**10.12 PURCHASING AND TENDER PROCEDURES**

### 10.12 Purchasing and Tender Procedures

<b>Responsible Directorate</b>	Technical and Development Services
<b>Responsible Officer</b>	Chief Executive Officer Deputy Chief Executive Officer Director Technical and Development Services
<b>File Number</b>	TCH 1-7

#### Objective

1. To provide compliance with the *Local Government Act 1995* and the *Local Government (Functions and General) Regulations 1996* (as amended).
2. To set guidelines which must be followed when inviting tenders for works and services within the Shire.
3. To ensure consistency that purchasing activities integrate within all Shire of East Pilbara operational areas.

#### Purchase Procedures

#### **NOTE: All Figures in this policy are exclusive of GST**

The following procedures will be adhered to when purchasing items and other goods and services as per the adopted budget. All purchase orders are to be completed as set out below.

\$0 - \$50	Under direction from the authorised supervisor, petty cash may be utilised for purchases in this range.
\$51 - \$5,000	Under direction from the authorised supervisor, a purchase order book will be utilised without quotes necessarily being obtained.
\$5,001 - \$39,999	Under direction from the authorised supervisor, a purchase or other order will be utilised and three verbal or written quotes shall be obtained.
\$40,000 - \$149,999	Under direction from the authorised supervisor, and in consultation with the Chief Executive Officer, the Deputy Chief Executive Officer and/or the Director Technical and Development Services a purchase order will be utilised and three written quotes shall be obtained. In obtaining written quotations the Council Purchasing Service shall be utilised wherever practicable.

\$150,000 & greater	Under direction from the authorised supervisor tenders will be invited as follows. If work is allowed for in the budget a request for tender form is to be submitted to the Chief Executive Officer for approval. If the work is not allowed for in the budget permission to go to tender must be obtained from Council.
---------------------	--

### Capital Expenditure

All capital purchase orders will be signed by the Chief Executive Officer, Deputy Chief Executive Officer or the Director Technical & Development Services with the exception of road construction and plant fleet which can be signed by Manager Technical Services – Rural.

Definition of a Capital Item for the purpose of the Shire of East Pilbara:

1. Any item budgeted as a capital item in the adopted budget;
2. Any item to be purchased, which involves the replacement of an existing asset through the sale, trade-in, write-off or disposal of an item on the fixed asset register.

Refer to the Accounting Policy in the Council's Policy Manual for the further treatment of non-current assets.

No item of a capital nature may be purchased unless included in the adopted budget, or if unbudgeted, has been approved by "absolute majority" of Council prior to the purchase of the item. (Council has no retrospective right of approval of purchase of non-budgeted items of capital).

In order to preserve the cash flow of the Shire, major items of budgeted capital expenditure should be deferred, where possible, until the second or third quarter of the financial year. However all capital orders must be raised by the 30 April to allow adequate time for payment by June 30 of each year. In all cases, the timing of the expenditure on major items of capital should be discussed and agreed with the Deputy Chief Executive Officer.

### Orders for Goods & Services

Purchase orders must be made out and signed by authorised persons for all goods and services ordered for the Shire at the time that the order is placed. **Orders should never be raised retrospectively.**

The following staff may raise a purchase order in accordance with value procedures as previously set out in this clause to the maximum value of \$150,000. If the purchase is in excess of \$150,000 a requisition is to be authorised by the Chief Executive Officer prior to the order being issued:

1. Deputy Chief Executive Officer
2. Director Technical & Development Services
3. Manager Technical Services – Rural (road construction and plant only)

The following staff may raise a purchase order in accordance with value procedures as previously set out in this clause to the maximum value of \$30,000. If the purchase is in excess of \$30,000 a requisition is to be authorised by their supervisor prior to the order being issued;

1. Managers
2. Coordinator Property Services

The following staff may raise a purchase order in accordance with value procedures as previously set out in this clause to the maximum value of \$10,000.

1. Coordinators
2. Works Supervisor (Newman and Marble Bar)

If the purchase is in excess of \$10,000 a requisition is to be authorised by their supervisor prior to the order being issued.

Other officer's in line with relevant procedures will have authority to authorise purchases to the value of \$2,000.

#### **Light Vehicle Purchases**

The designated Fleet Officer is authorized to purchase light vehicles under \$150,000 utilising the WA State Purchasing Agreement and adhering to Council's budget decisions and Council's Light Vehicle Policy. Any vehicle incurring the luxury car tax will have to be approved by the Chief Executive Officer or the Deputy Chief Executive Officer.

#### **Consultants Services**

Services separately identified in the adopted budget to be at officer's discretion up to \$20,000.

Between \$20,001 and \$150,000 a Request For Quote procedure shall be utilised, in compliance with purchase thresholds.

A request for services, which it is envisaged, will exceed \$150,000 shall undergo the full tender process.

#### **Light Vehicle Disposals**

The preference for the disposal of light vehicles (less than \$150,000) is by public auction.

The reserve sale price is to be determined by the Manager Technical Services – Rural in conjunction with the Chief Executive Officer and/or the Director Technical and Development Services.

The following information sources will be utilised in determining the reserve sale price:

1. Valuation by the auction house.
2. Valuation from a recognised source ie: red book.
3. Internet research.
4. Past sales by auction house.

Disposals are to be completed within the same financial year, or within 3 months of receipt of a new vehicle, whichever is the sooner to maximise sales return

**Regulatory Compliance**

In the following instances public tenders or quotation procedures are exempt (regardless of the value of expenditure):

7. An emergency situation as defined by the Local Government Act 1995;
8. The purchase is under a contract of WALGA (Preferred Supplier Arrangements), Department of Treasury and Finance (permitted Common Use Arrangements), Regional Council, or another Local Government;
9. The purchase is under auction which has been authorised by Council;
10. The contract is for petrol, oil, or other liquid or gas used for internal combustion engines;
11. Any of the other exclusions under Regulation 11 of the Local Government (Functions and General) Regulations 1996 apply;
12. The purchase is under the Shire of East Pilbara Supplier Panel and is under \$30,000 exc GST.
13. The goods or services are obtained through a person registered on the Aboriginal Business Directory WA for contracts worth \$250,000 or less.
14. The goods or services are obtained through an Australian Disability Enterprise.

**REPORT PURPOSE**

For Council to consider tenders for the supply and installation of one new 630Kva Kiosk Substation and to seek approval for the Chief Executive Officer to apply the common seal of the Shire of East Pilbara to the Contact for the successful tenderer.

**BACKGROUND**

In preparation for the construction of the East Pilbara Arts Centre, load calculations were undertaken on the existing infrastructure and it was identified that the new facility would increase the power demand beyond the capacity of the existing transformer. As such negotiations commenced with the supply authority and an agreement was reached that the Arts Centre could be connected to the existing transformer on a temporary basis on the condition that the transformer be upgraded.

As part of that agreement the Shire undertook a Tender procurement process for the Supply and Installation of one new 630Kva Kiosk Substation. The Tender was publicly advertised on the 28<sup>th</sup> May, 2016. The Tender closed for submissions at 2.00pm, 22<sup>nd</sup> June, 2016.

The purpose of the Request for Tender (RFT) was to seek the services of a suitably qualified company to establish lump sum pricing to provide the Shire of East Pilbara with the supply and installation of One New 630Kva Kiosk Substation with associated infrastructure to service the East Pilbara Arts Centre located at Lot 1913 Newman Drive, Newman, WA, 6753

Therefore, the Shire of East Pilbara requires the services of a registered company to carry out electrical services work as detailed in the specification and appendices.

In general, the work consists of installing a new Kiosk Substation (PS128), on a new substation site located in the western corner of Lot 1913, Newman Drive and connecting it to the existing HV and LV infrastructure network as set out in the Appendices.

The work includes but is not limited to the following main elements:

- Preparation of the new substation site.
- A Kiosk Substation, containing HV Switchgear, Transformer, LV Switchboard and Remote Control/Monitoring Unit.
- Earthing of the substation.
- Modifications to the LV Board in existing Kiosk Substation PS82.
- HV Cables.
- LV Cables.
- Testing and commissioning
- Making good
- As Constructed drawings

The rft documentation outlined the selection criteria with the associated weights for the evaluation of the tenders as follows:

Relevant Experience	Weighting	25%
Skills & Experience of Key Personnel	Weighting	10%

### STATUTORY IMPLICATIONS/REQUIREMENTS

The requirements of the *Local Government Act 1995* and the *Local Government (Functions and General) Regulations 1996*.

### POLICY IMPLICATIONS

10.12 Purchasing and Tender Procedures:

## 10.12 Purchasing and Tender Procedures

Responsible Directorate	Technical and Development Services
Responsible Officer	Chief Executive Officer Deputy Chief Executive Officer Director Technical and Development Services
File Number	TCH 1-7

### Objective

1. To provide compliance with the *Local Government Act 1995* and the *Local Government (Functions and General) Regulations 1996* (as amended).
2. To set guidelines which must be followed when inviting tenders for works and services within the Shire.
3. To ensure consistency that purchasing activities integrate within all Shire of East Pilbara operational areas.

### Purchase Procedures

**NOTE: All Figures in this policy are exclusive of GST**

The following procedures will be adhered to when purchasing items and other goods and services as per the adopted budget. All purchase orders are to be completed as set out below.

\$0 - \$50	Under direction from the authorised supervisor, petty cash may be utilised for purchases in this range.
\$51 - \$5,000	Under direction from the authorised supervisor, a purchase order book will be utilised without quotes necessarily being obtained.
\$5,001 - \$39,999	Under direction from the authorised supervisor, a purchase or other order will be utilised and three verbal or written quotes shall be obtained.
\$40,000 - \$149,999	Under direction from the authorised supervisor, and in consultation with the Chief Executive Officer, the Deputy Chief Executive Officer and/or the Director Technical and Development Services a purchase order will be utilised and three written quotes shall be obtained. In obtaining written quotations the Council Purchasing Service shall be utilised wherever practicable.

\$150,000 & greater	Under direction from the authorised supervisor tenders will be invited as follows. If work is allowed for in the budget a request for tender form is to be submitted to the Chief Executive Officer for approval. If the work is not allowed for in the budget permission to go to tender must be obtained from Council.
---------------------	--

### Capital Expenditure

All capital purchase orders will be signed by the Chief Executive Officer, Deputy Chief Executive Officer or the Director Technical & Development Services with the exception of road construction and plant fleet which can be signed by Manager Technical Services – Rural.

Definition of a Capital Item for the purpose of the Shire of East Pilbara:

1. Any item budgeted as a capital item in the adopted budget;
2. Any item to be purchased, which involves the replacement of an existing asset through the sale, trade-in, write-off or disposal of an item on the fixed asset register.

Refer to the Accounting Policy in the Council's Policy Manual for the further treatment of non-current assets.

No item of a capital nature may be purchased unless included in the adopted budget, or if unbudgeted, has been approved by "absolute majority" of Council prior to the purchase of the item. (Council has no retrospective right of approval of purchase of non-budgeted items of capital).

In order to preserve the cash flow of the Shire, major items of budgeted capital expenditure should be deferred, where possible, until the second or third quarter of the financial year. However all capital orders must be raised by the 30 April to allow adequate time for payment by June 30 of each year. In all cases, the timing of the expenditure on major items of capital should be discussed and agreed with the Deputy Chief Executive Officer.

### Orders for Goods & Services

Purchase orders must be made out and signed by authorised persons for all goods and services ordered for the Shire at the time that the order is placed. **Orders should never be raised retrospectively.**

The following staff may raise a purchase order in accordance with value procedures as previously set out in this clause to the maximum value of \$150,000. If the purchase is in excess of \$150,000 a requisition is to be authorised by the Chief Executive Officer prior to the order being issued:

1. Deputy Chief Executive Officer
2. Director Technical & Development Services
3. Manager Technical Services – Rural (road construction and plant only)

The following staff may raise a purchase order in accordance with value procedures as previously set out in this clause to the maximum value of \$30,000. If the purchase is in excess of \$30,000 a requisition is to be authorised by their supervisor prior to the order being issued;

1. Managers
2. Coordinator Property Services

The following staff may raise a purchase order in accordance with value procedures as previously set out in this clause to the maximum value of \$10,000.

1. Coordinators
2. Works Supervisor (Newman and Marble Bar)

If the purchase is in excess of \$10,000 a requisition is to be authorised by their supervisor prior to the order being issued.

Other officer's in line with relevant procedures will have authority to authorise purchases to the value of \$2,000.

#### Light Vehicle Purchases

The designated Fleet Officer is authorized to purchase light vehicles under \$150,000 utilising the WA State Purchasing Agreement and adhering to Council's budget decisions and Council's Light Vehicle Policy. Any vehicle incurring the luxury car tax will have to be approved by the Chief Executive Officer or the Deputy Chief Executive Officer.

#### Consultants Services

Services separately identified in the adopted budget to be at officer's discretion up to \$20,000.

Between \$20,001 and \$150,000 a Request For Quote procedure shall be utilised, in compliance with purchase thresholds.

A request for services, which it is envisaged, will exceed \$150,000 shall undergo the full tender process.

#### Light Vehicle Disposals

The preference for the disposal of light vehicles (less than \$150,000) is by public auction.

The reserve sale price is to be determined by the Manager Technical Services – Rural in conjunction with the Chief Executive Officer and/or the Director Technical and Development Services.

The following information sources will be utilised in determining the reserve sale price:

1. Valuation by the auction house.
2. Valuation from a recognised source ie: red book.
3. Internet research.
4. Past sales by auction house.

Disposals are to be completed within the same financial year, or within 3 months of receipt of a new vehicle, whichever is the sooner to maximise sales return

#### Regulatory Compliance

In the following instances public tenders or quotation procedures are exempt (regardless of the value of expenditure):

7. An emergency situation as defined by the Local Government Act 1995;
8. The purchase is under a contract of WALGA (Preferred Supplier Arrangements), Department of Treasury and Finance (permitted Common Use Arrangements), Regional Council, or another Local Government;
9. The purchase is under auction which has been authorised by Council;
10. The contract is for petrol, oil, or other liquid or gas used for internal combustion engines;
11. Any of the other exclusions under Regulation 11 of the Local Government (Functions and General) Regulations 1996 apply;
12. The purchase is under the Shire of East Pilbara Supplier Panel and is under \$30,000 exc GST.
13. The goods or services are obtained through a person registered on the Aboriginal Business Directory WA for contracts worth \$250,000 or less.
14. The goods or services are obtained through an Australian Disability Enterprise.

#### 4.5 EXECUTION OF DOCUMENTS

**Minute No:** Item 9.1.3

**Date:** 27<sup>th</sup> June 2013

##### **Objective**

To allow for the proper execution of documents.

##### **Policy**

All documents validly executed will have the common seal affixed and the Shire President and the Chief Executive Officer's attestations affixing the seal. Use of the common seal is to be recorded in the common seal register and must have the Council resolution number included and the date that the seal was applied.

#### **STRATEGIC COMMUNITY PLAN**

##### **Goal 1 – Civic Leadership – Planned Actions**

The Shire of East Pilbara seeks to deliver high quality corporate governance and demonstrate accountability to its constituents. All decisions are informed by community engagement – leading to the effective allocation of the Shire's resources – that deliver optimum benefits to the community.

- 1.1 Efficient and effective local government
  - 1.1.1 Ethical, accountable and transparent decision-making  
Responsible officer: DCEO  
Timing: As appropriate

##### **Goal 3 – Economic – Planned Actions**

The Shire of East Pilbara seeks to support the economic development of its communities through the establishment of partnerships with industry, local businesses, government agencies and the tourism sector.

- 3.3 Provide adequate community infrastructure
  - 3.3.1 Ensure well managed and equitable provision of community infrastructure  
Responsible officer: MBA  
Timing: 1-5 years

#### **RISK MANAGEMENT CONSIDERATIONS**

The connection of the Arts Centre to the main power supply has pushed to total demand load of the existing transformer to its limit.

The inherent risk is the existing transformer could continuously trip causing power outages to all buildings connected to it, being the Arts Centre and the Shire's administration building. In order to mitigate the risk, the new transformer needs to be installed and a planned shutdown needs to be undertaken to change over the entire built infrastructure to the new transformer.

**FINANCIAL IMPLICATIONS**

Resource requirements are in accordance with existing budgetary allocation.

**REPORT PURPOSE**

For Council to consider increasing the annual funding to the Marble Bar Tourist Association Inc. (MBTA) and issues relating to the location of the Marble Bar Visitor Centre.

**BACKGROUND**

Since March 2011 the Shire has supported the MBTA by providing an annual donation of \$8,000. The purpose of the funding is to broadly support MBTA activities. The MBTA is an incorporated, not-for-profit association with a commitment to attracting tourists to Marble Bar and the East Pilbara Region.

The Marble Bar Visitor Centre operates from the Shire administration Building in Francis Street, Marble Bar.

There has been a lack of clarity regarding the formal operations and human resource requirements of the Visitor Centre. The existing MOU and an agenda item to Council where the MOU was endorsed is considered outdated and lacking in operational detail.

The MBTA wrote to the Shire in November 2015 seeking a “full review of operations” of the Visitor Centre. In March 2016, the MBTA wrote to the Shire again putting forward options for the operations of the Visitor Centre. A specific option that was raised in this correspondence was that the MBTA employ an “information officer” who would work alongside Shire staff to provide services to tourists during the peak tourist months. It was estimated that the MBTA would require \$30,000 to employ someone in the role.

---

The Manager Community Wellbeing undertook a review of the operations and location of the Marble Bar Visitor centre between March and June 2016. The scope of the review was narrow and only sought to look into investigate:

- The current impact of the Visitor Centre operations on general Shire functions and staffing due to its co-location in the Shire administration offices
- Any immediately viable options for moving the Visitor Centre to another location
- The functions of the proposed MBTA information officer and how this role might impact, positively or negatively on the operations of the Shire.

Four people were interviewed as part of the review:

- Ian Wray: Coordinator Community Development – Rural, Shire of East Pilbara
- Kate Fowler: Customer Services Officer, Shire of East Pilbara
- Dean Hatwell: President, MBTA
- Ann-Marie Kiernan: President, Marble Bar Community Resource Centre

The primary findings of the review were:

- Peak season for tourists visiting Marble Bar is approximately six months of the year from April to September
- Tourists regularly use the services available at the Visitor Centre
- 25 to 30 tourists a day during the peak months is not unusual. More than 60 in a day have been experienced.
- The impact on the functions of the Shire and on the Shire staff can be very significant and is certainly in conflict with Shire core duties often
- Extra staff to handle the tourists to allow Shire staff to concentrate on core duties would be welcomed by Shire staff and that through good planning, operational procedures and supervision a MBTA staff member could be accommodated comfortably
- The MBTA recognises the stressors that the Visitor Centre operations create for Shire staff
- That there is no immediately available space other than the Marble Bar Community Resource Centre that could accommodate the Visitor Centre
- That the Marble Bar Community Resource Centre was not considered a viable option due to costs incurred through rental of space and a lack of interest shown by the MBTA to move there.

### **COMMENTS/OPTIONS/DISCUSSIONS**

In light of the review findings a draft MOU was drawn up that has as its centrepiece an increase in Shire funding to the MBTA to \$30,000 to be primarily used to employ an information officer for 5 hours a day, Monday to Friday between March and September. The MOU also specifies duties that the information officer would be responsible for while on duty that would significantly reduce the impact that tourists currently have on Shire staff.

The MOU also specifies responsibilities of the MBTA in the months that the information officer is not employed that will furthermore reduce the impact of the Visitor Centre operations on Shire staff.

Broadly the MOU reverses the onus of the Shire running the Visitor Centre and hands that responsibility back to the MBTA. The draft MOU is a wholesale change from the existing one and it is accordingly copied below.

The draft MOU was considered at a special meeting of the MBTA on the 1 August 2016 and was unanimously endorsed by their Committee.

The MOU is only for a term of one year. Due to the significant changes the extra funding will bring if the recommendation is endorsed, it is important that the first year is seen as a trial period to determine the sustainability of the co-located activities and staffing into the future.

### REPORT PURPOSE

To provide to Council a summary of the findings of the 2016 Shire of East Pilbara Community Satisfaction Survey.

### BACKGROUND

Research Solutions (WA) PTY LTD was contracted in April 2016 to undertake the Shire's annual community satisfaction survey.

### COMMENTS/OPTIONS/DISCUSSIONS

The following commentary is quoted from the Executive Summary of the Research Solutions Community Satisfaction Survey Report with some notes added that identify statistical comparisons with last year's survey results.

It should be noted that some changes were made to this year's survey with variances in the number and nature of questions asked. This means that in some instances comparisons with last year's results cannot be made.

#### Study Objectives

The specific objective of the study has been to develop, implement and report on a community survey that:

- Measures resident satisfaction with the Shire overall;
- Identifies the relative importance and satisfaction with services and facilities provided by the Shire;
- Identifies additional services and facilities required; and
- Identifies problems or areas of concern.

#### Study Method and Approach

Using a questionnaire designed in consultation and approved by Shire representatives, the survey was conducted via a hybrid approach that incorporated:

- Interviews by telephone;
  - Face to face interviews, conducted at the airport and in the town sites of Newman, Nullagine and Marble Bar; and
-

- The availability of the questionnaire online, via the Shire's Facebook page and website.

A total of **291 respondents** completed the survey (similar to 2015 where there were 298 respondents), comprised of a mix of permanent residents from across the Shire and town site based (residential or camp) fly in/fly out residents.

### **Key Findings**

#### **Overall Performance Indicators**

The Shire's Key Performance Indicators include satisfaction with the Shire overall and satisfaction with the services provided by the Shire.

This year, around 2 in 3 residents (65%) indicated that they were generally satisfied (rating score of 6 or more out of 10) with the Shire overall and the services it provides. This is up from 59% last year.

Around 1 in 2 residents (47%) agree or strongly agree that the Shire is efficient and well managed, a further 27% are undecided and 26% disagree.

#### **Shire Services and Facilities**

A total of 12 individual services and facilities provided by the Shire were assessed by residents in terms of both importance and satisfaction.

The combination of importance and satisfaction scores has enabled the development of a matrix, listing:

#### **Star Performers:**

Services and facilities that are important (score of 8-10 out of 10) to 80% or more of residents and where 50% or more are satisfied with provision (score of 8-10/10):

- Aquatic Centres
- Tips and Refuse Sites
- Parks and Ovals
- Footpaths

#### **Priority Areas:**

Services and facilities that are important (score of 8-10/10) to 80% or more of residents and where less than 50% are satisfied with provision (score of 8-10/10):

- Roads
- Children's Services
- Oval lighting in Newman
- Services for Young People

**Areas to Monitor:**

All other services and facilities measured that do not fall into the categories above  
The matrix is as follows for results recorded in 2016:

- Libraries
- Airport Services
- Fitness Centres
- Ranger Services

**The Shire as a Place to Live**

Living in the Shire is viewed positively, with 65% of residents feeling that the quality of life afforded in the Shire of East Pilbara is either good or excellent. This compares with 66% last year.

Most residents feel that quality of life in the Shire has remained either the same (60%, up from 47% last year) or improved (16%, down from 24% last year) over the last 12 months, with the remaining 25% feeling that it has deteriorated, down from 28% last year.

**Shire Amenity and Community Values**

More than 3 in 4 residents (77%) like living in the Shire and 79% feel that it is accepting of people from diverse cultures and backgrounds.

66% of residents feel connected and a part of the community and a similar proportion (64%) are proud to say that they live in the Shire and feel that they can afford to live comfortably (63%).

57% of residents feel that there is always something to do or activities to participate in around the Shire.

**Community Inclusion Activities**

Around 2 in 3 residents currently feel that the Shire actively encourages members of the indigenous community (67%) and people from non-English speaking backgrounds (67%) to feel included.

57% believe that inclusion opportunities are provided for teenagers and young adults and 52% for people with physical disabilities. Only 37% of residents feel that the Shire actively encourages inclusion for people with behavioural issues, mental disabilities or mental health issues.

**Community Events and Activities**

Residents are generally satisfied with the number (67%) and type of events (65%) held across Shire each year. Australia Day Celebrations, the Newman Triathlon, NAIDOC week and the Outback Fusion Festival achieve the strongest levels of awareness and attendance across the Shire. Last year 78% of respondents said that they thought Shire run events were either "Good" or "Very Good".

**Shire Communications**

Residents generally find out about Shire activities and events from other residents (67%, up from 28% last year), followed by various Facebook pages (57%, up from 36% last year), including the Shire's page (39%, with no comparative data). More

traditional forms of communication follow these, including the Newman News and the Council website.

**Advocacy: Making the Shire a better place to live**

92% of residents, (marginally up from 90% last year), would like the Shire to continue advocating to the State and/or Federal Government to improve health and medical services across the Shire.

This is followed by advocacy to improve services for young people (64%, up from 50% last year) and the provision of additional retail opportunities throughout the Shire (43%, down from 48% last year).

**Concluding Comments**

Overall, this study has provided the Shire with a strong **BENCHMARK** from which to monitor satisfaction levels in the future.

At present, the Shire is perceived as a **good place to live** and thoughts regarding this haven't changed significantly for a couple of years.

**Around 2 in 3 residents are satisfied with the Shire's performance overall and the services it provides.**

The **performance of the Shire** in providing what are perceived to be essential facilities and services like parks and ovals, footpaths, aquatic centres and tips and refuse sites is currently very strong and needs to be applauded across the organisation.

Areas where additional focus may be required include:

- **Roads** – this could include potentially communicating to residents the works program associated with roads across the Shire as well as which roads “belong” to which tier of government
- **Services for young people** – where keeping existing facilities operating as well as expanding facilities like the Skate park are suggested improvements
- **Children's Services** – where additional school holiday and before and after school care programs are sought
- **Oval lighting in Newman** – where residents feel that taking further advantage of this facility requires lighting around and to the oval to increase perceptions of safety as well as additional monitoring of anti-social behaviour

**Telling people** about what the Shire is doing is potentially **as important** as actually doing it. Residents are telling us that they are increasing relying on Facebook pages to find out about Shire events and activities. Further pursuing this strategy as a means of communicating with residents in the future may therefore be beneficial. In addition, actively informing FIFO/DIDO residents of the Facebook page, potentially with an incentive to encourage “likes and follows” may also assist in keeping this segment of the community better informed regarding Shire events and activities.

Residents would also like to see the **Shire continue to actively lobby** the State and/or Federal Government for improved health and medical facilities and services as well as facilities for young people and additional retail opportunities throughout the Shire. The Newman Revitalisation Project may assist in this area, particularly in relation to entertainment and activities for young people and additional retail services.

Again, it is important to keep residents informed regarding initiatives and advocacy activities and the Facebook page may provide one of the best avenues for this purpose.

### REPORT PURPOSE

For council to consider and make decisions on the Community Assistance Grant funding applications for Round 1 of the 2016/2017 financial year.

### BACKGROUND

The Shire of East Pilbara's Community Assistance Grants and Sponsorships are designed to promote community development and wellbeing within the East Pilbara local government area.

Grants are available for not-for-profit organisations involved in arts, culture, sports, recreation and social services. Limited support is also available to local educational institutions.

Applicants must fit one of the following categories.

1. A not-for-profit community organisation providing a community service within the East Pilbara region where there is a demonstrated community need or benefit
2. An educational institution in the East Pilbara for award presentations only
3. A sporting association to assist with club development (eg. Coaching courses, governance training and or grant writing courses)
4. An organisation involved in cultural development within the East Pilbara

Applications for the Community Assistance Grant Number Three (3) can be made by clubs and community groups twice per year. Round One (1) opens on the 1st of July and closes on the 31st July and applications are assessed at the next scheduled Council Meeting. Round Two (2) opens on January 1st and closes on January 31st and applications are assessed at the next scheduled Council Meeting. Each application is eligible for a grant of up to \$6,000 in cash or in-kind contributions.

### COMMENTS/OPTIONS/DISCUSSIONS

This round, the Shire received seven (7) applications from community groups and sporting clubs, all of which are based in the East Pilbara. All seven (7) applications met the Shire's Community Assistance Grants eligibility criteria. Details are as follows:

---

Applicant Organisation	Met Criteria (Yes/No)	Amount Sought	Comment/Description
Pioneers Football Club	Yes	\$6,000	Cash contribution for urgent electrical works and refurbishment of the club.
Newman Community Baptist Church	Yes	\$2,500	Cash contribution towards sound and lighting for the 2016 Christmas Carol Celebrations.
Newman Taekwondo and Hapkido Club	Yes	\$5,000	Cash contribution towards referee training and attendance at WA Northwest Taekwondo Hanmadang.
Newman Bowling Club Inc.	Yes	\$5,841	Cash contribution for the purchase of indoor bowling mats.
Newman RSL Sub Branch	Yes	\$6,000	Cash contribution towards the Newman RSL / William Lynas Club patio renovation.
Newman Amateur Swim Club	Yes	\$6,000	Cash contribution towards the Pilbara Championships costs.
Marble Bar Community Resource Centre	Yes	\$4,500	Cash contribution towards materials for the Marble Bar Community Resource Centre cyclone fencing Project.
<b>TOTAL</b>		<b>\$35,841</b>	

A summary of each application follows.

<b>Target Group of project outcome</b>	Users of the Pioneers Football & Sporting Club, including members, spectators and local companies who hire the venue.				
<b>Description</b>	The project is to make the facilities at the club safe and comfortable for all users. The main electrical distribution board will be replaced, as it has been deemed non-compliant to AS3000 and is a genuine fire hazard. The kitchen and bathrooms have been in need of a refurbishment for some time, so the club will take the opportunity to upgrade these facilities too. Currently the club has to bring cooking equipment in when required, as the kitchen equipment is inadequate. The cabinetry in both the bathroom and kitchen is falling apart and the tiling is falling away and/or broken in both the bathrooms and kitchen.				
<b>Benefit to East Pilbara Community</b>	Safe and comfortable use of the facilities for all users, including junior and senior football, netball, touch rugby, cricket and softball players; boxing classes; dance company classes; and their families and spectators.				
<b>Purpose of Grant</b>	The purpose of the grant is to partially cover the contractor's costs - labour and materials, including tiling, cabinetry and cooking equipment.				
<b>Acknowledgement of SOEP</b>	Signage will be placed around the club; social media acknowledgements will be made; and verbal acknowledgments will be made at appropriate events.

<b>Target Group of project outcome</b>	The entire Newman community is invited to 2016 Newman Community Christmas Carols.			
<b>Description</b>	The Christmas Carols have been facilitated by the churches of Newman for a number of years and in 2016 the Baptist Church will be organising the event. This grant enables the Newman Baptist Community Church to hire a sound and lighting company to deliver quality services on the night. In 2014 the Newman Baptist Community Church hired ROCKWEST to do the sound and lighting and there was an overwhelming response from the community about the quality of the night – particularly because of the lighting and sound.			
<b>Benefit to East Pilbara Community</b>	The Christmas Carols is an all-inclusive event and will be a celebration for the whole community.			
<b>Purpose of Grant</b>	The grant seeks to cover ROCKWEST's sound, lighting and associated costs.			
<b>Acknowledgement of SOEP</b>	Verbal and social media acknowledgement, plus ensuring the SoEP logo is present on all promotional material.

<b>Description</b>	Newman Bowling Club Inc is a community-based sporting club, facilitating bowls functions for corporate and social groups. The club has over 35 year's involvement with the Newman community. The project plans to bring the sport of Indoor Bowling to Newman residents at the Boomerang Senior Sports Pavilion.		
<b>Benefit to East Pilbara Community</b>	Indoor Bowling is an exciting venture for the Newman Bowling Club. It will allow players to enjoy the sport, regardless of the weather.		
<b>Purpose of Grant</b>	The purpose of the grant is to cover the cost of the indoor bowling mats.		
<b>Acknowledgement of SOEP</b>	Verbal acknowledgements and media articles, for instance the Northwest Telegraph, the local newspaper and social media.		

<b>Name of organisation</b>		<b>Returned &amp; Services League of Australia Newman Sub-Branch</b>

<b>Target Group of project outcome</b>		Users of the William Lynas Club.			
<b>Description</b>		The project is to renovate the William Lynas Club patio, replacing warped and buckling plywood flooring and to extend the outdoor area. The new decking will be more durable and long-lasting, being made of composite decking. The extra investment in composite decking now will ensure the decking will not need to be replaced for at least ten (10) years.			
<b>Benefit to East Pilbara Community</b>		This renovation will enable the safe use of the William Lynas Club facilities for all users – Defence and RSL personnel; community users such as WAPOL, SES, Newman Primary and High Schools and YMCA; and the general public, when the RSL host public visitors on ANZAC Day and following other commemorative events.			
<b>Purpose of Grant</b>		The grant will partially cover the cost of materials, including decking and steel.			
<b>Acknowledgement of SOEP</b>		Acknowledged on printed materials, social media announcements and verbally acknowledged at appropriate functions at the venue.

<b>Target Group of project outcome</b>	Approximately 250 competitors in the Pilbara Championships, their support families and spectators.			
<b>Description</b>	The project is to host the Pilbara Championships in Newman in November 2016. 10 swimming clubs from across the Northwest will be in attendance to compete in the prestigious, Swim WA-sanctioned, meet.			
<b>Benefit to East Pilbara Community</b>	The event is an opportunity to showcase Newman and will draw hundreds of people to town for the meet weekend. The event is an opportunity for the Newman swimming community to connect with other regional communities.			
<b>Purpose of Grant</b>	The purpose of this grant is to partially cover the flight, accommodation and food costs incurred in bringing in approximately 6 officials from around WA.			
<b>Acknowledgement of SOEP</b>	Shire acknowledgements will be signage around the complex; Shire logo on the events program; verbal acknowledgements by announcement throughout the weekend; and media articles post-event.

<input type="checkbox"/>	<b>Organisations involved in cultural development within the Shire of East Pilbara</b>		
<b>Target Group of project outcome</b>	Marble Bar Community Resource Centre users, including tourists.		
<b>Description</b>	The project is to replace the existing old fence, which covers only one third of the fence line, with a new cyclone fence that will run the whole perimeter of the property (approximately 100 metres).		
<b>Benefit to East Pilbara Community</b>	The new fence will improve the property and provide protection for the Marble Bar community garden when the town boundary fence comes down after flooding. The fence will also protect the garden from damage caused by cattle.		
<b>Purpose of Grant</b>	The purpose of the grant is to cover the cost of fencing materials. Fencing labour will be provided by community organisations and members.		
<b>Acknowledgement of SOEP</b>	Acknowledgement of the Shire's contribution will be made via external signage (one fixed, one sandwich board); verbal acknowledgement at any official Community Garden event; articles in the Marble Bar Nullagine Mirage; and on social media.		

The overall Community Assistance Grant budget for 2016/17 is \$60,000. Approximately \$11,000 of the total amount needs to be set aside for the smaller Grant 1 and Grant 2 programs that are open year-round and approved by the CEO. The balance of \$49,000 then needs to be halved, to accommodate the two Grant 3 rounds approved by the full Council. This means there is approximately \$24,500 for each of the two rounds.

The total amount sought for Round 1 of the 2016/17 financial year is \$35,841, which is \$11,341 over the Round 1 budget. Accordingly a means was developed to put to Council a set of recommendations that ensured budget limitations were not exceeded.

Each of the Round 1 applications have been individually assessed against the eligibility criteria to assist the decision making process. As noted earlier they are all eligible for funding. Additionally, other factors have been taken into account to determine a recommendation specific to each application. These include the potential scale of the benefit or the value for money, the capacity to run the program or event if only a portion of the requested amount was granted and the perceived risk of program failure or funding acquittal compliance based on the applicant's reliance on other sources of income. Accordingly, the following recommendations have been made taking these factors into account.

Organisation	Requested	Recommended	Comment
<b>Pioneers Football Club</b>	\$6,000	\$5,000	Electrical board replacement is a priority. The full refurbishment has large, fixed costs, however the grant value can be reduced and the project will proceed, with a reduced scope.
<b>Newman Community Baptist Church</b>	\$2,500	\$1,500	Event benefits the community; the benefit is not significantly increased compared with using local sound production services. Grant value can be reduced to match a local sound production services supplier costs.
<b>Newman Taekwondo and Hapkido Club</b>	\$5,000	\$4,000	Grant value can be reduced and the project will proceed, with additional fundraising.
<b>Newman Bowling Club Inc.</b>	\$5,841	\$0	Chosen location at Boomerang Pavilion is not fit for proposed purpose and it is the Officer's considered opinion that there is a lack of business planning associated with the proposal. Shire is proposed as the major contributor to the program, and accordingly the proposal is considered a risk. See further notes below.
<b>Newman RSL Sub Branch</b>	\$6,000	\$5,000	Decking replacement is a priority. Project has large, fixed material costs. However, the grant value can be reduced and the project will proceed, with a smaller deck size or increased fundraising.
<b>Newman Amateur Swim Club</b>	\$6,000	\$5,000	Important swim meet that will bring people into Newman from other regions. Grant value can be reduced and the project will proceed, with additional fundraising.
<b>Marble Bar Community Resource Centre</b>	\$4,500	\$4,000	High fixed costs for materials only, with labour provided by the community.
<b>TOTAL</b>	<b>\$35,841</b>	<b>\$24,500</b>	
<b>Budget</b>	<b>\$24,500</b>	<b>\$24,500</b>	
<b>Balance</b>	<b>\$11,341</b>	<b>\$0</b>	

Councillors will note that the Newman Bowling Club Inc. is the only applicant that has not been recommended for funding. There are a number of reasons for this. The primary reason is that an internal investigation determined that the playing area in Boomerang Pavilion is too small to accommodate the indoor bowls carpet (9.1 metres long x 1.8 metres wide). The playing area is only 11.4 x 8.6 metres. This means there is virtually no circulation space for the number of players anticipated.

There is also considerable concern for safety and damage as the club proposes to sell alcohol and there is a considerable amount of glass in the Boomerang Pavilion. The Manager Assets and Procurement has been approached with these details and expressed on available information that he would not approve the venue for that type of use.

### REPORT PURPOSE

1. For Council to delete policy 1.18 Occupational Health and Safety Policy (OH & S) from the Staff Procedures Manual and bring it back to the Policy Manual as per the auditors risk improvement plan recommendation.
2. For Council to accept a minor change to Policy 10.9 Regional Price Preference Policy: Paragraph 2 under the sub heading Policy: replace Shire of Roebourne with City of Karratha and replace Ashburton with Shire of Ashburton

### BACKGROUND

1. Following an audit conducted in June 2016, Moore Stephens issued the Shire of East Pilbara a Report on a review of risk management, legislative compliance and internal controls in July 2016. The report recommends that the OH & S Policy be deleted from the Staff Procedures Manual and be brought back to the Policy Manual.
2. The Shire of Roebourne was renamed the City Of Karratha, hence the policy is being amended accordingly. The removal of the word Shires requires that the word Shire be added to Ashburton

### COMMENTS/OPTIONS/DISCUSSIONS

1. The Shire of East Pilbara is committed to promoting Occupational Health and Safety (OH & S) as an important element of staff discipline. To ensure Council's commitment to the OH & S policy as per the auditor's recommendation, the policy must be recorded in the Policy Manual and incorporated into the formal induction procedure for staff.
2. In line with the name change from the Shire of Roebourne to the City of Karratha, the policy is being amended accordingly.

**9.3.2 PROPOSAL TO EXCISE PORTION OF MARBLE BAR COMMON RESERVE  
2906 FOR TOURISM AND RECREATION**

---

**REPORT PURPOSE**

To consider whether to progress with excise of a tourism and recreation reserve from the Marble Bar Common as resolved in 2013, due to unexpected high costs associated with survey of the planned boundaries.

**BACKGROUND**

At its Ordinary Meeting held on 19 April 2013, Council resolved to request the Minister for Lands to reserve a 258ha portion of the Marble Bar Common (Reserve 2906) for the purposes of 'Tourism and Recreation'. This resolution was the culmination of a process to provide an area for public prospecting that dates back to 1992. The area of land in question is referred to as 'Special Category S19/40'.

*Plan showing location of Special Category S19/40 Area in relation to Marble Bar.*

A copy of the Officer Report and Resolution from 2013 is attached.

Council's request was subsequently forwarded to the Department of Lands for finalisation. As a part of the process of creating the new reserve, a land survey by a Licensed Surveyor is required. The costs associated with the survey are borne by the Shire as the requesting authority. A quotation has been provided by MNG Surveyors totalling \$35,600 plus GST. This cost was not anticipated when Council considered the matter in 2013.

In addition to the high cost in surveying the proposed reserve, it is unclear as to what the value of reserving the land for tourism and recreation would add to public access and enjoyment. This is due to the land already being managed by the Shire as part of the Marble Bar Common and being accessible to the public. Currently, any person holding a \$25 Miner's Right can fossick on the site as it has been excluded from the ability for a party to apply for a mining lease or tenement over the Special Category S19/40 land.

### **COMMENTS/OPTIONS/DISCUSSIONS**

There are two main options available to Council:

1. Continue with the reservation process by allocating funds for the survey to be conducted; or
2. Not continue with the reservation process and advise the Department of Lands accordingly.

Shire officers have consulted with the Department of Mines and Petroleum (DMP) regarding the future tenure of the land. DMP advises that the current reservation of "Common" allows holders of a Miners Right automatic access to the site. Changing the reserve purpose to anything other than "Common", "Public Purposes" or "Mining" removes this automatic right of access. Should the reserve purpose be changed as previously resolved to "Tourism and Recreation", this automatic right of entry will cease, requiring every person wishing to fossick to obtain written permission from the Shire each time. Shire officers consider this an onerous and unnecessary process given that the land is not used by, or abuts, any other land use that would be affected by retaining unfettered access.

The DMP has advised that the current Special Category exemption will remain in place indefinitely, although this may be subject to review at some point in the future. Any review of the exemption will include liaison with the Shire given the initial request for the Special Category was made by Council.

Shire officers recommend Option 2 given the high cost of survey (\$35,600 plus GST) and the implication that the reservation change would have on public access to fossick on the site.

### **STATUTORY IMPLICATIONS/REQUIREMENTS**

Council's 19 April 2013 resolution was based upon the information available at the time. When making the request to the Minister for Lands, Council was unaware that there would be a significant financial implication. Given that new information is now available that may change Council's position, formal revocation of the 2013 resolution is not required in the event Council wishes to not proceed with the reservation.

## **POLICY IMPLICATIONS**

Nil

## **STRATEGIC COMMUNITY PLAN**

### **Goal 3 – Economic – Planned Actions**

The Shire of East Pilbara seeks to support the economic development of its communities through the establishment of partnerships with industry, local businesses, government agencies and the tourism sector.

3.1 Business diversification and promotion

3.1.3 Encourage tourism

Responsible officer: DCEO

Timing: 1-5 years

## **RISK MANAGEMENT CONSIDERATIONS**

There is no increase in risk by not creating a stand-alone reserve over the Special Category Area. Conversely, the implication of a reserve purpose that requires the Shire to give written approval to each person wishing to access the reserve for fossicking may increase risk attributed to administrative error.

## **FINANCIAL IMPLICATIONS**

There are no current resources allocated, will need to be considered as part of next budgetary process. Should Council wish to continue with the creation of a separate reserve for the site, \$35,600 plus GST will need to be allocated in a future Budget Review.

## **VOTING REQUIREMENTS**

**THAT Council:**

1. Advise the Department of Lands that it no longer seeks the creation of a reserve for "Tourism and Recreation" over the Special Category S19/40 land, Reserve 2906, Corunna Downs Road, Marble Bar, due to the high costs associated with its creation and the effect reservation for this purpose will have on unfettered access to the land currently enjoyed by holders of a Miner's Right.
2. Request the Department of Mines and Petroleum leave in place indefinitely the current Special Category S19/40 over portion of the Marble Bar Common Reserve 2906 to maintain unfettered access by holders of a Miners Right as intended by the initial request made by Council in 1992.

**REPORT PURPOSE**

For Council to consider relinquishment of a 3.76ha portion of the Newman Racecourse Reserve to allow the land to be leased to Fortescue Minerals Group as part of its Pilot Plant operation.

**BACKGROUND**

On 26 August 2011, Council resolved to grant planning approval for a "Pilot Plant, Workshop, Laboratory and Drum Storage facility" on a portion of Reserve 39519 (Newman Racecourse Reserve). A "Pilot Plant" is a facility for the loading, washing, screening and fines treatment of ore samples prior to testing. It includes office, laboratory, drop tower and workshop areas associated with ore sampling and testing. The Pilot Plant and associated facilities have operated from the site since late 2011. In addition to reserve Lot 552, the facility is partly located on freehold Lot 70, which has planning approval for office space and accommodation granted in 2008.

A copy of the 2011 Officer Report is attached as a confidential attachment as the matter was considered as a confidential matter behind closed doors.

As part of its 2011 resolution, Council instructed staff to commence negotiations on a 21 year lease to Fortescue Metals Group Limited (FMG), subject to fair and reasonable terms being negotiated. In October 2011, Council amended the terms of the lease to be 10 years + 5 years + 5 years. Negotiations for a lease have continued between the Department of Lands and the Shire over time, with the delay attributed to a range of factors including a change in the land area to be leased, awaiting the finalisation of rezoning of the land and changes in state government assessment processes.

Shire officers have approached the lease agreement from the perspective that any outcome should have a benefit to the community and not impose costs or risk onto the Shire. During the process, it became apparent that the Department of Lands would not support the Shire leasing the land directly to FMG under the existing

---

reservation purpose of “Racecourse”. This objection was based on the proposed lease was commercial in nature and the use was not associated with the vested purpose of the reserve. An alternative approach was investigated that would have excised the land from the racecourse reserve, with the parcel then leased by the Department of Lands to the Shire, which would then enter into a sub-lease with FMG. After further investigation, including valuation of the lease amount that the State would charge, it became apparent that there would be no benefit to the Shire or the community of this approach. Further, the Shire holding the head lease would expose the community to possible financial costs in the event that the sub-lease did not eventuate, or was cancelled early. Another risk of the Shire holding a head lease relate to ensuring that the land is returned to the State uncontaminated at the end of the lease period. Given that the Shire has no operational management of the land, requiring it to be responsible for ensuring the land was uncontaminated may expose the community to future costs.

The approach that has now been identified will see FMG entering into a lease directly with the Department of Lands without the need for Shire involvement. This will require Council to formally relinquish the management order over the portion of land shown below:

*Area of land to be relinquished from Reserve 39519*

The area to be excised from Reserve 39519 is identified as Lot 552 on Deposited Plan 407496, which is attached. The two land parcels of Reserve 39519 which will remain managed by the Shire are identified as Lots 550 and 551 on the same deposited plan.

### **COMMENTS/OPTIONS/DISCUSSIONS**

Lot 552 is used exclusively by FMG as part of its operations. Excision of the land will not affect the racecourse, go-kart and jet boat leases over the reserve.

It is noted that the boundaries of Special Use Zone No. 16 placed over the Pilot Plant do not correspond fully with the proposed excision area. This was caused by an increase in the land required by FMG for the Pilot Plant occurring after finalisation of the rezoning. The zone boundaries will be rectified by future Local Planning Scheme No.5, with preparation of the document due to commence in late 2016.

Relinquishment of Lot 552 is supported by Shire officers on the grounds that a direct lease between the Department of Lands and FMG is the simplest method to provide security of tenure as envisaged by Council's 2011 resolution. The direct lease approach is further supported given that the Shire will not be exposed to any financial or regulatory risk. At the end of the lease period, the leaseholder will be responsible for rehabilitation of the land, at which point a future Council may wish to consider re-amalgamation into the racecourse reserve.

### **STATUTORY IMPLICATIONS/REQUIREMENTS**

Section 50 of the Land Administration Act 1997 provides for a management body to agree to a management order being revoked. Revoking the management order over Reserve 39519 will allow for Lot 552 to be removed from the remainder of the Reserve. A new management order will then be issued to the Shire in accordance with section 46 of the Act for Lots 550 and 551. It is recommended that the vested purpose of the reserve be expanded from "Racecourse" to "Racecourse and Recreation" to reflect the uses on the reserve currently.

To allow Lot 552 to be relinquished, the Shire will need to complete a Statutory Declaration in regards interests and possible contamination of the portion of land to be excised. This matter will be dealt with administratively and does not require formal Council resolution. It is noted that any contamination on Lot 552 is highly likely to be associated with the Pilot Plant operation. Legal advice will be obtained to ensure that the Shire does not become liable for any future remediation costs.

### **POLICY IMPLICATIONS**

Nil.

### **STRATEGIC COMMUNITY PLAN**

#### **Goal 3 – Economic – Planned Actions**

The Shire of East Pilbara seeks to support the economic development of its communities through the establishment of partnerships with industry, local businesses, government agencies and the tourism sector.

- 3.1 Business diversification and promotion
  - 3.1.1 Provide support for established and emerging business bodies and local businesses  
Responsible officer: DCEO  
Timing: 1-5 years
  - 3.1.2 Build a thriving and diverse economy  
Responsible officer: DCEO  
Timing: 1-5 years

**RISK MANAGEMENT CONSIDERATIONS**

Excision from the reserve to allow a direct lease between the Department of Lands and FMG removes any risk to the Shire that may be caused by remaining responsible for the land or by being the holder of a head lease.

**FINANCIAL IMPLICATIONS**

No financial resource impact. All costs associated with excise of Lot 552 from Reserve 39519 will be borne by FMG as the party requesting the land.

**VOTING REQUIREMENTS**

Simple.
