#### REPORT PURPOSE

For Council to accept the date fixed by the WA Electoral Commissioner for an extraordinary election for East Ward; and to determine the method of election.

#### **BACKGROUND**

At the close of nominations for the ordinary local elections on 7 September 2023, no nominations had been received for East Ward. Under the provisions of section 4.57(1) of the *Local Government Act 1995* ("the Act"), an extraordinary election must be held to fill the office as if it had become vacant on the day after the close of nominations.

At its ordinary meeting on 29 September 2023, Council declared in accordance with section 4.20(4) of the Act, the Electoral Commissioner to be responsible for the conduct of the extraordinary election on a date to be confirmed by the Electoral Commissioner.

Under section 4.61 of the Act, Council may determine the method by which the election is conducted: that is by postal election; or as a voting in-person election. The Act provides the following definitions:

**postal election** an election at which the method of casting votes is by posting or delivering them to an electoral officer on or before election day; or

**voting in person election** an election at which the principal method of casting votes is by voting in person on election day but at which votes can also be cast in person before election day, or posted or delivered, in accordance with regulations.

The 21 October 2023 ordinary local government election was conducted as an in person election.

Participation in WA Local Government Elections is not compulsory.

#### **COMMENTS/OPTIONS/DISCUSSIONS**

In accordance with s.4.57(1) of the Act, an extraordinary election must be held to fill the office of Councillor for East Ward as if it had become vacant on the day after the close of nominations, and in accordance with s.4.9 of the Act a date for an extraordinary election must be fixed within one month of the vacancy for a date not more than four months after the vacancy occurs, provided that it allows enough time for the electoral requirements to be complied with, unless the WA Electoral Commissioner (WAEC) approves a later date. The WAEC has affixed a date of Friday, 15 March 2024.

Notionally, the timeline for the election will be as follows:

Election Date	Last day for Election to be declared by EC	Roll Close	Nominations Open	Nominations Close
Friday 15	Tues 26 Dec 2023	Thurs 18	Wed 24 Jan	Wed 31 Jan
March 2024		Jan 2024	2024	2024

Elections are traditionally held on a Saturday and whilst it is conceivable a very small number of electors may miss the close of the polls if it were to be changed to a Friday, should Council determine to hold an in-person election, it is expected that almost all voting will be conducted at early polling places in communities in the East Ward.

The Shire will undertake considerable efforts to publicise the last date of voting, which is proposed to take place in Newman to allow for access to the necessary reliable technology and network coverage to allow for the count to occur immediately after the close of the poll at 6.00pm.

The Electoral Commissioner has provided correspondence providing written confirmation of the WAEC's preparedness to be responsible for the conduct of the extraordinary election, a copy of which is attached as **Appendix 1**.

Should only one person nominate as a candidate, section 4.55 of the Act provides that candidate will be declared elected unopposed at the close of nominations and no election will be necessary.

In the event that no person nominates as a candidate for the extraordinary election in the circumstances of filling a vacancy arising from no candidate having nominated in the ordinary election, section 4.57 of the Act provides that Council may appoint by absolute majority, a person to fill the office of Councillor:

#### Section 4.57

- (3) If, at the close of nominations for an extraordinary election required under subsection (1) or (2) there are no candidates or the number of candidates is less than the number of offices to be filled at the election, the council may appoint\* to any unfilled office a person who would be eligible to be a candidate for election to the office and who is willing to accept the appointment.
  - \* Absolute majority required.
- (4) A person appointed under subsection (3) is to be regarded as having been elected.

#### Choice of Methods of Conducting Election

Section 4.61 of the Act states the local government may choose to conduct an election by postal ballot. If no decision is made, s4.61 (7) provides that the method defaults to an in-person election.

Following are summaries of the two options.

#### **Postal Election**

Election packages, containing ballot papers, candidate information, return envelopes and general voting information, are posted by mail to all electors and provide a convenient method for most electors with access to a reliable postal service to vote should they choose to participate in the election. Once an elector has cast their vote, the completed ballot papers are posted in an Australia Post box or agency for delivery to Perth for processing by the Electoral Commission, which must be appointed to run the election.

Postal elections are generally less costly than in-person elections, and are the preferred method of election for almost all local governments in Western Australia. The delivery and return of ballots relies upon a regular and an effective service from Australia Post. The WAEC website states "[election] packages will usually arrive approximately two weeks before polling day". It has been reported that Australia Post has recently announced a nationwide end to daily mail deliveries.

The significant disadvantage of postal elections is that many remote communities are disenfranchised by having either no, or very limited Australia Post delivery services. In the past, the Shire has received notification of ballots not being received by electors, and completed ballot papers not being received by the Electoral Commission until after the declaration of the poll. There are also questions about the cultural appropriateness of the postal ballot process. Instructions are written in English, which is not the first language of many electors in the East Ward, and where English literacy may present as a challenge to some electors negotiating the correct procedure to complete a valid postal vote.

Electors receive a Postal Voting Election Package, which contains:

- a ballot paper with profiles of each of the candidates attached;
- a poll ballot paper with an instruction sheet attached
- a ballot paper envelope with an elector's certificate attached; and
- a postage pre-paid envelope addressed to the Returning Officer.

The completed ballot paper must be placed in the envelope with the elector's certificate with the elector's personal details (which are detached from the ballot paper envelope before it is opened). For the vote to be counted, the ballot must be completed according to the instructions and placed in the completed certificate envelope, which must be signed. Failure to complete any of these steps will result in the vote being excluded from the count.

A further disadvantage of the postal election method, is that should an elector make an error and seek a replacement ballot, the elector must travel to a Shire administration office (or any other WA local government administration) for a replacement election package. The nearest Shire offices to communities in the East Ward are Marble Bar and Newman:

- Parnngurr (370km to Newman)
- Punmu (375km to Marble Bar)
- Kunawarritji (551km to Marble Bar)
- Kiwirrkurra (908km to Marble Bar)

The Electoral Commissioner has provided an estimate of approximately \$18,000 (incl GST) for the conduct of a postal election.

#### Voting in Person Election

A voting in person election provides electors with the opportunity to cast their votes at a polling place as they would for a State or Federal election.

In order to enfranchise the greatest number of electors' participation in East Ward, it would be recommended that an early voting mobile polling service be provided for remote communities, in Kiwirrkurra, Kunawarritji, Parnngurr and Punmu. It would also be recommended that an early voting mobile polling service be considered for Jigalong as Martu often travel to the community for cultural reasons. Early polling places would also be established in Marble Bar, Newman and Nullagine.

In person voting provides the elector with support in completing their ballot correctly should they request it, and the ability to replace spoilt ballots on the spot. There are no certificates or other paperwork to complete.

Postal voting is still available for in person elections, although election packages must be requested.

In person elections require additional resourcing, the costs of which will require an additional budget allocation.

Given the recent experience from the 2023 ordinary election, it is anticipated that an in person election will result in greater participation overall by electors for an election for East Ward.

The WAEC estimates a cost of approximately \$65,000 (incl GST) for the conduct of an in person election.

#### Evaluation

Council determined that the last ordinary election was to be conducted as an in person election in part to provide data to compare both methods of election for Council's consideration in determining the method of future elections. Following the October 2023 election, Shire officers have prepared a preliminary evaluation of the conduct of the election, which is attached as **Appendix 2** to this report. Key findings include:

There are advantages and disadvantages associated with both models.

- turn out for electors in East Ward would likely have been negligible in a postal ballot, given the irregularity and reliability of the postal service. The cultural appropriateness of the process involved in postal voting would also likely have exacerbated this even where postal election packages were received;
- votes cast in each polling location were as follows:

Polling Place	Votes Cast	Total Enrolled	Participation Rate
Jigalong	22	139	15.83%
Kiwirrkurra	6	146	4.11%
Kunawarritji	0	46	0%
Marble Bar	39	107	36.45%
Newman	224	2,418	9.26%
Nullagine	13	71	18.31%
Parnngurr	0	43	0%
Punmu	7	51	13.73%
Warralong	2	33	6.06%

- approximately twice as many people in the remote communities who voted turned out to vote, expecting to find their names on the electoral roll. It is noted that the electoral roll (excluding the owner occupier roll) is common to local, state and federal elections. Between the time that rolls closed for the local government election on 25 August 2023 and the close of the rolls for the Commonwealth Referendum on the Voice to Parliament on 18 September 2023, it is understood that the Australian Electoral Commission signed up many new electors and updated elector details. These electors were not eligible to vote in the local government election even where they had voted in the referendum in the days and weeks before. This will not be the case in the extraordinary election for East Ward;
- some East Ward enrolled Martu and Pintupi electors commented that there were respectively no Martu or Pintupi candidates to vote for;
- many electors commented that they did not know the candidates. An in-person ballot will likely encourage community members enrolled in East Ward to stand as candidates and campaign in the Ward;

- many electors were not aware of the Shire or the Council or its work, and how it connected with their communities; and
- the time and date of early voting places in remote communities were declared in late September 2023 and held for no more than two hours each. The time was determined by the schedule of the charter flight, without reference to peak times of activity in remote communities, such as when the community store was opened. No polling was conducted in Kunawarritji as the community appeared to be closed and out of telephone contact without notice, and no votes were cast in Parrngurr out of respect of sorry business that had drawn most community members out of Parrngurr to Jigalong and Newman.

#### Conclusions

Whilst the cost of conducting an in person election is significantly higher than a postal ballot, there is a cost that comes with conducting an election in Australia's largest local government area serving the most remote communities in the country. However, given the likely negligible turnout in a postal ballot, in person voting is considered essential to ensure that First Nations remote communities are provided with an opportunity for electors to participate in the local government election.

In person voting dampened participation in the towns of the Shire, particularly in Newman. Whilst not relevant as a consideration in the decision Council must take with respect to the East Ward, it is a consideration Council would have to weigh up for any future election in either South or North Ward, or for President.

Should Council support the conduct of an in person election, it would be incumbent on the Shire, Council, candidates and the community to drive awareness of the election to ensure enrolments are up to date and electors turn out to vote. This will be helped considerably with locally based candidates campaigning on key local issues.

The Shire has also identified a number of measures that would be expected to reduce costs and provide greater opportunity for electors to participate. Such options would be subject to the agreement of local communities and the WAEC, and the weather and road conditions. The options include not chartering an aircraft to travel to each community in the East Ward. The bulk of the additional costs of an in person election are connected with the charter of aircraft. Rather consideration would be given to travelling by road to Punmu, Kunawarritji and Parnngurr (and Jigalong should a mobile polling booth also be hosted there), with at least one entire day to be spent at each location. Travel to Kiwirrkurra could be by commercial flight to Alice Springs and then by road or air charter to Kiwirrkurra.

#### **Next Steps**

The Electoral Commissioner has provided the Shire with a written agreement to conduct the election, provided Council accepts the \$65,000 (incl GST) estimate for an in-person election and that Council adopts the two following motions (unchanged):

#### That Council:

1. Declare, in accordance with section 4.20(4) of the *Local Government Act 1995*, the Electoral Commissioner to be responsible for the conduct of the extraordinary election;

2. Decide, in accordance with section 4.61(2) of the *Local Government Act 1995* that the method of conducting the extraordinary election will be as an in person election.

#### **OPTIONS**

- 1. Accepts the Electoral Commissioner's cost estimate of up to \$65,000 (including GST) for the conduct of an in-person election. This is the recommended option.
- 2. Requests the Electoral Commissioner to conduct a postal election.

#### STATUTORY IMPLICATIONS/REQUIREMENTS

The recommended action is consistent with Part 4, Division 4 of the *Local Government Act 1995* and the *Local Government (Elections) Regulations 1997*.

#### **POLICY IMPLICATIONS**

Conducting a postal ballot as the means of election is consistent with recent policy decisions of the Council.

#### STRATEGIC COMMUNITY PLAN

#### 5: Governance

Demonstrated accountability and corporate governance.

- G1 Provide efficient, accountable and ethical governance.
- G1.1 Enhance governance capability to deliver sustainable outcomes, roads and buildings

#### **RISK MANAGEMENT CONSIDERATIONS**

Failure to fix a date and approve the method of election is a compliance and reputational risk that will be eliminated by endorsement of the recommended action.

#### FINANCIAL IMPLICATIONS

Resource requirements are not within the existing budgetary allocation. The conduct of the extraordinary election as an in person election is estimated by the WA Electoral Commission to be \$65,000 (incl GST), which will require an additional budget allocation as part of the next budget review.

#### **VOTING REQUIREMENTS**

Absolute Majority.

Mr Steven Harding Chief Executive Officer Shire of East Pilbara PMB 22 NEWMAN WA 6753

Dear Mr Harding,

## Councillor vacancy – Local Government Extraordinary Election – Cost Estimate

I refer to your letter of 2<sup>nd</sup> November 2023 confirming that you would like the Commission to undertake the extraordinary election for the Shire of East Pilbara.

As a month has passed since the vacancy has occurred, under section 4.9(3) of the Act I hereby fix 15<sup>th</sup> March 2024 as the date for your extraordinary election.

As you are aware, if a declaration has been made under section 4.20(4) of the *Local Government Act* 1995, the local government is required to meet the expenses of the Commissioner in connection with the election to the extent required by regulations.

As such, to assist with the Council's decision under section 4.20(4) of the *Local Government Act 1995*, the Commission has estimated the cost to conduct your Council's election as an in person election at approximately \$65,000 (inc GST) which is based on the following assumptions:

- 295 electors;
- response rate of approximately 10%;
- appointment of a non-local Returning Officer; and
- count to be conducted at your office using CountWA.

Costs not included in this estimate:

- non-statutory advertising (i.e. additional advertisements in community newspapers and promotional advertising);
- any legal expenses other than those that are determined to be borne by the Western Australian Electoral Commission in a Court of Disputed Returns:
- · local government staff members to issue replacement votes; and
- the cost of any casual staff to assist the Returning Officer on election day or night

This cost estimate is **not** to be taken as my written agreement to be responsible for the conduct of the local government extraordinary election for the Shire of East Pilbara in accordance with section 4.20(4) of the *Local Government Act* 1995.

I will provide that written agreement upon receiving written confirmation from you that:

- A. Your Council agrees to the costs estimate of approximately \$65,000 as set out above; and
- B. You agree that, upon receiving my written agreement, the following two motions will be presented to your Council (unchanged):
  - 1. declare, in accordance with section 4.20(4) of the *Local Government Act* 1995, the Electoral Commissioner to be responsible for the conduct of the extraordinary election;
  - 2. decide, in accordance with section 4.61(2) of the *Local Government Act* 1995 that the method of conducting the extraordinary election will be as an in person election.

For the Commission to conduct the extraordinary election as an in person election, your Council will then need to pass the above two motions (unchanged) by an absolute majority after receiving my written agreement.

If you have any further queries, please contact lgelections@waec.wa.gov.au.

Yours sincerely

Robert Kennedy

#### WESTERN AUSTRALIAN Electoral Commission

LGE 028

Mr Steven Harding Chief Executive Officer Shire of East Pilbara PMB 22 NEWMAN WA 6753

Dear Mr Harding,

# Councillor vacancy – Local Government Extraordinary Election – Written Agreement

I refer to your letter dated 29 November 2023 in which you accept the Western Australian Electoral Commission's Cost Estimate for the 2024 Local Government Extraordinary Election and commit to take it to your next council meeting.

For the purposes of section 4.20(4) of the *Local Government Act 1995*, this letter constitutes my written agreement to be responsible for the conduct of the local government extraordinary election for the Shire of East Pilbara **subject to** your Council passing the following two motions (**unchanged**):

- 1. declare, in accordance with section 4.20(4) of the *Local Government Act 1995*, the Electoral Commissioner to be responsible for the conduct of the extraordinary election; and
- 2. decide, in accordance with section 4.61(2) of the *Local Government Act* 1995 that the method of conducting the extraordinary election will be as an In-Person election.

For the Commission to conduct the extraordinary election as an In-Person election, your Council will then need to pass the above two motions (unchanged) by an absolute majority upon receipt of this letter.

Once the Council passes the abovementioned motions, please forward confirmation to the Commission to the email address below.

olf you have further queries, please contact lgelections@waec.wa.gov.au.

Yours sincerely,

**ELECTORAL COMMISSIONER**

### Memorandum

To: Council

From: Manager Governance, Risk and Procurement

Subject: 2023 Ordinary Local Government Elections – Preliminary

Evaluation

30 November 2023/2023 Date:

File: File

#### Background:

This memorandum provides a preliminary report of the evaluation of the Shire of East Pilbara Council elections held on 21 October 2023 for the election of a Shire President and two councillors for each of North and South Ward, and one councillor for East Ward. The election was conducted as an in-person election by the WA Electoral Commission (WAEC) in accordance with the Local Government Act 1995 ("the Act").

Council determined the method of election to be as an in person election, in part to enable the evaluation of the exercise to assist in future decision making. Previous elections have been conducted as postal elections.

#### **Electoral Rolls**

The electoral rolls closed at 5.00 pm on Friday, 25 August 2023, almost two months prior to Election Day. This included electors on the residential roll (common to Federal, State and Local Government elections and referenda) and the owners and occupiers roll for the Shire of East Pilbara District, which was prepared by the Chief Executive Officer of the Shire. Candidates were able to obtain copies of the rolls for the areas they were contesting once they had nominated.

The electoral roll had a total of 3,054 electors for the District, with the following breakdown across the Wards:

Ward	Electors
East	294
North	251
South	2,509
Total	3,054

It is noted that many people across the District (and as many as twice the number of electors who cast votes in the remote communities) attended polling places to cast a vote, expecting to find their names on the electoral roll. Between the time that rolls closed for the local government election on 25 August 2023 and the close of the rolls for the Commonwealth Referendum on the Voice to Parliament on 18 September

2023, it is understood many electors enrolled first time or updated elector details. These electors were not eligible to vote in the local government election even where they had voted in the referendum in the days and weeks before.

#### **Nominations**

Nominations opened on Thursday, 31 August 2023 and closed at 4.00 pm Thursday, 7 September 2023. To nominate as a candidate for a local government election, candidates must make a valid nomination application which must be presented in person (by the nominee or their agent) to the Returning Officer before 4.00 pm on the day of close of nominations. A valid nomination consists of a complete nomination form, a candidate profile, a deposit of \$100 and a photograph (optional). Nominations were received from two candidates for the office of President; three candidates for the office of councillor in North Ward and three candidates for the office of councillor in South Ward. There being more candidates in each contest than offices, elections were to be held for each office.

No valid nominations were received for East Ward by the close of nominations. However, a person did present prior to the close of nominations with the intention of nominating. That person was enrolled at an address in a neighbouring local government district and was therefore unable to submit a valid nomination. Under the provisions of section 4.57(1) of the Act, an extraordinary election must be held to fill the office as if it had become vacant on the day after the close of nominations.

It is noted that in order for a valid nomination to be received, the original hard copy of the nomination form must lodged in person with the Returning Officer by either their candidate or agent.

#### **Voter participation**

Voting in WA local government elections is not compulsory. Participation rates are routinely low. The average participation rate in country local government districts at the 2021 local government elections was 33.5%.

Participation in the 2023 election for the Shire of East Pilbara fell across the district to 10.41%, although participation by electors outside of Newman tended to improve on previous years.

2023 Ordinary Election (In Person Election)				
Ward	Electors	Number of votes	Participation rate	
East	294	11	3.74%	
North	251	49	19.52%	
South	2,509	253	10.08%	
Total	3,054	313	10.24%	

Note for the purpose of this analysis, the participation rates displayed for the 2023 ordinary election in the table above do not distinguish between the elections for President and the elections for ward councillors. A participating elector is deemed to have voted in both elections where there was an election for councillor. For the tables below, only elections for councillors were conducted.

2022 Extraordinary Election (Postal Election)

These low figures may reflect a lack of awareness that the election was being held, confusion associated with the timing of the Commonwealth referendum on the Voice to Parliament, which was held several weeks beforehand, a lack of knowledge of the work of the Shire and its Council, or a lack of motivation to participate. WAEC and Shire officers received anecdoctal reports and made observations during the conduct of the election, of issues that may have contributed to the low participation rates:

- approximately twice as many people in the remote communities who voted turned out to vote, expecting to find their names on the electoral roll. This was a similar experience in Newman, Marble Bar and Nullagine, although not to the same level. Between the time that rolls closed for the local government election on 25 August 2023 and the close of the rolls for the Commonwealth Referendum on the Voice to Parliament on 18 September 2023, it is understood that the Australian Electoral Commission signed up many new electors and updated elector details. These electors were not eligible to vote in the local government election even where they had voted in the referendum in the days and weeks before. This will not be the case in the extraordinary election for East Ward;
- a decline in trust in institutions and democratic processes;
- election fatigue;
- unfamiliar candidates (particularly in remote communities); and
- low intensity campaigning activities.

<sup>&</sup>lt;sup>1</sup> South Ward results for the purposes of this table are averaged out over three elections.

The Shire engaged a number of promotional activities at key points during the election using a variety of methods and campaigning techniques were used, including traditional media, social media, posters, LED and flashing signage, and word of mouth.

However, it is clear that overall participation rates were significantly lower across the District, with a decline of participation of over 40%. The changed variable in the case of the 2023 ordinary election was that the election was conducted as an in-person election. The decline in participation in Newman is particularly pronounced. It may be concluded that electors who have previously voted by postal vote are used to voting in postal elections and may prefer doing so.

The decline in the number of votes cast in each ward (except for East Ward, for which no comparative data is available) is as follows:

Change in number of votes cast 2019-21 v 2023				
Ward	Votes Cast 2019-21	Votes Cast 2023	Change	
East	N/A	11	N/A	
North	66	49	-25.76%	
South	456	253	-44.52%	
Total	522	313	-40.04%	

As part of the in person voting arrangements, polling places were established at the following locations. It is noted that polling places were open at the Marble Bar and Newman Shire offices for three weeks prior to the election Monday to Friday from 9.00am to 4.00pm and in Nullagine for each of the three Wednesdays prior to the election between 10.00am and 2.00pm. Polling places were also operational on Election Day: Marble Bar from 8.00am to 1.00pm; Nullagine from 8.00am to 2.00pm; and Newman from 8.00am to 6.00pm.

Polling Place	Votes Cast	Total Enrolled	Participation Rate
Jigalong	22	139	15.83%
Kiwirrkurra	6	146	4.11%
Kunawarritji	0	46	0%
Marble Bar	39	107	36.45%
Newman	224	2,418	9.26%
Nullagine	13	71	18.31%
Parnngurr	0	43	0%
Punmu	7	51	13.73%

Warralong	2	33	6.06%

It is noted that the final numbers of votes cast at each location cannot be verified as the election was conducted as a secret ballot. The number of votes cast at each location may include votes for different ward races.

#### Remote communities voting

WAEC and Shire officials conducted remote mobile polling in the week prior to election between 16 and 19 October 2023.

WAEC and Shire officers received anecdoctal reports and made observations during the conduct of the election, of issues that may have contributed to the low participation rates, including:

- some East Ward enrolled Martu and Pintupi electors commented that there were respectively no Martu or Pintupi candidates to vote for;
- many electors commented that they did not know the candidates. An in-person ballot will likely encourage community members enrolled in East Ward to stand as candidates and campaign in the Ward;
- many electors in remote communities were not aware of the Shire or the Council or its work, and how it connected with their communities;
- local candidates would provide motivation in turning out the vote through campaigning efforts;
- the time and date of early voting places in remote communities were declared in late September 2023 and held for no more than two hours each. The time was determined by the schedule of the charter flight, without reference to peak times of activity in remote communities, such as when the community store was opened. No polling was conducted in Kunawarritji as the community appeared to be closed and out of telephone contact without notice, and no votes were cast in Parnngurr out of respect of sorry business that had drawn most community members out of Parnngurr to Jigalong and Newman.

It is difficult to provide any comparative data on the conduct of the in person election in 2023 and previous elections, as the only data available at the time of writing was for elections from 2019 to the present.

#### REPORT PURPOSE

The purpose of this report is for Council to consider approving a reallocation of approved Provisional Sum (PS) previously approved for the Airfield Lighting Upgrade at Newman Airport that was awarded to Airport Alliance Contracting by Council Resolution 2023/24 and the variation to the RFT authorised on 28 July 2023.

#### **BACKGROUND**

The current runway lighting infrastructure at the Newman Airport is an assortment of old original and repaired lighting, installed circa 1970's.

The cabling, sleeves and access pits have been failing due to excessive exposure to UV rays and water ingress.

During rains, water enters the access pits and seeps into the cabling, which has caused the complete electrical system to short circuit and fail on several occasions. If the lighting system at the airport fails, aircraft is unable to land and/or take off at night.

Council awarded Tender (RFT 04-2022/23) – Airfield Lighting Upgrade (Newman Airport) to Airport Alliance Contracting at its Ordinary Meeting on 24 February 2023.

The procurement process undertaken for this service provision was via an open public Tender.

At the February 2023 Ordinary Council Meeting it was resolved that Council:

- Awards Tender RFT 04-2022/23 for Airfield Lighting Upgrade to Airport Alliance Contracting (Alternative Offer) for the tendered price of \$2,766,984.42 (excl. GST);
- 2. Approves the additional maximum provisional sum amount of \$585,000 (excl. GST). The maximum total contract price will be \$3,351,984.42 excl. GST;
- 3. Approves the Chief Executive Officer to enter into any minor variations to the Contract over the Contract term: and
- 4. Authorises the Chief Executive Officer to affix the Common Seal of the Shire of East Pilbara to the Contract between Airport Alliance Contracting and the Shire of East Pilbara with respect to this Tender.

At the July 2023 Ordinary Council Meeting it was resolved that Council:

1. Pursuant to section 6.8 of the Local Government Act 1995, authorises an amendment to the Shire's 2023/24 Annual Budget to transfer funds from the Shire's Airport Reserve Account to cover the unspent 2022/2023 funds for the completion of the Airfield Lighting Upgrade (Newman Airport):

Account	Description	Budget	Amendment	Revised Budget
129419	Safety & Security - Lighting	\$0	\$4,000,000	\$4,000,000
129828	Transfers From Reserve - Airport	\$0	(\$4,000,000)	(\$4,000,000)
	Net Budget Impact		\$0	

- 2. Accepts the variation to the original contract price of \$3,351,984.42 excl. GST with an additional \$150,000 excl. GST to amend the design to incorporate the replacement of existing Pole No. 5 and provision of a new pole (Pole No. 6) in accordance with the CASA MOS compliant floodlighting requirements to the General Aviation (GA) Apron; and
- 3. Authorises the Chief Executive Officer to execute the Contract Variation between Airport Alliance Contracting and the Shire of East Pilbara.

#### COMMENTS/OPTIONS/DISCUSSIONS

The new system is to be consistent with current practices and technology and to have an expected lifespan of 25 + years, which is required to meet Civil Aviation Safety Regulations (CASR) 139: Chapter 9 – Visual Aids Provided by Aerodrome Lighting, to meet operational requirements for a low intensity lighting system.

The approved scope of work includes, but not be limited to, replacement of existing lighting components to meet relevant standards for the following:

- Low Intensity runway edge lights;
- Runway threshold lighting;
- Runway end lighting;
- Holding point lights;
- Taxiway edge lighting;
- Apron flood lighting;
- Primary and secondary illuminated wind direction indicators; and
- Airport Lighting Equipment Room (ALER) Building and controls.

The above approved scope of work will ensure the Runway, Taxiways and Regular Passenger Terminal (RPT – Jet Operations) Areas are complaint to the updated regulations set out by the Civil Aviation Safety Authority (CASA) who is the governing body for safety at airports. This will bring the Newman Airport airside lighting up to standard as per the Manual of Standards (MOS) regulations. The MOS sets out the standards and technical requirements to be followed by airport operators. Failure to comply or meet the set standards will result in an airport deemed uncertified and potential closure of the airport.

In addition, to be compliant with the CASA MOS 139 regulations for the RPT Apron, additional lighting must be installed on, and existing poles replaced with taller poles at each of the existing poles (Poles No. 1 to 4). A quotation of \$45,130 excl. GST was received from Airport Alliance for the additional lighting which includes:

- Additional LED floodlight fittings to be installed on 20-meter replacement poles on the RPT main Apron;
- The Tender scope required a total of 8 x fittings to be installed, i.e. 2 x per pole, based on a design that was only compliant for the parking bays and not the adjoining apron; and
- The design review identified an additional 4 x 1200W Schreder Raptor floodlights required to light the parking bays and apron area to comply with current MOS 139 requirements.

The total amount required to include the revised and additional works is \$96,201 + \$45,130 = \$141,331 excl. GST. The amount of \$141,331 excl. GST can be funded by reallocating money from the previously approved Provisional Sums by reallocating existing Provisional Sum amounts to proposed Provisional Sums as shown below:

Provisional Sum	Description of Service	Original Amount (\$)		Variance (\$)

With the agreement of the Mover and Seconder the original Officers Recommendation as detailed below:

That Council approves in-principle the request from Newman Chamber of Commerce and Industry for Sponsorship funding of \$10,000.00 cash for the Newman Business Excellence Awards 2024, subject to the adoption of the 2024/25 Annual Financial Budget.

was amended as documented above in the Council Resolution.

#### REPORT PURPOSE

For Council to consider the Sponsorship funding request from Newman Chamber of Commerce and Industry for the Newman Business Excellence Awards 2024 in the 2024/25 financial budget.

#### **BACKGROUND**

At the Council meeting held on 30 June 2023, Council adopted a revised Grants and Sponsorship Policy (**Appendix 1**), which encompasses the details and eligibility for sponsorships. The Sponsorship Program is designed to provide applicants with financial assistance that have a direct economic impact on the Shire of East Pilbara and increase numbers of people into the Shire. The purpose of the Sponsorship Program is to increase the dwell time of visitors with the region and increase capacity and production of local businesses.

As per the Grants and Sponsorship Guidelines, organisations are required to submit a sponsorship application two months prior to their event, must be \$5,000 or more and requests for assistance must be approved by Council.

Providing sponsorship to local community groups and organisations aligns to the Shire's Community vision to build on our strengths to grow and create opportunities for all and to be proud, connected and resourced.

A Sponsorship recommendation based on the applicant's ability to demonstrate that their application meets the eligibility and selection criteria as per the Grants Policy and the determinations from the independent Assessment panel. The Assessment Panel can provide a recommendation to support or not support an application.

#### Sponsorship Applicant –Newman Chamber of Commerce and Industry

The Newman Business Excellence Awards 2024 is an annual event held in Newman to recognise and celebrate local businesses, apprentices and employees and what they have achieved this year.

The event will be held on 14 September 2024 at a yet to be determined location in Newman.

The Shire received a sponsorship application from Newman Chamber of Commerce and Industry on 6 September 2023 for the Newman Business Excellence Awards 2024.

This application will require further consideration by Council for inclusion in the 2024/25 financial grants sponsorship budget determinations.

#### COMMENTS/OPTIONS/DISCUSSIONS

The Shire has to date (excluding the current application) not received any other requests for Sponsorship for the 2024/25 Financial Year.

Historically, there have been examples in the past where the Shire has received requests for sponsorship that roll over to the next financial year. Council has reviewed these requests, and where applicable has endorsed those approved applications pending the adoption on the next financial year budget.

If this Sponsorship request is endorsed by Council, then Shire officers will notify the applicant that their request has been successful, with a grant agreement and monies not being made available to the applicant until the 2024/25 Annual Budget has been adopted.

The increased request for \$10,000 is predicated upon the sponsorship monies to meet costs associated with the introduction and use of the Award Force Platform method. This methodology provides nominees with the upskilling of how to critically review their businesses as part of completing their award application. Participation in the Award Force Platform indirectly increases business owner's capability to identify and understand what is working to create success and why. Indirect benefits, provide local small business operators with the opportunity to engage in professional development upskilling while completing applications.

The funding will also provide sponsorship of the Newman Business Award enables the Shire of East Pilbara to participate in support of the celebrations, which have historically been supported by a Council contribution of \$5,000 annual. Sponsorship supports the Newman Chamber of Commerce and Industry to cover costs associated with hosting the award event.

The benefit to the community is the awards methodology creates opportunity for the community to learn together, gather and celebrate local commitment to Newman's commercial service delivery and innovations.

### 6.5 Grants and Sponsorship

#### 1. Objective

Provide a sound governance framework for determining applications for grants and sponsorship; and establish a clear decision-making process providing certainty for applicants for grant and sponsorship opportunities from the Shire of East Pilbara ("the Shire"). Policy

#### 2. Policy

This Policy is applicable to any grant or sponsorship arrangement where the Shire funds another organisation or individual to deliver a specific project or initiative.

#### 3. Definitions

#### In this Policy-

'Applicant' is the individual or organisation making the application.

'Grant' is defined as a form of financial assistance that funds a community group or organisation to deliver a specific project. Grants are cash and/or in-kind contribution provided to a recipient for a specific, eligible purpose where there is no expected commercial return.

'Grants and sponsorship guidelines' the guidelines published by the Shire's Chief Executive Officer in accordance with this Policy.

'In-kind' means where the Shire provides the value of its resources, goods or services to eligible parties instead of cash as part of a grant or sponsorship. In-kind contribution can include the fees associated with Shire services such as equipment hire, venue and facility costs, transfer of equipment, waste services and permits with all in-kind support attached to a dollar amount.

**'Personal benefit'** is any gift or benefit for the purposes of the Local Government Act 1995 or applicable code of conduct.

**'Sponsorship'** a commercial arrangement in which a sponsor receives a contribution in money and/or in-kind support in return for the Shire receiving negotiated and specific benefits such as in-kind or promotional opportunities.

Any reference in this Policy to a dollar threshold for decision making on a funding limit is taken to be the combined amount of cash and in-kind support contribution.

#### 4. Aims

Through the provision of grants and sponsorship, the Shire aims to:

- a. Strengthen the community by supporting a diverse range of activities, projects and initiatives that are responsive and representative of community needs;
- b. Build the capacity of individuals, community groups and local organisations to develop and implement sustainable solutions at a local level;
- c. Create community connections which drive activities that achieve strategic priorities as identified in the Shire's Strategic Community Plan;
- d. Recognise and celebrate the Shire's diversity, history, lifestyle, environment and uniqueness; and
- e. Support projects that deliver an economic benefit for the Shire's local businesses.

Detailed objectives associated with specific grant programs and sponsorships are outlines in the Shire's grants and sponsorship guidelines.

#### 5. Programs and guidelines

The Shire's Chief Executive Officer (CEO) will establish the grants and sponsorship guidelines to provide operational details and administration of the Shire's grants and sponsorship program.

The grants and sponsorship guidelines must be:

- a. In line with this Policy and relevant legislation; and
- b. Published on the Shire's website.

The grants and sponsorship guidelines will outline:

- a. Funding categories;
- b. Application processes and timeframes;
- c. Amounts that can be applied for;
- d. Additional grant category specific information including assessment criteria;
- e. Assessment process;
- f. Items ineligible for funding;
- g. Funding Agreement; and
- h. Acquittal process.

#### 6. General Program Eligibility

The following eligibility conditions apply to all grants and sponsorship. Applicants should:

- a. Reside, operate or provide a service that directly benefits people within the Shire of East Pilbara;
- b. Have no outstanding debts to, or grant acquittals with the Shire;
- c. Be registered as a not-for-profit body or registered charity within the Australian Charities and notfor-profit Commission (excluding Participation Grants applicants);
- d. Use funding solely for the purposes outlined by the Shire in the agreement;
- e. Submit their application within the timeframe outlines in the grants and sponsorship guidelines; and
- f. Must be able to provide a current Australian Business Number (ABN) and current Public Liability Insurance for duration of the funding term.

The following are ineligible to apply for a grant and sponsorship:

- n. Activities that generate income which is not used for the purposes of the project; and
- o. An applicant who has already received funding or in-kind support within the same financial year, except successful applicants of an In-Kind Support Grant.

Other eligibility requirements and funding conditions may apply to specific funding categories, as set out in the grants and sponsorship guidelines and/or agreements.

The Shire reserves the right to withdraw funding from a successful applicant if the activity is not progressing satisfactorily, the organisation ceases to be eligible, the organisation breaches the Agreement or the activity poses a reputational risk for the Shire. Should this occur the recipient will be liable for costs involved and funds will be returned to (or recovered by) the Shire.

#### 7. Assessment and Approval Process

#### **Assessment**

All eligible applications for grants and sponsorship will be assessed against the selection criteria identified in the grants and sponsorship guidelines.

Applications will be prioritised in accordance with the Shire's Strategic Community Plan and the allocated budget for grants and sponsorship.

Applications that do not require Council approval will be assessed by the Chief Executive Officer's subdelegate, who will then provide a recommendation to the Chief Executive Officer or authorised subdelegate. The decision maker may not be involved in the assessment of applications.

The Chief Executive Officer will establish an internal Assessment Panel. The Assessment Panel will meet to discuss and assess applications requiring Council approval. The Assessment Panel will make recommendations to the Chief Executive Officer to report to Council for approval.

Applications may only be approved subject to the availability of funds in the approved Annual Budget.

Canvassing of Councillors or Assessment Panel members will disqualify applicants.

#### **Decision Making**

Funding applications are assessed independently of the decision maker (Council, delegate or sub-delegate).

Applications up to a value not exceeding \$3,000 may be made by the Chief Executive Officer or sub-delegate. The Chief Executive Officer may determine certain categories of grant, and set Council approval thresholds below \$3,000.

#### 8. Agreement and Acquittal

#### Agreement

All successful applicants are required to enter into a formal written funding agreement prior to funds being released by the Shire.

The funding agreement will include:

- a. Purpose;
- b. Term of funding;
- c. Shire contribution and approved activities;
- d. Confirmation of any co-contributions;
- e. Grant and sponsorship terms and conditions including requirement for successful applicant to complete an acquittal within 28 days of the project competition; termination of agreement and repayment of funds;
- f. Expected Shire benefits;
- g. Shire Branding requirements;
- h. Media, communications and other promotional opportunities; and
- i. Declaration on behalf of recipient.

#### Acquittal

An acquittal must be provided to the Shire within 28 days of the conclusion of approved grant or sponsorship project.

The acquittal must include:

- a. Financial statements including receipts;
- b. Details of the project including how many people attended, benefit to the community, outcomes;
- c. Evidence on how the Shire was acknowledged; and
- d. Photos, survey results or feedback provided from attendees.

Acquittals will be retained by the Shire to ensure compliance with agreement and used in consideration of any future funding requests from the applicant.

#### 9. Conflicts of Interest

In the administration and awarding of grants and sponsorship any real, potential or perceived conflicts of interest must be managed in accordance with the Local Government Act 1995, its regulations and the codes of conducts.

Employees, Assessment Panel members and elected members with any involvement with a grant or sponsorship application must declare:

- a. any direct or indirect financial interests they have with the application; and
- b. any impartial interests they have with any application.

#### 10. Reporting

A formal report will be provided to Council every 6 months with funding requests and decisions made.

Information Bulletin will be updated to monthly with all incoming and outgoing funding applications.

Inclusion of funding provided in the Shire's Annual Report.

Shire will promote its funding of applicants, projects, events and other initiatives through social media and Shire website, and using other media outputs as appropriate.

#### 11. Review of Policy

This Policy will be reviewed every 12 months.

#### REPORT PURPOSE

For Council to consider joining WALGA's RoadWise Council initiative to promote and improve road safety.

#### BACKGROUND

RoadWise works with Local Governments and communities in rural, remote and metropolitan WA to:

- engage them in strategic and sustainable initiatives to ingrain or mainstream the safe system approach,
- inform, facilitate and mobilise community support and local action for road safety,
- foster and support collaborative partnerships to improve road safety in metropolitan, rural, remote communities across the state.

RoadWise also works to build support for the safe system approach to road safety, focusing protecting people to reduce fatalities and serious injury through the use of a capacity-building approach to provide advice, support, tools and training and other services which are designed to engage, inform and mobilise the Local Government and community road safety network to take action to reduce road deaths and serious injury.

WALGA's RoadWise has developed the *Road Safety Performance on Local Government Roads* reports to assist Local Governments who wish to improve road safety outcomes for their communities.

The reports are designed to help:

- 1. measure the road safety performance of the road network they manage,
- 2. monitor changes (positive or negative) in road safety performance over time,
- 3. establish road safety improvement targets, and
- 4. identify and prioritise the work that will lead to improvements in the road safety performance of the road network.

For every death on roads in the Pilbara region during the 2015-2019 period, there were many more people seriously injured. Many of these serious injuries result in permanent disability and change lives forever, placing a huge burden on public health resources and the community.

The definition of a road fatality in WA is: a person who was killed immediately or died within 30 days of the date of a road crash, as a result of the crash. The definition of a serious injury in WA is: admitted to hospital as an inpatient for treatment of injuries sustained in a crash, but did not die within 30 days of the crash.

The first image to the right provides a breakdown, for the Pilbara region, of the proportion and number of people killed or seriously injured (KSI) on State versus Local Government roads.

The second image to the right shows the average annual KSI rate per 100,000 population for both State and Local Government roads, the change from the last reporting period and data about road length and usage.

In the Pilbara region, the most common crash types include non-collision, run-off-road and hit-pedestrian crashes.

This data, taken from the Pilbara region Road Safety Performance on Local Government Roads 2015-2019 Report, can assist Local Governments to prioritise their time, resources, and effort towards implementing road safety interventions which target treatment of the crashes that are killing and injuring the most people in their area.

#### COMMENTS/OPTIONS/DISCUSSIONS

Joining RoadWise will provide Council with access to additional road safety resources, and the opportunity to demonstrate the Shire's commitment to improve road safety outcomes within the District and to promote road safety throughout the community. RoadWise membership, which requires no additional resourcing will provide the Shire with support in benchmarking and monitoring progress of road safety outcomes through the RoadWise initiative.

Council is required to adopt a resolution in support of becoming a RoadWise Council and nominate two personnel (Shire Officers and/or Council Members) as the primary point of contact for road safety matters. It is recommended that the Shire President and Director of Infrastructure Services be appointed as Council nominees.

Mr Steven Harding Chief Executive Officer Shire of East Pilbara PMB Box 22 NEWMAN WA 6753

Dear Mr Harding

I am pleased to invite the Shire of East Pilbara to become a RoadWise Council. This new initiative has been developed to encourage, motivate and support Local Governments to incorporate best practice road safety principles and policy across their business services to reduce the number of people killed and seriously injured on local roads.

By becoming a RoadWise Council you will:

- Demonstrate a commitment to improve road safety outcomes within your community using the resources available to you.
- Have access to the RoadWise Council logo for use on Shire of East Pilbara promotional communications or infrastructure.
- Gain priority access to WALGA's road safety services and products.
- Be eligible for formal recognition for road safety management and actions, including support in benchmarking and monitoring progress of road safety outcomes through the RoadWise Recognised initiative.

To register as a RoadWise Council please complete the following steps:

- 1. Obtain a Council resolution in support of becoming a RoadWise Council OR provide a declaration signed by the Chief Executive Officer and the Mayor/Shire President.
- 2. Nominate at least two personnel (Officers and/or Elected Members) to be the primary point of contact for road safety matters.

We welcome your registration by submitting the attached form, together with supporting documentation, to roadwise@walga.asn.au.

If you require further information or assistance, including sample resolution or declaration wording, please contact your assigned Road Safety Advisor, Katherine Celenza, email kcelenza@walga.asn.au or phone 0407 986 496.

Yours sincerely

Nick Sloan

## **COUNCIL RESOLUTION**

(Resolution No: 2023 / 199)

**Moved:** Cr McWhirter-Brooks **Seconded:** Cr Anderson

That Council requests the Pilbara County Zone to request that WALGA:

- 1. Investigates built infrastructure owned by Western Australian State Government entities that is operated by Local Governments;
- 2. Reports on the known intentions of State Government entities and Local Governments to transact the sale/purchase of those properties;
- 3. Reports on the financial sustainability of these properties
- 4. Considers an advocacy Policy Position on State owned/Local Government operated properties.

#### **MOTION**

Notice of the following motion was received by **Councillor Wendy McWhirter-Brooks** on 11 December 2023. It may be considered as urgent new business by way of decision of the Council in accordance with the *Shire of East Pilbara Meeting Procedures Local Law 2019*:

#### **NOTICE OF MOTION:**

That Council requests the Pilbara County Zone to request that WALGA:

- 1. Investigates built infrastructure owned by Western Australian State Government entities that is operated by Local Governments;
- 2. Reports on the known intentions of State Government entities and Local Governments to transact the sale/purchase of those properties;
- 3. Reports on the financial sustainability of these properties
- 4. Considers an advocacy Policy Position on State owned/Local Government operated properties.

#### **OFFICER'S RESPONSE**

Council may put forward matters for consideration by the WA Local Government Association (WALGA) through the Pilbara Country Zone. Council's two delegates to the Country Zone are the Shire President and Deputy President. Cr McWhirter-Brooks is also the Chair of the Country Zone.

Given the recent advice from the WA Department of Education concerning the closure of the building accommodating the Newman Recreation Centre, it is recommended that Council give consideration to the notice of motion.

It is understood that facilities operated by other local governments are housed in buildings owned by the State Government and its agencies, through a variety of tenure and management arrangements. State funding for the maintenance and upgrade of this built infrastructure is understood in many cases not to have kept pace with the needs of that infrastructure, which may pose a risk to the safety of the community and interruption to the provision of services such buildings have been dedicated to support.

WALGA is the peak industry body for local government in WA. A key function of the organisation is its advocacy program to seek consistent improvements for local government and the communities they serve through action from State and Federal Government. The proposed motion seeks WALGA's consideration of the issue as part of its advocacy program going forward.

- Authorises the Shire President to make urgent representations on behalf
  of the Shire to the Hon Dr Tony Buti MLA, Minister for Education and to
  the Hon Sue Ellery MLC, Minister for Finance seeking the works on the
  Newman Recreation Centre to be expedited in order to allow for the rapid
  restoration of service and access to facilities for the Newman community;
  and
- 2. Authorises the Chief Executive Officer to prepare the necessary correspondence.

CARRIED UNANIMOUSLY RECORD OF VOTE 8/0

For: Shire President, Deputy Shire President, Crs Lockyer, Baer, Anderson,

Evrett, Kular, Landy

Against: Nil

#### REPORT PURPOSE

The purpose of this report is for Council to authorise the Chief Executive Officer to prepare the necessary correspondence for the Shire President to make urgent representations to the State Minister for Education and the Minister for Finance, request that the works on the Newman Recreation Centre be expedited in order to allow for the rapid restoration of service and access to facilities for the Newman community.

#### BACKGROUND

The Newman Recreation Centre facility is owned by the Department of Education, and the Shire operates the facility including, sports courts, fitness/gymnasium, crèche and administration under a license agreement.

The building has developed cracking within the external masonry in the exterior wall of the sports courts which has been identified by the Department of Education over a period of time extending back to 2014.

## COMMENTS/OPTIONS/DISCUSSIONS

The Newman Recreation Centre has over 2,000 attendances per week for community participation in gymnasium and fitness, sports competitions, crèche usage, children's and adult leisure programs as well as facility hire. In addition the centre has seven fulltime/permanent part time staff plus twenty casual staff.

The building issues with the Newman Recreation Centre have been identified in multiple structural assessments from 2014 to 2023.

In May 2023 under instruction for the Department of Education the storage rooms, external entry, female change room and car park at the western end of the sports courts were boarded up and cordoned off to restrict public access, due to the concerns of the cracking and structural integrity of the wall.

A further assessment was undertaken by the Department of Education in November 2023 which lead to the closure of the entire facility on 8 December 2023. The closure continues to have a significant impact on the liveability of Newman and the community's ability to access recreation, rehabilitation and leisure programs and services.

A second opinion is currently being sourced by the Department of Finance to assess options to allow parts of the building to reopen for public use. It is expected the Department of Education will share the outcome of this report with the Shire in January 2024.

The Department will finalise a plan on how remediation works can be staged and implemented once options have been reviewed and considered.

It is recommended that Council authorises the President to make urgent representations to the State Minister for Education and Minister for Finance and that the Chief Executive Officer prepare the necessary correspondence.

#### STATUTORY IMPLICATIONS/REQUIREMENTS

No known statutory implications.

#### **POLICY IMPLICATIONS**

No known policy implications.

#### STRATEGIC COMMUNITY PLAN

#### 2: Social

2.4 Promote healthy and safe lifestyle choices, and uphold public health and safety

- 2.5. Provide facilities, services, and programs that provide opportunities for participation in sport, recreation and fitness
- 2.6. Support local sporting clubs and community organisations to grow their capacity to increase healthy activity and cohesion

## **RISK MANAGEMENT CONSIDERATIONS**

Reputation – Moderate

## **FINANCIAL IMPLICATIONS**

The average total monthly income for the Newman Recreation Centre is \$50,000 however the full financial implications are still under investigation, particularly should the Centre be closed for an extended period of time.

## **VOTING REQUIREMENTS**

Simple Majority.

Having declared interests in this item Shire President Anthony Middleton and Cr Lou Lockyer left the Chamber at 11.25am. CARRIED BY ABSOLUTE MAJORITY RECORD OF VOTE 6/0

For: Deputy Shire President, Crs Baer, Anderson, Evrett, Kular, Landy

#### REPORT PURPOSE

For Council to consider accepting funding awarded to the Shire under BHP's Social Investment Grants program for East Newman Activation, and making consequential budget amendments.

## **BACKGROUND**

BHP under the Social Investment Grants program, provides funding to eligible applicants to work in partnership to achieve long-term social, environmental and economic outcomes. The funding seeks to create and contribute lasting social value to the societies where they operate, reside or have an interest through the positive social and economic benefits generated by their core business, constructive engagement and advocacy on important issues and through voluntary social investment.

At the June 2023 Ordinary Council Meeting, Council endorsed the transition of the East Newman Activation program from Creating Communities to the Shire of East Pilbara as a new program, subject to external funding being secured to support any resource implications on the Shire.

#### COMMENTS/OPTIONS/DISCUSSIONS

Since May 2023, the Shire has been working in partnership with Creating Communities and BHP to develop and implement a program to support the transition of the East Newman Activation program from Creating Communities to the Shire. The transition is now complete and the Shire is continuing to deliver this program with limited resources and has applied to BHP for funding to continue to deliver a quality program in East Newman.

The East Newman Activation program aims to engage and connect through a place based approach in East Newman as an effective and essential delivery model to building connection and trust through the community. The Shire embraces a community development approach to the activations in East Newman, which will be underpinned by the principles of citizenship, self-determination and empowerment, meaning it will be informed by the local community, specifically by children and young people with respect to their aspirations and needs.

The Shire will lead this program and will engage and develop the activities based on the suggestions provided and adopt a multi-stakeholder approach to facilitate and engage with young people. The stakeholder groups will be representative of a cross section of the community in a targeted approach including health providers, educators, government and non-government agencies and sport and recreation groups. This approach provides opportunities for stakeholders to be collaborative with each other and link their resources and objectives for a positive outcome for the community. In addition to maximising inter-agency connection and strengthening local capacity, knowledge and shared resources to benefit share purpose, in this case the East Newman community.

To support the transition of the Activation program to the Shire, an application was made to BHP's Social Investment Grants program for funding. That application has been successful, and a grant of \$98,790 has been approved for 0.72 FTE towards an Activation Lead and Event Officer, together with the purchase of equipment including a trailer, speakers, sporting gear and portable generator. It is recommended that Council accept the grant and amend the 2023/24 Annual Budget accordingly.

#### STATUTORY IMPLICATIONS/REQUIREMENTS

Consistent with s.6.8 of the Local Government Act 1995

#### **POLICY IMPLICATIONS**

Consistent with Council's Budget Amendments Policy

#### STRATEGIC COMMUNITY PLAN

#### 2: Social

Safe, connected and family-friendly communities where all people thrive, and have their needs met at all ages and stages of life.

- 2.1 Advocacy, partnerships and delivery of children's, family and young people's services.
- 2.3 Advocacy and partnerships for addressing issues impacting safety of communities, and improving information sharing and coordination.
- 2.4 Promote healthy and safe lifestyle choices, and uphold public health and safety.
- 2.5 Provide facilities, services, and programs that provide opportunities for participation in sport, recreation and fitness.
- 2.6 Support local sporting clubs and community organisations to grow their capacity to increase healthy activity and cohesion.
- 2.7 Support art and culture, and events and activities that bring people together in shared experience and celebration.
- 2.8 Improve inclusion and harmony across the diverse groups in the population.

#### 5: Governance

Vibrant local democracy, forward-thinking civic leadership, and transparent stewardship of the community's assets and resources.

- 5.1 Continued focus on good governance, transparency and community and stakeholder engagement in significant decisions, including place-based plans.
- 5.2 Facilitate collaboration and partnerships with industry and government in key issues for the Shire (such as transport, housing, economic development and tourism, social wellbeing, public spaces etc.).

## **RISK MANAGEMENT CONSIDERATIONS**

Reputational - Moderate

Financial – Major

## **FINANCIAL IMPLICATIONS**

The BHP Social Investment Grants program will provide the Shire with \$98,790.00 in funding.

It is recommended that an adjustment be made to the current Community Development budget as follows:

Account	Current Budget	Amendment	Revised Budget
<b>NEW-Revenue</b>	\$0	\$98,790.00	\$98,790.00
for East Newman
