REPORT PURPOSE

To seek Council approval to apply the common seal of the Shire of East Pilbara to the Newman Visitor Centre Memorandum of Understanding and Funding Agreement for the provision of visitor and new resident services for an amount of \$90,000 + GST of \$9,000 for a total amount of \$99,000 per annum.

BACKGROUND

The Shire of East Pilbara had a previous Memorandum of Understanding and Funding Agreement with the Newman Visitors Centre, which officially expired on the 30th June 2016.

Conditions and terms of the expired Memorandum of Understanding and Funding Agreement have been honoured whilst a review of the document was recently undertaken by both parties.

COMMENTS/OPTIONS/DISCUSSIONS

At the expiry of the 2015-2016 Memorandum of Understanding both parties met, to better understand the requirements of each party and to devise a new Memorandum of Understanding that is now two (2) year term.

The proposed new MOU incorporates most elements of the previous MOU. The main changes are,

- Removal of the provision, "Act as a booking agent for Integrity Coachlines and Greyhounds Buses" and replaced with "Act as a booking agent for transport operators when feasible";
 - Removal of "...with indication given to how the SOEP funding is allocated." From "Supply a copy of the Annual budget (financial year) for the association,";
-

- Removal of “Collate and distribute new resident kits as necessary” As the NVC does not believe they are adequately resourced to undertake this task and that other agencies in town may be more appropriate distributors. (The Shire now runs two Welcome to Newman events annually where new residents’ kits are distributed).

As a result of the joint review of the expired document the following areas of the document have been updated:

Specifics of the Agreement:

- a) This Agreement is valid 24 months, commencing 1st July 2016 and expiring 30 June 2018.
- b) The specified annual funding fee is \$90,000 (+GST) per annum will be paid by The Shire of East Pilbara for services rendered by Newman Visitors Centre Inc. as outlined in the agreement.

Purpose of the Agreement:

The Newman Visitor Centre Inc. and the Shire of East Pilbara hereby agree to work together to:

- Promote the Newman / East Pilbara region as a tourist destination,
- Provide visitor and new resident services, information and attractions,
- Identify ways to continue to develop the range of services that can be provided by the Newman Visitor Centre,
- Facilitate the development of proposals for projects between the two organisations, including exploring possibilities for grants and other forms of funding,
- Progress the relevant strategic directions of SOEP’s Economic Development and Tourism Strategy and the SOEP Arts and Cultural Strategy.

Funding and Financial Responsibilities:

The Shire of East Pilbara agrees to provide financial support to the value of \$90,000 (+ GST) annually pro rata to NVC. This financial support is to be paid in quarterly instalments to the Newman Visitor Centre Inc. by electronic funds transfer, upon presentation of a tax invoice.

For payment to be released, the previous quarterly reconciliation and monthly reports must have been lodged with SOEP by the due date.

This funding arrangement will be subject to a bi-annual review three (3) months prior to the anniversary of the execution of this MOU. The funding allocation will be reviewed bi-annually in accordance with Consumer Pricing Index and SOEP Budget Allocations.

REPORT PURPOSE

To seek Council approval of the Chief Executive Officer to apply the common seal of the Shire of East Pilbara to the Nullagine Community Resource Centre Memorandum of Understanding for the provision of library and other services for an amount of \$76,667 + GST of \$7,666 for a total amount of \$84,333 for a 23 month term.

BACKGROUND

The Shire of East Pilbara had a previous Memorandum of Understanding, (MOU) and Funding Agreement with the Nullagine Community Resource Centre, (NCRC), which officially expired on the 31st October 2014. An amendment to the MOU was adopted by Council and is dated 11th July 2014.

Conditions and terms of the expired Memorandum of Understanding and Funding Agreement, including the amendment have been honoured whilst a review of the document was recently undertaken by both parties.

At its May 2015 meeting Council resolved to.

“... approve the application of the common seal of the Shire of East Pilbara to the updated Nullagine CRC Memorandum of Understanding and Funding Agreement for the provision of library services for an amount of \$80,000 + GST of \$8,000 for a total amount of \$88,000 for a twenty four month period.” (Item 9.2.6).

The endorsed MOU was never signed due to concerns the NCRC Management Committee had regarding some of its provisions. The Management Committee had not been involved in the earlier review and re-drafting of the MOU as that had occurred at staff level only.

Although negotiations then stalled for some considerable period of time both the NCRC and the Shire continued operating under the principles of the MOU in good faith ensuring continuity of service of the Nullagine Library.

COMMENTS/OPTIONS/DISCUSSIONS

The Shire has no administrative, shop front or supervisory capacity in Nullagine and the previous MOU with NCRC has provided the capacity for library, and to a limited degree, other shire administrative functions to take place in the town.

The proposed new MOU incorporates most elements of the MOU endorsed by the Council in May 2015. The main changes are,

- Removal of the provision for administration of the SoEP Newman airport resident parking scheme.
- Removal of the provision for administration of the Nullagine gym key and payment processing.
- An increase from \$30 an hour to \$55 an hour as a cleaning fee in instances where hirers have left the hall in a poor state of cleanliness.
- The addition of a provision that states that the NCRC takes no responsibility for the security of the Gallop hall or Library when being used by Shire staff.

There is a small variation in the amount to be paid to NCRC as the term of this MOU is for 23 months as opposed to the previous 24 month period. This represents an adjustment so that the terms of the new MOU fits into standard financial year quarters.

As a result of the joint review of the expired document the following areas of the document have been updated:

Specifics of the Agreement:

- a) This Agreement is valid for 23 months, commencing 1st August 2016 and expiring at close of business 30th June 2018.
- b) The specified annual funding fee is \$44,000 (inclusive of GST) per annum will be paid by The Shire of East Pilbara for services rendered by Nullagine Community Resource Centre Inc. as outlined in the agreement.

Purpose of the Agreement:

The Nullagine Community Resource Centre Inc. and the Shire of East Pilbara hereby agree to work together to:

- Operate the Nullagine Community Library in accordance with the Activity Agreement issued by the State Library of Western Australia and the Town of Port Hedland.
- Identify ways to continue to develop the range of services that can be provided by the Nullagine Community Resource Centre and the Nullagine Library. Facilitate the development of joint proposals for projects between the two organisations, including exploring possibilities for grants and other forms of funding.

Funding and Financial Responsibilities:

The Shire of East Pilbara agrees to provide financial support to the value of \$44,000 (GST inclusive) annually pro rata to NCRC. This financial support is to be paid in quarterly instalments to the NCRC by electronic funds transfer, upon presentation of a tax invoice.

For payment to be released the previous quarterly reconciliation and monthly reports must have been lodged with SOEP.

The SOEP also agrees to pay NCRC a \$55 per hour cleaning fee when both parties agree that the Gallop Hall requires a high-quality clean after being hired.

This funding arrangement will be subject to an annual review three (3) months prior to the anniversary of the execution of this MOU. The funding allocation will be reviewed bi-annually in accordance with Consumer Pricing Index and SOEP budget allocations.

REPORT PURPOSE

The purpose of this report is to present to Council for consideration a request for comments from the Department of Racing, Gaming and Liquor about the proposal to extend the declaration period as well as the geographical boundary of the Warralong Restricted Area under Section 175 of the Liquor Control Act 1988.

BACKGROUND

On 21 September 2013, the Liquor Control (Warralong Restricted Area) Regulations 2013 came into operation for a period of three years. These regulations are bound to expire on 20 September 2016.

In comments to the Department of Racing Gaming and Liquor, Marble Bar police have raised concerns that some members of the Warralong Community are circumventing this restriction by consuming liquor outside the restricted area along the northern section of Goldsworthy Road and driving back into the community while under the influence of alcohol.

The Director of Racing, Gaming and Liquor is therefore seeking local government comments regarding extending the declaration period for a further 3 years of the existing areas. They also wish to add the northern section of Goldsworthy Road between the 20km circle edge and the Great Northern Highway for a width of 1km each side of the road centreline.

COMMENTS/OPTIONS/DISCUSSIONS

Similar requests have been received regarding liquor restrictions in several Aboriginal communities in the Shire. Several concerns regarding the impact of such restrictions on Newman and the towns of Nullagine and Marble Bar have previously been raised with the Director of Racing Gaming and Liquor namely that;

- Extending this restriction will not address the underlying issues of drug and alcohol abuse within the communities covered by such restrictions as evidenced by the numerous cases of sly grogging that happen in communities where these restrictions are already in force.
- These restrictions tend to encourage harmful levels of binge drinking whilst visiting other communities within the Shire of East Pilbara, in particular Newman
- A lack of suitable accommodation for visitors coming into the town sites in search of alcohol also leaves many local residents vulnerable to crime, in particular alcohol induced violence. There is no access in Newman to hostels or camping facilities meaning that Newman based Aboriginal families are forced to house relatives who travel from outlying communities to Newman. Overcrowding, both short and long term, has well documented environmental health and child welfare risks, with the shire officers already having to grapple with this challenge.

Whilst the extension of the declaration period has the potential to reinforce the gains already made by the imposition of these restrictions, it can also be argued that intending members of the community may still be able to continue the practice of consuming alcohol outside the restricted areas and then drive back into the community while under the influence of alcohol.
