---

**REPORT PURPOSE**

To consider an appropriate name for Reserve number 38771, 10 Lee Lane, Newman part of the Newman Town Centre Revitalisation program.

**BACKGROUND**

The Newman town Centre Revitalisation Program has been ongoing for a number of years. The final stage, stage 3, culminates with the creation of a town square.

The development of the town square has now commenced and should be completed in the first half of 2017.

To assist with local identification and marketing it is considered that an appropriate name be identified for the town square up to this time it has been shown on various plans as “Newman Square”. Any name needs to be simple and succinct and be representative of the use.

Names that have been suggested:

Newman Square  
The Square  
Newman Community Square  
Community Square

**COMMENTS/OPTIONS/DISCUSSIONS**

Council can decide not to name the reserve but it may create confusion with users and the community.

##### Objective

To establish criteria for the Naming of Parks, Reserves and Buildings.

##### Policy

On request Council will consider the naming of parks, reserves or buildings in honour of the persons considered to have made an outstanding contribution to the community and are considered by Council and the community to be worthy of such an honour.

Where required all naming decision shall be made in accordance with the DOLA - Geographic Names Committee of Western Australia Principles, Policies and Procedures.

##### Criteria of Assessment

All requests for the naming of Parks, Reserves and Buildings shall be assessed against the following criteria:-

1. Have been instrumental in the development of the facility where the naming of a building is concerned.
2. Be considered to be worthy of such an honour
3. Must have resided in the local community for more than ten (10) years.
4. Have been a member and actively involved in a local service club or voluntary organization or government organization and significantly contributed to the local community. A significant contribution may include:-
  - i. Two (2) or more terms of office on the Shire of East Pilbara Council
  - ii. Fifteen (15) or more years association with a local community group
5. Actions by the individual to protect, restore, enhance or maintain an area that substantially improves the facility to the community.
6. Evidence of works undertaken being of a pioneering nature for the benefit of the community.

##### Procedure for an Application

All applications shall be made in writing.

All applications shall be deemed as confidential during the consideration process and information will be forwarded to all Council Members in a confidential memo for comment prior to the Council Meeting.

All applications shall include:-

1. Proposed reserve, park or building locations
2. Proposed new name for the facility
3. Date and place of birth and date of passing away if applicable
4. Period of residence in the locality
5. History of the person being honoured
6. An outline of their contribution to the community, including membership of clubs and voluntary organizations
7. Statement of why the person should be honoured
8. Contact details of the person being honoured or their immediate family
9. Proof of agreement by local community member and groups

**Notification to the Geographic Names Committee, Department of Land Administration (DOLA)**

#### REPORT PURPOSE

For Council to consider and make decisions on the Community Assistance Grant funding applications for Round 2 of the 2016/2017 financial year.

#### BACKGROUND

The Shire of East Pilbara's Community Assistance Grants and Sponsorships are designed to promote community development and wellbeing within the East Pilbara local government area.

Grants are available for not-for-profit organisations involved in arts, culture, sports, recreation and social services. Limited support is also available to local educational institutions. Applicants must fit one of the following categories.

1. A not-for-profit community organisation providing a community service within the East Pilbara region where there is a demonstrated community need or benefit
2. An educational institution in the East Pilbara for award presentations only
3. A sporting association to assist with club development (eg. Coaching courses, governance training and or grant writing courses)
4. An organisation involved in cultural development within the East Pilbara

Applications for the Community Assistance Grant Number Three (3) can be made by clubs and community groups twice per year. Round One (1) opens on the 1st of July and closes on the 31st July and applications are assessed at the next scheduled Council Meeting. Round Two (2) opens on January 1st and closes on January 31st and applications are assessed at the next scheduled Council Meeting. Each application is eligible for a grant of up to \$6,000 in cash or in-kind contributions.

#### COMMENTS/OPTIONS/DISCUSSIONS

This round, the Shire received four (4) applications from charities and sporting clubs based in the East Pilbara. All four (4) applications met the Shire's Community Assistance Grants eligibility criteria. Details are as follows:

---

<b>Applicant Organisation</b>	<b>Met Criteria (Yes/No)</b>	<b>Amount Sought</b>	<b>Comment/Description</b>

<b>Description and purpose of grant</b>		The grant will provide seed funding to commence the transition of the horticultural program at the Martu Farm to a self-sustaining program, which had recently lost its funding. The farm's focus is the marketing of nursery products and the continuation of the nature scape and community gardens.			
<b>Target group of project outcome</b>		The target group is predominantly Martu people – approximately 50 members plus board members and elders. However, members of Newman's broad community, including holiday programs and school groups, are welcome to be involved in the horticultural program.			
<b>Benefit to East Pilbara Community</b>		The Martu Farm provides a space for engagement for vulnerable community members, skill-building opportunities, Work for the Dole opportunities, corrective services offenders' hours, post-release opportunities and volunteer opportunities.

<b>Description and purpose of grant</b>	<p>The funding will contribute to the delivery of the 9<sup>th</sup> annual Newman Vets Celebrity Match. The club partners with Newman National Football League, Newman Junior Football Council and V Swans Football Club and is a fundraising event for local charities and not for profit organisations.</p> <p>The event involves bringing role models from Perth to be a part of all the weekend's activities, including mentoring sessions, coaching clinics, healthy lifestyle sessions, autograph sessions, community engagement opportunities, skills and qualification sessions, as well as the junior and senior football games.</p> <p>The 3 local schools and local businesses will be engaged to deliver a weekend of physical and social engagement activities. Schools will have the opportunity to enter a budding artist competition, with the winning design being included on the players' guernsey.</p>				

<b>Target group of project outcome</b>	Approximately 2,000 community members – including participants, students, committee members and spectators.
<b>Benefit to East Pilbara Community</b>	The community will benefit from attending the free and inclusive event; local charities and not for profit organisations will receive fundraising; local school and businesses will be engaged and included in the event planning and delivery.
<b>Acknowledgement of SOEP</b>	SoEP logo will feature on all attire (including playing guernsey), multimedia, and pamphlets. Also, verbal acknowledgment will be made on the day.

<input type="checkbox"/>	<b>Organisations involved in cultural development within the Shire of East Pilbara</b>				
<b>Description and purpose of grant</b>	The grant funding will support the club's annual Gymkhana event, which this year celebrates 2 milestones - 50 years since the establishment of the Newman Gymkhana Club and 40 years of Gymkhana events. The Gymkhana will be a family-friendly, free event for the community.				
<b>Target group of project outcome</b>	The event is open to the whole community. The club is expecting over 200 participants and spectators from Newman and surrounding locations, such as Meekatharra, Port Hedland and Mount Magnet.				

<b>Benefit to East Pilbara Community</b>	<p>The event is an opportunity for families to enjoy the games and interact with the horses and other animals. Awareness of animal conservation and care is a focus of the event.</p> <p>Newman may benefit from increased tourism from spectators and competitors attending from outside Newman.</p>
<b>Acknowledgement of SOEP</b>	<p>SoEP banners to be displayed on the day; SoEP logo on the Ridden Class trophy; verbal acknowledgment on the day.</p>
<b>Note:</b>	<p>The Certificate of Incorporation was not included in the grant submission. The current Australian Business Register lists the club as an Incorporated Entity. If Council approves the grant application, no funding will be released until a copy of the Certificate is received by the Shire.</p>

The overall Community Assistance Grant budget for 2016/17 is \$60,000. Approximately \$11,000 of the total amount needs to be set aside for the smaller Grant 1 and Grant 2 programs that are open year-round and approved by the CEO. The balance of \$49,000 then needs to be halved, to accommodate the two Grant 3 rounds approved by the full Council. This means there is approximately \$25,000 for each of the two rounds.

The total amount sought for Round 2 of the 2016/17 financial year is \$22,953, meaning the full \$22,953 applied for can be afforded using this model.

Each of the Round 2 applications have been individually assessed against the eligibility criteria to assist the decision making process. As noted earlier they are all eligible for funding.

However, a review of the event budget for Empowering People in Communities' 2017 East Pilbara Skills and Trade Expo presents an expenditure item for Exhibitors' Food (\$500). Although the application is recommended for approval, the expenditure for Exhibitors' Food is considered to be an inappropriate use of Shire funds. Exhibitors, comprised of private businesses, not for profit entities and government instrumentalities, are expected to have arrangements for staff daily allowances. The recommendation for this particular applicant is therefore reduced by \$500.00, from \$5,952.80 to \$5,452.80.

The three (3) other grant applications are recommended to be funded in full.

A decision to close a road is based on weather information such as current rainfall, radar imaging, rainfall in catchment areas that may affect a particular road, river level readings, on the ground advice from road inspections, Main Roads, local contacts and communities.</p> <p>Most local advice is based on a very small radius and does not provide a broader picture on what is happening on the road network. Information obtained by members of the public and locals are not always accurate and need to be verified by Council officers. Road condition advice can be very objective depending on the person giving the advice and level of experience. As such, Council officers need to make assessments based on one size fits all approach i.e. the conditions have to meet a standard where it can be reasonably assumed that the road is safe to traverse by all drivers regardless of the level of local knowledge and experience.</p> <p>Heavy rain can be very isolated to small sections of the road network which may not be evident to a particular community, mine site or station. **REPORT PURPOSE**

For Council to consider delegating authority to the CEO to award or reject subject tenders for the period up to the next Council meeting to be held on 21 April 2017. This is to assist in the efficient and timely delivery of the annual works program and continue ongoing maintenance of infrastructure. For Council to approve the Common Seal to be affixed under delegated authority to the CEO for the contract between the Shire of East Pilbara and the successful tenderers.

**BACKGROUND**

The works incorporating fixing of failed pavement sections, following drainage installation, are to align with *the Shire of East Pilbara Strategic Community Plan 2013-2022* "Our Planned Actions- 3.3 "Provide Adequate Community Infrastructure".

The delegation to CEO to award or reject tenders up to 21 April 2017 to replace the previous delegation to CEO to award or reject tenders up to 17 March 2017 due to substantial cost saving changes being identified, and made, in to the Scope of Works for both projects. In order to accommodate those changes as per the Shire's procurement Policy, both RFTs, RFT 11-2016/17 and RFT 12-2016/17, were cancelled and new RFTs, being RFT 14-2016/17 and RFT 15-2016/17, were issued. In summary, the shire officers, without removing any streets, combined Asphalt works and Drainage works in one specific RFT which were, in previous RFTs, allocated as per their location, i.e. Pavement and Drainage works-East Newman, Pavement and Drainage works- Newman etc.

Water pooling issues in various streets of Newman being noticed and listed by the Newman depot which causing a number of pavement section failures and risks to traffic on those streets. Therefore, the depot engaged engineering consultant GHD to study drainage capacity of the existing drainage infrastructure in town and to identify issues/deficiencies in them. For the FY 2016/17, the depot proactively listed Ethel Creek St, Burrows St, Mindarra Dr and Daniels Dr, including connecting streets like Eagle Rock Turn, Ophthalmia Cr and Kalamina Vista which were part of the East Newman Development Stage1A pavement fixing project as agreed by the Shire and the Landcorp, to install new drainage, should drainage study outcomes recommend

---

it, and fix identified failed pavement sections. And, as anticipated by the depot, these entire streets based drainage infrastructure identified under capacity by GHD which would need new drainage infrastructure to efficiently drain rain water off the streets.

Furthermore, the budget, for these projects, for the 2016-17 financial year were adopted at Council meet held on 24 July 2016 which included the following accounts;

Project 1- Drainage Works Newman

GL	Budget
129615	\$200,000
129616	\$100,000
129617	\$150,000
129618	\$ 70,000
<b>Total Budget</b>	<b>\$520,000</b>

Project 2- Asphalt Works Newman

GL	Budget
129615	\$375,000
129616	\$ 40,000
129617	\$ 50,000
129618	\$ 30,000
<b>Total Budget</b>	<b>\$495,000</b>

Tender for of the above mentioned Drainage Works Newman project advertised on 18 February 2017 and Asphalt Works Newman to be advertised in early March 2017 to undertake the procurement for the services of Civil contractors for drainage and pavement works for the Shire of East Pilbara.

**COMMENTS/OPTIONS/DISCUSSIONS**

It will be recommended that the CEO (or in the absence of the CEO, the Acting CEO) be delegated authority to award or reject tenders for the following projects up to the nominated values per approved 2016/17 budget allocations:

Tender No.	Description	Fund Source	Account Expenditure	Account Budget (ex GST)
RFT 14-2016/17	Fix failed pavement sections and install asphalt carpet in various streets developed under East Newman Stage 1A development and in Ethel Creek St, Burrows St and Mindarra Dr.	Landcorp + R2R	GL 129615 (\$375K Landcorp) + GL 129616 + GL 129617 + GL 129618= (\$40K + \$30K + \$50K)	\$495,000
RFT 15-2016/17	To supply and install 1100 metres of reinforced concrete pipes, with 36 new stormwater pits, in Ethel Creek St, Burrows St and Mindarra Dr and in various streets developed under East Newman Stage 1A development.	R2R	GL 129615 (\$200K R2R) + GL 129616 + GL 129617 + GL 129618= (\$100K + \$70K + \$150K)	\$520,000

**STATUTORY IMPLICATIONS/REQUIREMENTS**

**Part 3 – Functions of local governments (Division 3 – Executive functions of local governments) (Subdivision 6 – Various executive functions) 3.57.** Tenders for providing goods or services (pg 70).

### 3.14 Purchasing and Tender Procedures

<b>Responsible Directorate</b>	Corporate Services
<b>Responsible Officer</b>	Chief Executive Officer Deputy Chief Executive Officer Manager Assets and Procurement
<b>File Number</b>	FIN-25-2

#### Objective

1. To provide compliance with the Local Government Act 1995 and the Local Government (Functions and General) Regulations 1996 (as amended).
2. To set guidelines which must be followed when inviting tenders for works and services within the Shire.
3. To ensure consistency that purchasing activities integrate within all Shire of East Pilbara operational areas.

#### Purchase Procedures

##### **NOTE: All Figures in this policy are exclusive of GST**

The following procedures will be adhered to when purchasing items and other goods and services as per the adopted budget. All purchase orders are to be completed as set out below.

\$0 - \$50	Under direction from the authorised supervisor, petty cash may be utilised for purchases in this range.
\$51 - \$5,000	Under direction from the authorised supervisor, a purchase order book will be utilised without quotes necessarily being obtained.
\$5,001 - \$39,999	Under direction from the authorised supervisor, a purchase or other order will be utilised and three verbal or written quotes shall be obtained.
\$40,000 - \$149,999	Under direction from the authorised supervisor, and in consultation with the Chief Executive Officer, the Deputy Chief Executive Officer and/or the Director Technical and Development Services a purchase order will be utilised and three written quotes shall be obtained. In obtaining written quotations the Council Purchasing Service shall be utilised wherever practicable.
\$150,000 & greater	Under direction from the authorised supervisor tenders will be invited as follows. If work is allowed for in the budget a request for tender form is to be submitted to the Chief Executive Officer for approval. If the work is not allowed for in the budget permission to go to tender must be obtained from Council.

**Capital Expenditure**

All capital purchase orders will be signed by the Chief Executive Officer, Deputy Chief Executive Officer or the Director Technical & Development Services with the exception of road construction and plant fleet which can be signed by Manager Technical Services – Rural.

Definition of a Capital Item for the purpose of the Shire of East Pilbara:

1. Any item budgeted as a capital item in the adopted budget;
2. Any item to be purchased, which involves the replacement of an existing asset through the sale, trade-in, write-off or disposal of an item on the fixed asset register.

Refer to the Accounting Policy in the Council's Policy Manual for the further treatment of non-current assets.

No item of a capital nature may be purchased unless included in the adopted budget, or if unbudgeted, has been approved by "absolute majority" of Council prior to the purchase of the item. (Council has no retrospective right of approval of purchase of non-budgeted items of capital).

In order to preserve the cash flow of the Shire, major items of budgeted capital expenditure should be deferred, where possible, until the second or third quarter of the financial year. However all capital orders must be raised by the 30 April to allow adequate time for payment by June 30 of each year. In all cases, the timing of the expenditure on major items of capital should be discussed and agreed with the Deputy Chief Executive Officer.

**Orders for Goods & Services**

Purchase orders must be made out and signed by authorised persons for all goods and services ordered for the Shire at the time that the order is placed. **Orders should never be raised retrospectively.**

The following staff may raise a purchase order in accordance with value procedures as previously set out in this clause to the maximum value of \$150,000. If the purchase is in excess of \$150,000 a requisition is to be authorised by the Chief Executive Officer prior to the order being issued:

1. Deputy Chief Executive Officer
2. Director Technical & Development Services
3. Manager Technical Services – Rural (road construction and plant only)

The following staff may raise a purchase order in accordance with value procedures as previously set out in this clause to the maximum value of \$30,000. If the purchase

is in excess of \$30,000 a requisition is to be authorised by their supervisor prior to the order being issued;

1. Managers
2. Coordinator Property Services

The following staff may raise a purchase order in accordance with value procedures as previously set out in this clause to the maximum value of \$10,000.

1. Coordinators
2. Works Supervisor (Newman and Marble Bar)

If the purchase is in excess of \$10,000 a requisition is to be authorised by their supervisor prior to the order being issued.

Other officer's in line with relevant procedures will have authority to authorise purchases to the value of \$2,000.

**Light Vehicle Purchases**

The designated Fleet Officer is authorized to purchase light vehicles under \$150,000 utilising the WA State Purchasing Agreement and adhering to Council's budget decisions and Councils Light Vehicle Policy. Any vehicle incurring the luxury car tax will have to be approved by the Chief Executive Officer or the Deputy Chief Executive Officer.

**Consultants Services**

Services separately identified in the adopted budget to be at officer's discretion up to \$20,000.

Between \$20,001 and \$150,000 a Request For Quote procedure shall be utilised, in compliance with purchase thresholds.

A request for services, which it is envisaged, will exceed \$150,000 shall undergo the full tender process.

**Light Vehicle Disposals**

The preference for the disposal of light vehicles (less than \$150,000) is by public auction.

The reserve sale price is to be determined by the Manager Technical Services – Rural in conjunction with the Chief Executive Officer and/or the Director Technical and Development Services.

The following information sources will be utilised in determining the reserve sale price:

1. Valuation by the auction house.
2. Valuation from a recognised source i.e.: red book.
3. Internet research.
4. Past sales by auction house.

Disposals are to be completed within the same financial year, or within 3 months of receipt of a new vehicle, whichever is the sooner to maximise sales return

**Regulatory Compliance**

In the following instances public tenders or quotation procedures are exempt (regardless of the value of expenditure):

1. An emergency situation as defined by the Local Government Act 1995;
2. The purchase is under a contract of WALGA (Preferred Supplier Arrangements), Department of Treasury and Finance (permitted Common Use Arrangements), Regional Council, or another Local Government;
3. The purchase is under auction which has been authorised by Council;
4. The contract is for petrol, oil, or other liquid or gas used for internal combustion engines;
5. Any of the other exclusions under Regulation 11 of the Local Government (Functions and General) Regulations 1996 apply;
6. The purchase is under the Shire of East Pilbara Supplier Panel and is under \$30,000 excl GST.
7. The goods or services are obtained through a person registered on the Aboriginal Business Directory WA for contracts worth \$250,000 or less.
8. The goods or services are obtained through an Australian Disability Enterprise.

## **STRATEGIC COMMUNITY PLAN**

### **Goal 1 – Civic Leadership – Planned Actions**

The Shire of East Pilbara seeks to deliver high quality corporate governance and demonstrate accountability to its constituents. All decisions are informed by community engagement – leading to the effective allocation of the Shire's resources – that deliver optimum benefits to the community.

- 1.1 Efficient and effective local government
  - 1.1.1 Ethical, accountable and transparent decision-making
  - 1.1.2 Continued strong financial management
  - 1.1.3 Effective business management

### **Goal 3 – Economic – Planned Actions**

The Shire of East Pilbara seeks to support the economic development of its communities through the establishment of partnerships with industry, local businesses, government agencies and the tourism sector.

- 3.1 Business diversification and promotion
  - 3.1.2 Build a thriving and diverse economy  
Partnering With: State Government, Industry, NCCI, other relevant stake holders

### **Goal 4 – Environmental – Planned Actions**

*The Shire of East Pilbara seeks to effectively manage and maintain its iconic Pilbara environmental assets by reducing ecological footprints and developing clean, green towns.*

- 4.2 Promote a sustainable environment
  - 4.2.1 Cultivate clean green towns

## **RISK MANAGEMENT CONSIDERATIONS**

The risk to Council reputation will be increased by not taking opportunity to avoid seasonal constraints and maintaining continuous operations. By awarding contract/s as soon as practical will reduce the risk of not completing the works in accordance with Council policy requirements.

## **FINANCIAL IMPLICATIONS**

Resource requirements are in accordance with existing budgetary allocation. Funding for this project will be sourced from accounts GL 129615 Pavement Failure and Drainage Works-East Newman \$575,000 and GL 129616 Pavement Failure and Drainage Works-Ethel creek St \$140,000, GL 129617 Pavement Failure and Drainage Works-Burrows St \$100,000 and GL 129618 Pavement Failure and Drainage Works-Mindarra Dr \$200,000.

**REPORT PURPOSE**

To inform Council of actions and decisions taken to initiate disaster relief assistance to remote Communities and to perform emergency opening up and reinstatement works to roads affected by a tropical low and associated flooding in the Pilbara on the 26<sup>th</sup> of December 2016.

**BACKGROUND**

On the 26<sup>th</sup> of December 2016 a tropical low caused extensive flooding and damage to Councils remote road network in the Central Desert region isolating the Kiwirrkurra Community from all road access. As a result all essential service provisions by road to the community ceased resulting in the termination of food and fuel supplies.

The Kiwirrkurra Community is located 135km west from the West Australian State Border with the Northern Territory and is one of the most isolated communities within the country. Predominantly the community is serviced from the Northern Territory including food and fuel supplies. There are numerous communities between the WA/NT border and Alice Springs and as such supply is more cost effective from the east. The Kiwirrkurra Community is however located within the State of Western Australia and as such all government services are the responsibility of the WA State Government.

The tropical low event received considerable news coverage in the Northern Territory as the majority of the rain and flooding impacted the Communities within the Alice Springs region. The greatest impact was to the Kintore Community 520km west of Alice Springs and approximately 175km east of Kiwirrkurra. This weather event was described as a one in 50 year event by Australia's Bureau of Meteorology.

On Tuesday the 2<sup>nd</sup> of January 2017 the Manager Technical Services – Rural (MTS-R) and the Works Supervisor Marble Bar (WSMB) departed Marble Bar to inspect the desert roads from Telfer to the WA/NT border. The inspection revealed that substantial damage to the road network had occurred predominately from Gary Junction (75km east of Kunawarritji) to the WA/NT Border.

The roads were deemed to be unsafe and untrafficable resulting in the closure of the Desert Road, Jupiter Well Access Road and Kiwirrkurra Access Road.

MTS-R contacted the Office of Emergency Management (OEM) in order to initiate the West Australian Disaster Relief and Recovery Arrangement (WANDRRA) in order to receive funding to open up and reinstate the roads for the purpose of resuming essential road access to resupply the isolated community.

The WANDRRA activation took some time as OEM needed to verify the event and due to the fact that the event had occurred in the most isolated region in the state the Shire of East Pilbara (SOEP) was the only agency seeking assistance at that time.

During this time MTS-R also received communication from Kiwirrkurra requesting urgent assistance as all road access had been cut off and supplies were dwindling fast. Following the request for assistance from Kiwirrkurra to various agencies the matter was quickly escalated with numerous state government departments becoming involved and essential food items being flown by light aircraft to Kiwirrkurra from Newman.

Road access remained a priority due to the isolation and the requirement to supply large volumes of food and fuel to power the community. Rain persisted for some time and continued for some weeks delaying any attempt to provide assistance by road.

Office of Emergency Management (OEM) confirmed activation of WANDRRA (AGRN 737). MTS-R submitted documentation to OEM and Main Roads detailing a Cost Estimate of \$1,500,000 to open up and reinstate the roads affected by the event.

MTS-R requested through the Director of Technical and Development Services (DTDS) to initiate “Works in an Emergency” to open up and reinstate the desert roads. DTDS requested approval from CEO and the Shire President stating the urgency of the matter to restore road access. Approval was granted by the Shire President to carry out works in an emergency under:

*Local Government (Functions and General) Regulations 1996 – REG11*

*(2) Tenders do not have to be publicly invited according to the requirements of this Division if –*

*(a) the supply of goods or services is to be obtained from expenditure authorised in an emergency under section 6.8(1)(c) of the act*

*Local Government Act 1995 – SEC 6.8*

*(1) A local government is not to incur expenditure from its municipal fund for an additional purpose except where the expenditure –*  
*(c) is authorised in advance by the mayor or president in an emergency*

---

MTS-R engaged Youngs Earthmoving to immediately mobilise two graders to open up the affected roads and to restore road access to Kiwirrkurra. Additional equipment is to be mobilised once basic road access has been restored in order to reinstate the road service and drainage systems to allow the resumption of normal road access.

The flooding has resulted in the loss of the road formation and gravel materials thus resulting in a soft sandy road surface. The graders were able to clear some material and make limited road access possible however in order to restore road access to supply trucks the formation and gravel surface needs to be reinstated.

To date the graders have reached the WA/NT border and have continued 22km across into the Northern Territory to ensure limited road access is achievable as soon as possible.

Various background documentation and approvals is attached to provide appreciation of events as they unfolded and shire proactive actions to activate and assist in the emergency.

#### **COMMENTS/OPTIONS/DISCUSSIONS**

The cost estimate supplied to OEM is an estimate only and may be more or less depending actual conditions and materials available. Expenditure is recoverable and is funded by the State and Commonwealth Governments.

MTS-R continues to brief the DTDS and CEO on progress.

The utilisation of Contractors has been initiated due to the remote location of the roads. Council's road crew continues with the annual works program. Council's graders have been kept busy with local roads requiring increased service levels due to ongoing wet weather events. Contractor costs are 100% recoverable under the WANDRRA provisions (with the exception of a trigger point) whereas the Council crew would only qualify to have the overtime recoverable.

Youngs Earthmoving have been engaged based on their experience servicing Council's remote desert roads. Young's have previously maintained Council's desert roads under various different tender arrangements and are very familiar with the country, roads, gravel locations and the indigenous communities. Young's have a fleet of modern machinery and are able mobilise at short notice. They have suitable camp facilities and as such are able to operate in the most remote and isolated locations. Young's have constantly provided a high quality output and have provided highly competitive rates.

Submitted contract rates and cost estimates were assessed by MRWA and deemed appropriate in consideration of the remote location of the road damage and works to be undertaken.

The works will be closely supervised by the MBWS and MTS-R with regular updates provided to the DTDS and CEO.

3.3.2 *Build connected and accessible towns*

*Partnering With: Federal Government, State Government, Industry, NCCI, other relevant stake holders*

*Responsible officer: DTDS*

*Timing: 1-5 years*

## RISK MANAGEMENT CONSIDERATIONS

Works in Emergency, approvals obtained as per regulatory requirements. Held a tender process would delay opening up and reinstatement works by up to 3 months thus preventing essential service delivery to the remote Community of Kiwirrkurra resulting in the probable evacuation of the community as it would not be in a position to function and to sustain itself. Contractor engaged has capability, experience and local knowledge to operate in an extreme remote environment.

**FINANCIAL IMPLICATIONS**

Expenditure will be reimbursed by the State and Commonwealth Government under the WANDRRA provision. Council will be liable for the event trigger point which is the amount payable (\$131,400) before reimbursements apply. This amount will be covered by current budget allocations for aboriginal access roads.

---

**REPORT PURPOSE**

For Council to consider requesting dedication as public roads under section 56 of the Land Administration Act 1997, the access roads to the Marble Bar and Nullagine Landfill sites.

**BACKGROUND**

Council has previously resolved to excise the Marble Bar and Nullagine landfill sites from the respective common reserves. Once excised, the sites will have their own reserves vested in the Shire. As part of the assessment process, the Department of Lands has requested the Shire consider having the access roads to both sites excised from the common reserves and dedicated as public roads.

Marble Bar

It is proposed to dedicate a 1.5km portion of the existing gravel road that acts as an extension of General Street. The road traverses the Marble Bar Common (Reserve 2906) for approximately 1.0km. The road also traverses approximately 250m of unallocated crown land and 250m of land vested in other agencies (Water Corporation and Department of Mines and Petroleum). The Department of Lands will liaise with these agencies to obtain the necessary approvals should Council resolve to request dedication of the road reserve.

As the roads are predominantly located on land vested in the Shire, dedication as a public road does not increase Council's obligations to manage the roads, as these obligations already exist. Dedication will simply normalise the tenure of the road to that of the majority of the Shire's road network.

## STATUTORY IMPLICATIONS/REQUIREMENTS

Page 62

As the road exists on public land and is open to the public currently, the dedication process will not require consultation with affected landowners. In effect, the land will simply change from one form of Shire management (crown reserve) to another (local road). In the case of Marble Bar, the approval of Water Corporation and Department of Mines and Petroleum will be required for the small portions of the road located within reserves vested in those bodies.

The dedication process requires Council to resolve to request under section 56(1) for the Minister for Lands to dedicate land as a road. As part of the request, Council is required under section 56(4) to indemnify the Minister against any claim for compensation in an amount equal to the amount of all costs and expenses reasonably incurred by the Minister in considering and granting the request. These costs relate to administration expenses and any survey costs incurred in identifying the alignment of the new road.

### **RISK MANAGEMENT CONSIDERATIONS**

Council currently carries the risk of the roads as they are located on land under its care and control. Normalising the tenure of the roads as public roads will not increase the organisational risk attributed to the operation of the thoroughfares.

**Author Disclosure of Interest:** Nil

---

**REPORT PURPOSE**

For Council to consider making comment on a proposal by Nullagine Contracting to lease or purchase land within the Nullagine Townsite from the State of Western Australia.

**BACKGROUND**

The Department of Lands has requested Council comment on the proposed sale or leasing to Nullagine Contracting of unallocated crown land as shown below and in the attached referral letter from the Department.

Nullagine Contracting has previous endeavoured to lease land outside of the Townsite area. However, due to the presence of mining tenements, leasing of the

land has not been supported by state government. Given the need to avoid land that is subject to mining tenements, the applicant has been forced to consider unallocated crown land located within the Nullagine Townsite, as this is the only area within the locality that is not subject to tenements.

Nullagine Contracting have identified the two parcels of land. The smaller parcel would allow for the development of a house, shed and a mechanical repair workshop (see attached concept plan). The use of the larger parcel is more unclear, but may possibly be used for hardstand and parking of vehicles, plant and equipment.

The Department of Lands is requesting Council comment on the proposal as the local government authority responsible for the planning and development of Nullagine. It is noted that the Shire does not have an approval or refusal role in this matter. However, Council's comments are likely to have considerable weight on the outcome of the application.

As the land is unallocated crown land, there is likely to be a considerable period of time before any land transaction can take place due to the implications of the Native Title (State Provisions) Act 1999.

### **COMMENTS/OPTIONS/DISCUSSIONS**

Both parcels of land are zoned 'Rural' by Shire of East Pilbara Town Planning Scheme No.4. Ideally, to allow for the operation of a contractors yard, motor vehicle repair workshop and ancillary uses, the land would be zoned 'Nullagine Townsite'. However, given that a review of the current Scheme is underway and the Skull Springs Road site is identified to be zoned 'Rural Settlement' (a similar zoning to Nullagine Townsite), Council is in a position to support the proposal without requiring rezoning to occur.

Shire officers support the sale or leasing of the Skull Springs parcel (Site 1 on the above plan). However, Shire officers note that the larger parcel (Site 2) is located on land that is relatively high-ground (in comparison with the remainder of the town). This location is the only ideal site for Townsite expansion should it ever be required. Given this, any use of the land for semi-industrial uses should be limited to a leasing arrangement, so that the long-term opportunity for residential growth is not removed.

**REPORT PURPOSE**

For Council to review and accept the 2017/2018 Rating Strategy.

**BACKGROUND**

The purpose of this Rating Strategy is to consider what rating options are available to Council under the Local Government Act (1995) and how Council's choices in applying these options contribute towards meeting an equitable rating strategy.

**COMMENTS/OPTIONS/DISCUSSIONS**

The Shire of East Pilbara currently receives 28% of its total revenue by way of property-based rates. The development of strategies in respect of the rating base is therefore of critical importance to both Council and the community. Consideration

here should be given to the fact that a significant amount of fees and charges income comes directly from the airport skewing the figures. Without this income, which is currently specifically held for the airport alone, the revenue percentage received from rates would increase to 40%.

The principles of good governance further require Council to provide ongoing or periodic monitoring and review of the impact of major decisions. It is therefore essential for Council to evaluate on a regular basis, the legislative objectives to which it must have regard and those other objectives which Council believes are relevant.

This document is seeking to fully document Council's objectives and approach to the raising of rate revenue in line with its goal of providing transparency in its decision-making.

### **13.2 NULLAGINE STAFF**

Cr Biddy Schill asked will they be hiring more staff due to staff that has departed.

Mr Rick Miller, DTDS replied at the moment his department is reviewing the structure of the works crew in Nullagine & Marble Bar, and if required will make changes.

### **13.3 WEELI WOLLI SPRINGS**

Cr Shane Carter asked if the Shire could follow up as it was commented that the access road to Weeli Wolli Springs has been closed by Rio Tinto.

Director Technical and Development Services to follow up.

### **13.4 PILBARA RESIDENTS AIRFARES**

Cr Shane Carter asked if Council can still keep corresponding with the airlines, state and federal government for cheaper flights for residents in the Pilbara.

Mr Allen Cooper, CEO replied we will continue to correspond with the airlines, state and federal governments.

### **13.5 TOILET AT MARBLE BAR CEMETERY**

Cr Michael Kitchin said he received a request if it was possible to get a toilet installed at the Marble Bar Cemetery?

Mr Allen Cooper, CEO replied that most small cemeteries in Australia do not have toilets, and this is due to vandalism, and unwanted activities, also the cost for maintenance of the public toilet. The Shire will review the request and provide Cr Kitchin with the previous costings of providing a toilet.

### **13.6 CAPE KERAUDREN FRESH WATER**

Cr Michael Kitchin asked about fresh water for the Cape Keraudren, Ranger's house and office as well for the tourist?

Mr Rick Miller, DTDS replied at the moment he is reviewing tender documents and will follow up.

**13.7 LABOR'S PLAN FOR THE PILBARA**

Cr Craig Hoyer, said he looked into the newly elected State Government document Labor's Plan for the Pilbara and noticed they have allocated \$100,000 for a new outdoor basketball court? Does the Shire have any details of this?

Mr Allen Cooper, CEO replied yes in Newman it was in the plan but didn't know where the Labor Party got the information from.

**13.8 HEAVY EQUIPMENT (DOZER) MARBLE BAR**

Cr Lang Coppin asked if a dozer can be purchased for Marble Bar depot as a dozer would be useful for the Marble Bar tip and other events.

Mr Allen Cooper, CEO replied the Shire did have a dozer and it was not used that often and after discussions it was agreed to be sold.

Director Technical and Development Services to follow up.

**13.9 MECHANIC REVIEW**

Cr Lang Coppin asked again if a review on hiring a mechanic or using contractors can be completed.

Director Technical and Development Services to follow up.

**13.10 TOBACCO TAX**

Cr Lang Coppin asked if a letter could be written to the state & federal government regarding the increase of tobacco tax, as there has been an increase in burglaries at businesses e.g roadhouses. This is due to the increase of tax as many people cannot afford to buy cigarettes so they break into properties/business's just for cigarettes. If prices were reasonable then people would not be breaking and entering into properties.

Mr Allen Cooper, CEO to try and gather more information.
