATIONS/REQUIREMENTS

Bush Fires Act 1954, - Local Government responsibility to control and extinguish wildfires burning on land within its district.

Fires and Emergency Services Act 1998

Emergency Management Act 2005, Regulations - Local Government prescribed as the Hazard Management Agency (HMA) for wildfires on land within its district other than DEC land or in a gazetted fire district.

9.3.5 NEWMAN AIRPORT LONG-TERM CAR PARK FEES ADJUSTMENT

File Ref: FIN-23-10
Responsible Officer: Mr Rick Miller
Director Technical and Development Services
Author: Mr Salomon Kloppers
Manager Development Airports
Proposed Meeting Date: 09 December 2016
Location/Address: N/A
Name of Applicant: N/A
Author Disclosure of Interest: Nil

*12:11 PM Cr Lynne Craigie returned to the Chambers
Cr Lang Coppin vacated the Chair
Cr Lynne Craigie assumed the Chair*

REPORT PURPOSE

To seek Council's approval for the amendment of Long-term Car Park Fees and Charges.

BACKGROUND

The Car Park Fees and Charges approved for Financial Year (FY) 2015/ 2016 (**Resolution 201415/201**) for the use of Newman Airport included three hours free parking time in the Long Term Car Park.

Light vehicles are allowed to drop off in front of the terminal, but not pick up. Because of the size of the coach buses, they may not attend to the front of the terminal. Hence, they were granted free parking in the Long Term Car Park to pick up and drop off.

The free parking time was introduced so as to provide bus operators with enough time to park free of charge whilst dropping passengers off for a number of flights, whilst waiting for new passengers to deplane and make their way onto the bus. In this manner, buses were given preferential treatment as they could "drop off" for free at the airport for three hours where light vehicles staying three hours were taken to be parked and hence had a fee applied to them.

A consequence of providing the free time to the buses are that all parkers share in the benefit as the car parking system cannot distinguish between buses and other users.

The Long Term Car Park Fees and Charges accepted included the following:

Long Term Car Park Fees and Charges	
Time band current	Cost (incl GST)
0-3 hours	Free
Days 1-7	\$12/ day
Days 8-14	\$10/ day
Days 15 and after	\$8/ day

Heavy vehicle bays are by their nature larger than light vehicle bays. A recent report examining the functioning of the car parks by Parking and Traffic Consultants noted that the Shire should aim at recovering the carry cost of bays at a minimum. For bus bays this is between \$2,421 and \$3,971 p.a. currently no income is generated from buses or anyone else using that car park for less than 3 hours.

COMMENTS/OPTIONS/DISCUSSIONS

It is important to implement a policy of charging for bus and coach parking. Providing these facilities is costing the Shire money, and charging for ground transport access is commonplace around Australia.

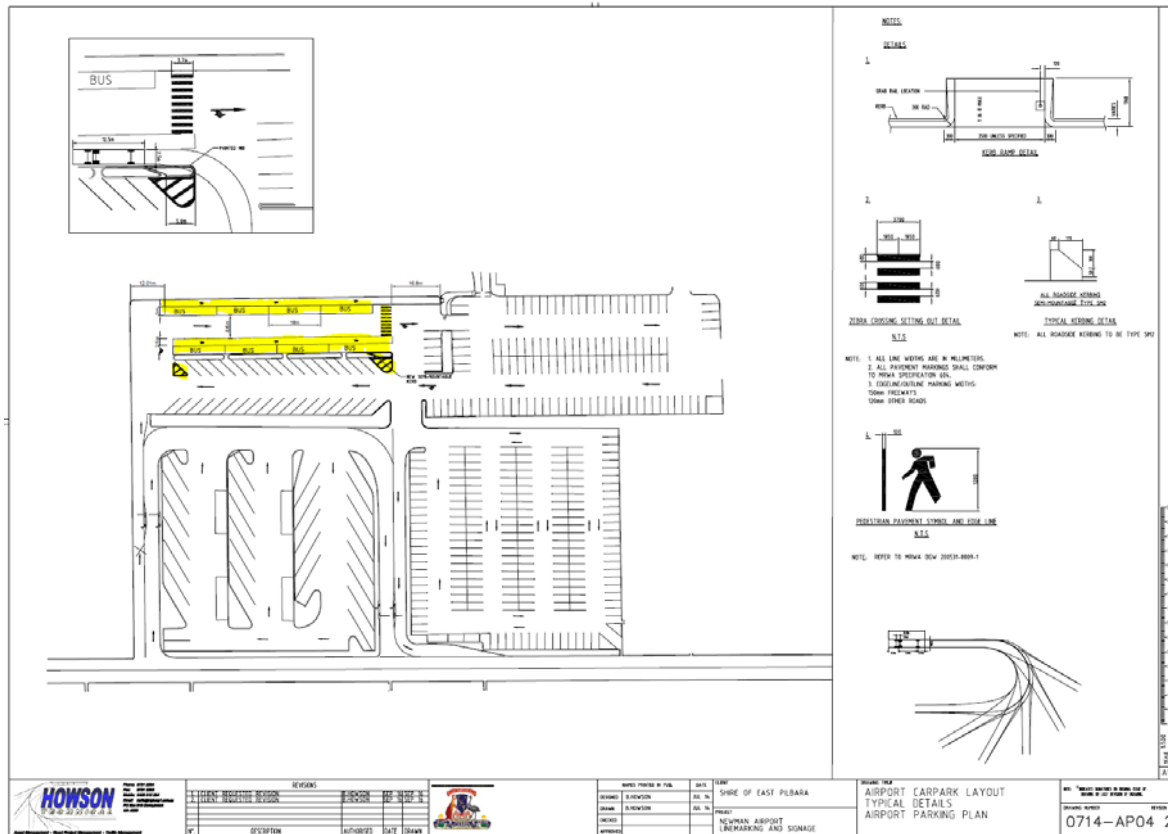

In addition, because the current three hours free in the Long Term Car Park do not differentiate between buses and other traffic, a recent report done on the functioning of the car parks by Parking and Traffic Consultants noted that in addition to buses not paying, the cost of the other vehicles exiting the car park within that time was calculated as 8,038 instances during the year under review. This represented a loss to the Shire of more than \$80,000 dollars.

Observations and consultations have highlighted that almost all coach activity is generated through FIFO pick-up and drop-off. The coach operators have contracts with the mining companies to pick-up and drop-off these workers. Coach operator's use the three hours free in the Long Terms Car Parks of Newman Airport to generate a profit. Because of our fee structure they can use a single bus to perform both pick-up and drop-off across multiple flights.

In addition, the Airport is planning a number of changes in the Long Term Car Park aimed at clients of coach operators in response to discussions with BHP. These aim to:

- Shorten the walking distance by moving bus drop off zones closer to the terminal;
- Increase safety by changing bays so no reversing is needed and;
- Decreasing the turnaround time for buses when picking up or dropping off by providing bays that are drive-thru.

These changes can be visualised using the following diagram with the new bays highlighted:

As a general user-pays principle, the excessively long free parking time has resulted in a significant number of passengers using the airport contribute no money towards the establishment, upkeep, maintenance, management, security or lighting costs of the car parks.

Because the free parking time in the Long Term Car Park is longer than in the Short Term Car Park, the possible users of the Short Term Car Park is currently incentivised to not make use of that facility.

It is suggested that a free parking time of no more than 30 minutes should be applied to the Long Term Car Park which easily meets the Shire's moral obligation to provide a free drop-off/ pick up by buses in a safe and timely manner.

With the three hours free parking time removed, the question is then whether buses must continue to get some kind of special dispensation.

To keep parking costings as simple and consistent as possible it is recommended that fees remain the same with just the reduction of free time affected.

The Airport have confirmed with the largest provider of buses that 30 minutes are adequate for dropping off or picking up passengers, should they be staged already.

Should a bus be used to drop off and pick up passengers over two separate flights it will probably overstay the 30 minutes. However, a payment of \$12 in terms of current parking fees will then be incurred although on a per passenger basis this will be very small. A bus servicing multiple flights would be charged as it would be "parking" and not merely "dropping off".

A provider advised officers that in reality, should the change go ahead, they will cycle buses through their holding yard, rather than continuing using the Airport car parks as storage between jobs.

Buses remaining parked for longer than 30 minutes can pay using all the methods currently available. These include an Annual Parking Permit (fixed fee parking regardless of how heavy the use), Stored Value Card (pay only for the actual parking used), or manual pay station.

Points that were considered included:

1. That all vehicles regardless of size pay the same as the system cannot differentiate between vehicle sizes and adapt the fee charged accordingly;
2. Unless a billing system is implemented (using the proximity cards) the driver will need to have cash or a credit card to exit the coach area (the Shire has an annual permit and stored value card system in place); and
3. A free time change will have minimal impact on legitimate drop-off/ pick-up only operators.
4. The change will allow the Shire to provide industry standard parking while allowing a financial return.

It is recommended that the free parking time in the Long Term Car Park be reduced to 30 minutes and that all users are subject to the same fee for periods in excess of that. It is also recommended that the implementation date of this be made 1 February 2017.

9.3.6 AFFIXING THE COMMON SEAL TO THE LEASE OF THE BUREAU OF METEOROLOGY SITE AT NEWMAN AIRPORT

12:19 PM Meeting adjourned.

1:20 PM Meeting resumed, All Councillors and staff returned to Chambers, except Cr Lang Coppin

REPORT PURPOSE

To seek Council approval to apply the Common Seal of the Shire of East Pilbara (Shire) to the Agreement between the Shire and the Bureau of Meteorology (BOM).

BACKGROUND

BOM maintains a site dedicated to the measuring of weather parameters for aviation safety at Newman Airport. This site was made available to the BOM at no cost as a public service.

At the time of its establishment the site was located away from other infrastructure. However, over the course of the previous agreement (10 years) the site was slowly built in by other lease areas and buildings.

For technical reasons the site must have uninterrupted airflow and be situated away from interferences.

COMMENTS/OPTIONS/DISCUSSIONS

BOM has approached the Shire with an offer to create a new lease for the BOM weather site with a duration of ten years.

Shire officers discussed the location of the current BOM site with BOM. It was recognised that although currently suitable, any additional development of the lease areas surrounding the site may negatively impact on the accuracy of the readings collected.

The lots around the current BOM weather site is likely to be built up over the course of a long term agreement.

The parties recognised the possibility that the site may have to be relocated (at the expense of BOM) at some point in the future.

Also identified was the fact that the Shire is about to embark on a new Master Plan process that will provide guidance as to land use. Until the finalisation of that Master Plan, it would be premature to identify a new location for the BOM weather site that will be future proof.

Considering the above, the parties are agreeable to a short term lease of two years (a twelve month period with an option held by the parties of an additional twelve months).

This will provide ample time for the Master Plan to be completed and a new site to be identified.

REPORT PURPOSE

For Council to consider management options for Carawine Gorge, Marble Bar.

BACKGROUND

Carawine Gorge is located on Warrawagine Station, approximately 170km east of Marble Bar via Ripon Hills and Woodie Woodie Roads. It is accessed from Marble Bar by Ripon Hills Road and Nullagine by Skull Springs Rd.

The Gorge includes a permanent pool on the Oakover River and is well regarded for its sheer rock faces and picturesque setting. Warrawagine Station currently allows free camping on the eastern riverbank, which is flat and provides shade. There are

no camping facilities provided with the majority of campers using self-contained caravans and campers (see photos below).

The natural attributes of Carawine Gorge are not currently afforded protection through national park or conservation listing. The Gorge is managed by the pastoral station under the term of its lease. Whilst public access is permitted by the station owner, there is no right of public access at this time.

Given the lack of formalised public access or conservation protection of Carawine Gorge, this report has been prepared to identify the options available.

COMMENTS/OPTIONS/DISCUSSIONS

Management Options

There are three main options available for the future management of Carawine Gorge:

1. Continued management by Warrawagine Station.
2. Creation of a Conservation Park or Nature Reserve vested in the Department of Parks and Wildlife. (DPaW)
3. Creation of a Recreation / Camping Reserve vested in the Shire.

Option 1 – Continued Management by Warrawagine Station

This is the simplest option, but does not provide any additional right of public access or formalise the conservation value of Carawine Gorge. However, the opportunity is available for the Shire and the station owner to agree to continued public access. Contribution to costs associated with maintaining the camping ground could also be arranged if Council so wished. Currently, the 14km access road is graded annually by the Shire. Additional contributions could include signage and ablutions (noting the logistical issues surrounding cleaning and maintenance given the isolation of the site).

There is ability under the pastoral lease for the station owner to apply for a diversification permit to build on the tourism potential for the site, if they so wish.

Option 2 – DPaW reservation

Reservation of Carawine Gorge and its surroundings as a conservation reserve or nature park under the Conservation and Land Management Act 1984 is possible, subject to the Department of Parks and Wildlife (DPaW) being willing to take on the reservation. This option is dependent upon the station owner being supportive of excision of an identified parcel of land from the pastoral lease and DPaW accepting management of it.

Reservation under the CALM Act will require the conservation values of the area to be well documented and is likely to be a drawn-out process. Preliminary discussions with DPaW indicate that it is not currently planning to increase its conservation holdings in the Pilbara at this time. Future planning by DPaW is focussed on improvements at its existing parks, in particular Karijini and Millstream-Chichester.

Option 3 – Creation of a Recreation and Camping Reserve vested in the Shire

Should Council so wish, it could request land be excised from the pastoral lease and vested with it for recreation and camping purposes. This reservation would occur under the Land Administration Act 1997. As with the DPaW reservation, it would require the pastoral lease holder to relinquish portion of the lease.

Taking on management of Carawine Gorge would require the Shire to allocate sufficient resources to provide the level of service desired.

A-Class Reservation

An "A-class reserve" is commonly considered a form of environmental protection, as many existing A-class reserves have high environmental values. However, this is not necessarily the case. Under the Land Administration Act 1997, an A-Class reservation places a higher level of statutory protection on amendments to the

management of the reserve, such as changes to the purpose, management authority or leasing. Any proposed changes require tabling in both houses of Parliament prior to being approved by the Minister for Lands.

Although the creation of new A-Class reserves is still possible under the Land Administration Act, it is now rarely used. This is likely due to the presence of the Conservation and Land Management Act, which provides a similar level of statutory control for reserves with a conservation purpose.

In the event that Carawine Gorge is reserved and vested in the Shire, it is unlikely to trigger the need for A-class reservation. The presence of a range of environment protection measures, such as native clearing controls, threatened species protection, aboriginal heritage protection and water quality controls, removes the need for the higher level of scrutiny provided by A-class reservation.

Next Steps

In order to move forward, Council is requested to provide direction on what the objectives of reservation of Carawine Gorge would be. The first step in this process is to determine whether reservation is required at all, or if the current situation of management under the pastoral lease can continue. Should Council consider reservation is desirable, it is recommended that it also decides on whether the primary purpose of reservation is to conserve (Option 2) or formalise public access and enjoyment (Option 3).

Officer Comment and Recommendation

Given the likelihood that DPaW will be unwilling to take control of Carawine Gorge, the choice appears to be limited to either Option 1 (continued management under the pastoral lease) or Option 3 (Shire reservation). Should the Shire take on care and control of Carawine Gorge, any increase in the level of service to campers and visitors will create logistical challenges with ongoing maintenance and operation.

The current situation of the site being managed by the local station appears to be effective in keeping the site maintained to an appropriate standard, although the Shire is aware of issues in the past with littering and uncontrolled vehicle access.

Council officers recommend no change to the tenure of the land at this time (Option 1). However, increases to the level of amenity provided to visitors and campers can be explored by the Shire and station owners with any financial implications considered during the normal budgetary process.

STATUTORY IMPLICATIONS/REQUIREMENTS

Land Administration Act 1997 and Conservation and Land Management Act 1985 as discussed above.

Any vesting or taking on care and control of Carawine Gorge will increase organisational risk.

FINANCIAL IMPLICATIONS

There are no current resources allocated, will need to be considered as part of next budgetary process.

VOTING REQUIREMENTS

Simple.

OFFICER'S RECOMMENDATION

THAT Council:

1. Does not seek excision of Carawine Gorge from the Warrawagine Station pastoral lease;
2. Instructs the Chief Executive Officer to investigate with Warrawagine Station opportunities for shared contributions to improvement to visitor and camping amenities at Carawine Gorge with any financial implications on the Shire to be considered for inclusion in the 2017/18 Budget.

COUNCIL RESOLUTION: 201617/104

MOVED: Cr Michael Kitchen

SECONDED: Cr John Jakobson

THAT Council defer the recommendation as Council require further information and more research regarding the land tenure on and around Carawine Gorge and the potential expenditure on taking over the care and contract of the Gorge.

REPORT PURPOSE

For Council to consider delegating authority to the CEO to award or reject subject tenders for the period up to the next Council meeting to be held on 03 February 2017. This is to assist in the efficient and timely delivery of the annual works program and continue ongoing maintenance of infrastructure. For Council to approve the Common Seal to be affixed under delegated authority to the CEO for the contract between the Shire of East Pilbara and the successful tenderers.

BACKGROUND

At the Ordinary Council Meeting held 28th October 2016, Council resolved:

THAT Council

- 1. Delegate authority to the CEO (or in the absence of the CEO the Acting CEO) under s.5.42(1) and (2) and s.5.43(b) of the local Government Act, to accept the following tenders for the period up to the 9th December 2016 up to the value of \$402,800.***

Tender No.	Description	Fund Source	Account Expenditure	Account Budget (ex GST)
RFT 08-2016/17	To install 300 metres of reinforced and interlocking box culverts and to clean 600 metres of open drain through vegetation removal and disposal in Newman Drive.	Municipal	GL 129577 \$280k GL 121008 \$122.8k	\$402,800

2. **Approve the Common Seal to be affixed under delegated authority to CEO for the contract between the Shire of East Pilbara and the successful tenderer.**

This contract was awarded but, the successful contractor after a further site assessment indicated that they had completely under estimated some of the local challenges and withdrew from the contract. This was most unfortunate and staff after assessing options determined that in order to meet the works program timelines that it should be readvertised and awarded as soon as practical.

Further to this, another tender RFT 09-2016/17 Provision of Comprehensive Car Park Support Services for Newman Airport was advertised on the 26 October 2016 and closed on the 23 November 2016 and is currently being evaluated. The scope includes all maintenance associated with the paid car parking system and the remote help desk and represents ongoing operations. To assist in the timely processing of advertised tenders this has also been included in the requested delegation.

COMMENTS/OPTIONS/DISCUSSIONS

It will be recommended that the CEO (or in the absence of the CEO, the Acting CEO) be delegated authority to award or reject tenders for the following projects up to the nominated values per approved 2016/17 budget allocations:

Tender No.	Description	Fund Source	Account Expenditure	Account Budget (ex GST)
RFT 08-2016/17	To install 300 metres of reinforced and interlocking box culverts and to clean 600 metres of open drain through vegetation removal and disposal in Newman Drive.	Municipal	GL 129577 \$280k GL 121008 \$122.8k	\$402,800

File Number	TCH 1-7

Objective

1. To provide compliance with the *Local Government Act 1995* and the *Local Government (Functions and General) Regulations 1996* (as amended).
2. To set guidelines which must be followed when inviting tenders for works and services within the Shire.
3. To ensure consistency that purchasing activities integrate within all Shire of East Pilbara operational areas.

Purchase Procedures

NOTE: All Figures in this policy are exclusive of GST

The following procedures will be adhered to when purchasing items and other goods and services as per the adopted budget. All purchase orders are to be completed as set out below.

\$0 - \$50	Under direction from the authorised supervisor, petty cash may be utilised for purchases in this range.
\$51 - \$5,000	Under direction from the authorised supervisor, a purchase order book will be utilised without quotes necessarily being obtained.
\$5,001 - \$39,999	Under direction from the authorised supervisor, a purchase or other order will be utilised and three verbal or written quotes shall be obtained.
\$40,000 - \$149,999	Under direction from the authorised supervisor, and in consultation with the Chief Executive Officer, the Deputy Chief Executive Officer and/or the Director Technical and Development Services a purchase order will be utilised and three written quotes shall be obtained. In obtaining written quotations the Council Purchasing Service shall be utilised wherever practicable.

\$150,000 & greater	Under direction from the authorised supervisor tenders will be invited as follows. If work is allowed for in the budget a request for tender form is to be submitted to the Chief Executive Officer for approval. If the work is not allowed for in the budget permission to go to tender must be obtained from Council.
--------------------------------	--

Capital Expenditure

All capital purchase orders will be signed by the Chief Executive Officer, Deputy Chief Executive Officer or the Director Technical & Development Services with the exception of road construction and plant fleet which can be signed by Manager Technical Services – Rural.

Definition of a Capital Item for the purpose of the Shire of East Pilbara:

1. Any item budgeted as a capital item in the adopted budget;
2. Any item to be purchased, which involves the replacement of an existing asset through the sale, trade-in, write-off or disposal of an item on the fixed asset register.

Refer to the Accounting Policy in the Council's Policy Manual for the further treatment of non-current assets.

No item of a capital nature may be purchased unless included in the adopted budget, or if unbudgeted, has been approved by "absolute majority" of Council prior to the purchase of the item. (Council has no retrospective right of approval of purchase of non-budgeted items of capital).

In order to preserve the cash flow of the Shire, major items of budgeted capital expenditure should be deferred, where possible, until the second or third quarter of the financial year. However all capital orders must be raised by the 30 April to allow adequate time for payment by June 30 of each year. In all cases, the timing of the expenditure on major items of capital should be discussed and agreed with the Deputy Chief Executive Officer.

Orders for Goods & Services

Purchase orders must be made out and signed by authorised persons for all goods and services ordered for the Shire at the time that the order is placed. **Orders should never be raised retrospectively.**

The following staff may raise a purchase order in accordance with value procedures as previously set out in this clause to the maximum value of \$150,000. If the purchase is in excess of \$150,000 a requisition is to be authorised by the Chief Executive Officer prior to the order being issued:

1. Deputy Chief Executive Officer
2. Director Technical & Development Services
3. Manager Technical Services – Rural (road construction and plant only)

The following staff may raise a purchase order in accordance with value procedures as previously set out in this clause to the maximum value of \$30,000. If the purchase is in excess of \$30,000 a requisition is to be authorised by their supervisor prior to the order being issued;

1. Managers
2. Coordinator Property Services

The following staff may raise a purchase order in accordance with value procedures as previously set out in this clause to the maximum value of \$10,000.

1. Coordinators
2. Works Supervisor (Newman and Marble Bar)

If the purchase is in excess of \$10,000 a requisition is to be authorised by their supervisor prior to the order being issued.

Other officer's in line with relevant procedures will have authority to authorise purchases to the value of \$2,000.

Light Vehicle Purchases

The designated Fleet Officer is authorized to purchase light vehicles under \$150,000 utilising the WA State Purchasing Agreement and adhering to Council's budget decisions and Councils Light Vehicle Policy. Any vehicle incurring the luxury car tax will have to be approved by the Chief Executive Officer or the Deputy Chief Executive Officer.

Consultants Services

Services separately identified in the adopted budget to be at officer's discretion up to \$20,000.

Between \$20,001 and \$150,000 a Request For Quote procedure shall be utilised, in compliance with purchase thresholds.

A request for services, which it is envisaged, will exceed \$150,000 shall undergo the full tender process.

Light Vehicle Disposals

The preference for the disposal of light vehicles (less than \$150,000) is by public auction.

The reserve sale price is to be determined by the Manager Technical Services – Rural in conjunction with the Chief Executive Officer and/or the Director Technical and Development Services.

The following information sources will be utilised in determining the reserve sale price:

1. Valuation by the auction house.
2. Valuation from a recognised source ie: red book.
3. Internet research.
4. Past sales by auction house.

Disposals are to be completed within the same financial year, or within 3 months of receipt of a new vehicle, whichever is the sooner to maximise sales return

Regulatory Compliance

In the following instances public tenders or quotation procedures are exempt (regardless of the value of expenditure):

7. An emergency situation as defined by the Local Government Act 1995;
8. The purchase is under a contract of WALGA (Preferred Supplier Arrangements), Department of Treasury and Finance (permitted Common Use Arrangements), Regional Council, or another Local Government;
9. The purchase is under auction which has been authorised by Council;
10. The contract is for petrol, oil, or other liquid or gas used for internal combustion engines;
11. Any of the other exclusions under Regulation 11 of the Local Government (Functions and General) Regulations 1996 apply;
12. The purchase is under the Shire of East Pilbara Supplier Panel and is under \$30,000 exc GST.
13. The goods or services are obtained through a person registered on the Aboriginal Business Directory WA for contracts worth \$250,000 or less.
14. The goods or services are obtained through an Australian Disability Enterprise.

STRATEGIC COMMUNITY PLAN

Goal 1 – Civic Leadership – Planned Actions

The Shire of East Pilbara seeks to deliver high quality corporate governance and demonstrate accountability to its constituents. All decisions are informed by community engagement – leading to the effective allocation of the Shire’s resources – that deliver optimum benefits to the community.

- 1.1 Efficient and effective local government

RISK MANAGEMENT CONSIDERATIONS

The risk to Council reputation will be increased by not taking opportunity to avoid seasonal constraints and maintaining continuous operations. By awarding contract/s as soon as practical will reduce the risk of not completing the works in accordance with Council policy requirements.

FINANCIAL IMPLICATIONS

Resource requirements are in accordance with existing budgetary allocation. Funding for this project will be sourced from accounts GL 129577 Drainage Improvements \$280,000 and GL 121008 Drainage improvements \$122,800 and GL121414 Controlled Car Parking \$126,500 (per annum)

REPORT PURPOSE

For Council to consider tenders for the provision of pest management and mosquito control services, and to seek approval for the Chief Executive Officer to apply the common seal of the Shire of East Pilbara to the Contract for the successful tenderer.

BACKGROUND

The Shire carries out routine pest control inspections to all of the Shire residences and public buildings on a six (6) monthly basis which can then have follow up treatments as required.

The Shire also carries out mosquito control systems that have inspections fortnightly in the wet season and monthly in the dry season.

COMMENTS/OPTIONS/DISCUSSIONS

The tender was advertised in the West Australian newspaper on Saturday 29th October 2016, the Shire Tenderlink Portal, the Shire website and Shire notice boards.

Closing date for the tender was 10.00am on Tuesday 22nd November 2016.

At the close of tender, three (3) compliant tenders were received as follows;

Tenderer
Advanced Pest Control
All Rid Pest Management
Rentokil Initial

The documentation outlined the qualitative selection criteria with the associated weightings for the evaluation of the tenders as follows:

No.	Criteria	Weighting
