#### REPORT PURPOSE

To consider correspondence received from the Local Government Advisory Board regarding the "Eight Year Ward" and to consider what action should be taken.

#### BACKGROUND

Correspondence has been received from the Local Government Advisory Board regarding a review of the current ward and representation structure. (Copy attached).

The previous review was undertaken in 2006 at which time the Advisory Board agreed to leave the wards and representation numbers.

The election ratio at the time of the October 2013 election were as follows.

Ward	Number of Councillors	Number of Electors	Councillor to Elector Ratio	Current Councillor
Central	1	172	172	Cr Dean Hatwell
East	1	366	366	Cr Kevin Danks
Lower Central	1	131	131	Cr Bidy Schill

## STATUTORY IMPLICATIONS/REQUIREMENTS

Schedule 2.2 of the Local Government Act 1995 refer to the requirements for and the form of a ward structure review.

### 2.2. Districts may be divided into wards

- (1) The Governor, on the recommendation of the Minister, may make an order —
  - (a) dividing a district into wards; or
  - (b) creating new wards in a district that is already divided into wards; or
  - (c) changing the boundaries of a ward; or
  - (d) abolishing any or all of the wards into which a district is divided; or
  - (e) as to a combination of any of those matters.
- (2) For the purposes of this Act —
  - (a) an order that divides a district into wards is to be regarded as establishing a ward system for the district; and
  - (b) an order that abolishes all of the wards into which a district is divided and does not create new wards, is to be regarded as discontinuing the ward system for the district.
- (3) Schedule 2.2 (which deals with wards and representation) has effect.
- (4) The Minister can only make a recommendation under subsection (1) if the Advisory Board has recommended under Schedule 2.2 that the order in question should be made.

#### REPORT PURPOSE

To authorise unbudgeted expenditure for the replacement of motor vehicle sold at public auction in April 2014.

#### BACKGROUND

Council budgeted for the changeover of the Martumili Landcruiser Troop Carrier 4WD (Asset No 111423B) during 2013/14. The vehicle was sold at public auction during April 2014 however no replacement was purchased prior to the end of the financial year. The budgeted replacement cost was \$80,000 and instead of being carried forward into the new Annual Budget 2014/15, the unused funds were incorporated within the end of year transfer to the Martumili Operations Reserve Fund. A budget allocation is now required within this financial year to authorise expenditure on this capital purchase.

#### COMMENTS/OPTIONS/DISCUSSIONS

Upon Council's authorisation, \$80,000 will be transferred back from the Reserve Account to the Municipal Fund and purchase of replacement vehicle sanctioned. Because of this transfer between funds there will be no effect on the Surplus/Deficit account.

#### REPORT PURPOSE

For Council to consider endorsing further investigation into the Shire taking over the running of the Newman Community Library from the Pilbara TAFE.

#### BACKGROUND

In 1985 the Shire of East Pilbara and Hedland College entered into an agreement for the establishment and operation of a joint library facility. Council paid 72% of the cost of the construction of the building, Hedland College paid 28%. The ownership and operation of the building would be retained by Hedland College, with a 50% contribution of total costs being distributed three times a year by the Council to the College. This licence is up for renewal 22<sup>nd</sup> October 2016 (attached).

#### COMMENTS/OPTIONS/DISCUSSIONS

A brief discussion with previous management of Hedland College was had two years ago regarding the possible transfer of the facility to the Shire. No further discussion was entered into at that time. Officers at the Shire recently requested advice from the Pilbara Institute regarding the future direction of the library and this has prompted the receipt of correspondence from the Pilbara Institute (attached) regarding the "transfer of the library operations entirely to the East Pilbara Shire Council".

As a significant amount of investigation would need to be carried out regarding any transfer, necessitating time and resources expended, officers require a direction from Council regarding this request.

**REPORT PURPOSE**

To seek Council's endorsement of the reports into Youth and Family & Children's Services Delivery for both Nullagine and Marble Bar.

**BACKGROUND**

**At the 27<sup>th</sup> June 2014 Council Meeting Council resolved:**

***To "endorse the Youth, Family and Children's plan for Newman and approve the documents be advertised for public comment."***

**COMMENTS/OPTIONS/DISCUSSIONS**

Both reports were subsequently advertised for public comment. Nullagine Family, Children and Youth Report received not submissions.

The Marble Bar Family, Children and Youth Report received one submission via a public meeting of which 12 people attended. A copy of this submission is attached. The sentiment of the submission is somewhat negative to the report. A response to this submission was sought from the Consultant, Neil Noelker Consulting, and is also attached. Minutes from the two community meetings held in Marble Bar and referred to in the response from Neil Noelker Consulting together with the CRC government reform paper are also attached.

Mr Noelker's response again significantly revolved around the CRC model to deliver necessary services that were determined within the report. Officers believe that together with the report, the minutes of community meetings and the preliminary findings, issued under separate cover, a significant amount of information has been determined that will benefit the Marble Bar community. The endorsement of these reports can be used as a tool for lobbying as well as Council direction of resource expenditure

---

**REPORT PURPOSE**

To inform Council of a proposed development to initiate the development and construction of office and associated accommodation space in Newman with the Shire of East Pilbara undertaking the initial investigation, business planning and development.

**BACKGROUND**

As growth continues in the Newman town centre, concerns about the availability of office space and businesses continue as an issue.

In many cases businesses find it difficult to establish and provide an appropriate level of service for the Newman community due to the lack of office space available. There is anecdotal evidence of businesses conducting their services out of motel rooms in order to provide a service to the Newman community.

Council has an opportunity to purchase an 1152 square metre allotment which has received preliminary approval from the Minister for Regional Development Lands and the Minister Assisting the Minister for State Development for the purchase of a portion of the Reserve 38510 (the old tennis court site) to enable proposed offices and accommodation to be developed.

The conditional title having being approved in principle for the sale of this land to the Shire of East Pilbara is for 5% of the current unimproved market value (\$40,000) in recognition this development provides community benefit for Newman and conditional on being provided with a Business Plan.

Part of the approval is for the Shire of East Pilbara to undertake the project so that the Minister may proceed with the sale of the property and ultimate construction of the facility.

**COMMENTS/OPTIONS/DISCUSSIONS**

The purpose of this report is to undertake the necessary assessment through the Business Plan for this project in order for it to be submitted and approval given by the Minister for the sale of land to the Shire of East Pilbara.

---

The purchase of this land at 5% of capital value enables Council to very realistically undertake an assessment to provide the office space and accommodation within what would appear could be a very reasonable cost of development.

Attached for Council's consideration is the Business Case which supports the development of the Business Plan which was required by the Minister.

#### REPORT PURPOSE

To seek Council approval to adopt new Fees and Charges for shared staff accommodation located at Newman Airport.

#### BACKGROUND

The Shire of East Pilbara has a unit located at the Newman Airport, which could accommodate two single staff members. The unit has two bedrooms each of which include a private ensuite, and the communal area comprises of a lounge, dining, kitchen, laundry and external area.

We have provided staff with shared accommodation dwellings in the past on a short term basis.

#### COMMENTS/OPTIONS/DISCUSSIONS

The proposed new fee provides the Shire with greater flexibility to provide additional staff accommodation options to attract and retain employees

The Shire of East Pilbara currently charges staff the rental amount of \$90.00 per week for unfurnished accommodation, excluding power and water consumption.

The proposed rental rate per person for shared accommodation at the Newman Airport would comprise of the following;

Rental	\$ 90.00	as per current Fees and Charges
Power & Water	\$ 50.00	Consumption
Furniture	\$ 30.00	Recouping costs for furnishings (All areas)
Cleaning	\$ 30.00	Contractor
Total Rental	<b>\$200.00</b>	Per person, per week.

The maintenance of the premises will be the responsibility of the tenant/s for garden, lawns and general area.

Internally, the bedrooms will be the responsibility of the tenant to maintain at all times including their ensuite. A contractor will be appointed to clean the communal area, including the general toilet, entrance and patio area on a fortnightly basis, in addition arrangements will be made for the following works as required

- Oven cleaning – twice per year

- Window Cleaning – twice per year
- Cleaning of blinds and fittings - quarterly
- Cleaning of fridge when required – quarterly or as required
- Cleaning of cupboards – quarterly or as required
- Carpet Shampoo - annually

There is a Shared Accommodation Conditions form that is to be signed by staff members entering into the Shared Accommodation, sign a Shared Accommodation conditions form, which outlines the requirements of the tenancy and the Shire of East Pilbara.

Inspections will be conducted as per all Shire of East Pilbara tenants under the Residential Tenancy Agreement.

Tenant will have to pay a bond, which is equivalent to 4 weeks rent under the Residential Tenancy Act, and the Shire submits to the Department of Commerce – Bond Administration.

The tenant will have to comply with all requirements of the Residential Tenancy Act as per all staff accommodated by the Shire of East Pilbara.

**REPORT PURPOSE**

To implement the Local Government Master Lending Agreement (LGMLA) the Western Australian Treasury Corporation (WATC) requires Council to execute the LGMLA under its Common Seal as authorised by resolution of Council.

**BACKGROUND**

WATC is implementing this Master Lending Agreement for local governments. The new LGMLA has been developed to incorporate the recently introduced Commonwealth Government's Personal Property Security Act 2009 (PPSA) and to improve the efficiency of the lending processes to local governments. The LGMLA has been reviewed by the State Solicitor's Office and the Department of Local Government.

**COMMENTS/OPTIONS/DISCUSSIONS**

The LGMLA for the Shire of East Pilbara sweeps all existing loans under the LGMLA and facilitates future borrowings under the one agreement thereby removing the need for individual loan agreements to be executed under seal each time Council borrows from WATC. As a local government is only permitted to provide security in a way of a charge over its General Funds pursuant to section 6.21 of the Local Government Act, WATC was advised of the requirement to register these charges under the PPSA and include reference to this requirement within the new LGMLA. Any borrowings under the LGMLA will be subject to WATC's credit approval policy at the time of the application, and the release of funds is subject to the issuance of a firm rate quote by WATC and its acceptance by an authorised signatory of the Shire of East Pilbara.

**Name of Applicant:** JESSICA HUGHES  
**Author Disclosure of Interest:** Nil

---

**REPORT PURPOSE**

The applicant Ms Jessica Hughes seeks approval to keep three dogs at 41 Wilara Street, Newman WA 6753

**BACKGROUND**

Ms Jessica Hughes has made an application to Council under Section 26 of the Dog Act 1976 to keep three dogs at 41 Wilara Street, Newman.

Rangers undertook normal enquiries to determine if the application was appropriate.

The details of the dogs are as follows:

<b>DOG (breed)</b>	<b>SEX</b>	<b>COLOUR</b>	<b>REGISTRATION NUMBER</b>	<b>STERILISED Y/N</b>
1 Rottweiler X	Male	Black & Tan	TBA	Yes
2 Shih Tzu X	Male	Grey	TBA	Yes
3 Shih Tzu X	Male	Black & Tan	Y2603	Yes

**COMMENTS/OPTIONS/DISCUSSIONS**

Reasons for keeping more than two Dogs:

Ms Hughes states that the dogs are part of the family and that her children have become very attached to the dogs. The dogs were rescued from a humane society.

As part of the application process seven surrounding residents were issued with Residential Survey forms under the Dog Act (1976), none were returned.

Public Notices were placed under the Dog Act (1976) with no response.

Pending approval of this application both dogs will be relocated to 41 Wilara Street, Newman and be registered with the Shire of East Pilbara.

Dog History:

Only one dog, "OTIS" (Y2603) is currently registered with the Shire of East Pilbara and no complaints have been previously received in relation to this dog.

**Property Inspection:**

A full inspection was carried out by Council Rangers of the premises on 2<sup>nd</sup> September 2014. The fencing and gating of the premises was found to be satisfactory. The dogs were inspected and found to be in good health and compliant with the Dog Act 1976.

**STATUTORY IMPLICATIONS/REQUIREMENTS**

Dog Act 1976 (as amended), - Section 26. Limitation as to numbers; is applicable

S26 (3) Where by a local law under this Act a local government has placed a limit on the keeping of dogs in any specified area but the local government is satisfied in relation to any particular premises that the provisions of this Act relating to approved kennel establishments need not be applied in the circumstances, the local government may grant an exemption in respect of those premises but any such exemption —

- (a) may be made subject to conditions, including a condition that it applies only to the dogs specified therein;
- (b) shall not operate to authorise the keeping of more than 6 dogs on those premises; and

### REPORT PURPOSE

To provide further information and clarification relating to Dog prohibited areas and  
To provide further information and clarification relating to Dog prohibited areas and exercise areas as requested in minutes 25 July Council meeting and to finalise resolutions with respect to this matter.

### BACKGROUND

A sunset clause in the amended Dog Act 1976 resulted in all prohibited and dog exercise areas being repealed from Councils Dog's Local Law 2011. In order to Prohibit dogs from specific areas, Council now has to declare such areas by resolution. Such a resolution was presented to Council on 25 July 2014.

At the Ordinary Council Meeting July 25<sup>th</sup>, 2014, Council resolved the following:

*"THAT Council;*

1. *Declare the following areas dog prohibited areas:*
    - (a) *a public building, unless permitted by a sign;*
    - (b) *a theatre or picture gardens;*
    - (c) *all food premises and food transport vehicles;*
    - (d) *a public swimming pool;*
    - (e) *a public toilet block or changing room; and*
    - (f) *a cemetery, unless otherwise provided for in the local governments local law relating to cemeteries.*
  
  2. *Declare the following areas dog exercise areas subject to the conditions and restrictions as specified*
    - a) *Newman - Reserve 38372, Capricorn Oval, Thulluna Crescent*
    - b) *Newman - Lot 840 Boorthanna Crescent*
    - c) *Newman - Reserve 38512, Boomerang Oval, Newman Drive*
    - d) *Nullagine - Reserve 23348, 167 Cooke Street, Nullagine*
    - e) *Marble Bar - Reserve 29882, 230 General Street, Marble Bar**Conditions where and when exercise areas do not apply:*
-

- a) *an area within 10 metres of the edge of a playing field being used for sporting or other activities, as permitted by the local government, during the times of such use; or*
  - b) *a car park, thoroughfare, access way or right of way. and;*
3. *This resolution is subject to any written law and any law of the Commonwealth about assistance animals as defined in the Disability Discrimination Act 1992 (Commonwealth) section 9(2).*
4. *That a review be undertaken of the dog prohibited areas and a further report submitted to Council."*

*"Council felt that a number of the dog exercise areas included playground equipment and required further information to make an informed decision."*

At present with the above resolution and conditions as per the Council meeting of July 25<sup>th</sup>, it allows dogs to be in children's play grounds or to impact on sporting activities with impunity. To rectify this situation the previously existing local law conditions should be reinstated. Since 31 July 2014, this can now be done through a resolution of Council.

#### **COMMENTS/OPTIONS/DISCUSSIONS**

The intent of the previous report and associated recommendations was to preserve the status quo that existed prior to the sunset clause in the Amended Dog Act. The pre-existing areas and conditions were cited directly from the repealed clauses of the Dog's Local Law as recommendations for the required resolution.

During the July 25<sup>th</sup> meeting, Council took the opportunity to remove certain conditions associated with dog exercise areas and dog prohibited areas that were in place to provide other users of shared open space, protection from interference or nuisance from dogs.

Essentially a multiple land use policy exists over most developed reserves and recreational areas to obtain the maximum benefit from public amenity and open space areas. This practice can result in multiple, sometimes conflicting land uses on the same open space. The outcome has resulted in children's playgrounds being within exercise areas and dog exercise areas located at major sporting complexes.

Conditions and laws are required to limit any conflict between the various users and minimise any potential liabilities.

The Dogs Local Law previously attempted to resolve any conflicts between the various land uses by placing conditions on the use of public open space as dog exercise areas. One of these conditions was the prohibition of dogs within ten metres of children's playing equipment or apparatus (Or if the playground was fenced then dogs were prohibited inside that fence.). The other condition was the preclusion of dogs whilst sporting and other events were taking place ("Ten metres from the edge of a playing field being used for sporting or other activities").

Where fencing is or was referred to; it did not refer to a boundary fence around the perimeter of the reserve (e.g. Capricorn Reserve) but to a fence specifically placed around and within ten metres or less of play equipment to protect children's

playgrounds (e.g. Miners Promise Park). In some locations (e.g. Marble Bar) it would be easy to misconstrue the intent of this clause.

In essence the intent of the former conditions in the Local Law and the previous recommendation was to:

- Prohibit dogs from certain areas, such as food outlets, toilets, swimming pools and including playgrounds (fenced or otherwise), and
- Where children's play equipment is co-located within a dog exercise area, prevent dogs from approaching within 10 metres of unfenced play equipment or entering a fenced playground area within the dog exercise area.
- Where a dog exercise area and playing field are co-located and the field is being used for sporting or other activities prevent dogs from being within 10 metres of the edge of that playing field.

Not making a resolution to preclude dogs from playgrounds and sports fields when a sporting activity is taking place may allow dogs into these areas to potentially interact with any person in that area. This may cause council potential liabilities arising from such interactions that persons in these previously prohibited areas may experience or be exposed to.

The omission of item 1(g) leaves Council with a liability that could result in litigation should any negative interactions occur between playground users and dogs. With the deletion of Item 2(a) of the previously recommended resolution, the same situation occurs on playing fields when sporting or other sanctioned activities are taking place.

The resolution is required to protect playground users from negative effects of dogs in playgrounds and reduce Council's liability in respect to such issues. Playgrounds need to be prohibited to dogs and where play equipment is co-located in an exercise area the play equipment needs to be excluded from the exercise area; this may be accomplished by either a fence or prohibiting dogs within 10 metres of the equipment.

Fencing is not a complete alternative to the imposition of conditions or prohibited areas, as these areas (playgrounds) must still be declared prohibited to avoid conflict and reduce potential liabilities. However fencing may be used in addition to imposing conditions.

To assist in obtaining a wider opinion of exercise and prohibited areas, a mini survey was undertaken in Newman with a total of thirty two respondents answering the questionnaire, the main points are summarised below:

- One of the questions asked related to the removal of the most commonly used venue (Capricorn football oval) as an exercise area, whilst retaining the surrounding fields as such. It should be noted that twenty nine respondents concurred with the idea of prohibiting dogs on the Capricorn football oval. Two responses were against and one was a nil response.

- Twenty people had been negatively impacted by dogs at sporting fields with nine not being impacted. Most of these negative interactions were whilst the dog was off a lead.
- Most people believed that the Shire of East Pilbara was providing adequate exercise areas however there may be a need for an additional exercise area in East Newman.
- In addition to the outcomes of the survey there were several positive comments about the new dog agility area being a great initiative.

Whilst undertaking this review it was noted that the prescribed exercise area at Marble Bar (Lot 230 General Street) comprises a small part of the Anzac memorial park (Lot 229). Lot 230 is less than 250m<sup>2</sup> and is probably inadequate as an exercise area. If council resolves to apply the ten metre exclusion to play areas, then that will further reduce this exercise area to less than 100m<sup>2</sup> in size.

It may be appropriate to remove this exercise area altogether and declare it a prohibited area along with Lot 229 and a suitable alternative site be investigated.

### REPORT PURPOSE

Council is required to request the Minister for Lands to dedicate portions of land within the town centre as Road Reserve to allow the progression of the subdivision pertinent to Stage 3 works.

### BACKGROUND

On 18 December 2012 the Western Australian Planning Commission approved the subdivision of Lots 18 and 21 Newman Drive for the purposes of creating proposed Lots 1, 2 and 3 within the Newman Town Centre. The subdivision was required to allow for the extension of Lee Lane to connect with Newman Drive and to create a small area of road reserve to allow connection of the existing supermarket loading dock to Newman Drive.

As a result, the subdivision split existing Lot 18 into two (2) which are proposed to be developed by BHP Billiton (BHPB) for a Shopping Centre and accompanying parking. The application was a joint submission between BHPB and the State of Western Australia to allow for the advancement of the Newman Revitalisation Plan.

### COMMENTS/OPTIONS/DISCUSSIONS

As a result of discussions between Landcorp, Department of Lands and the Shire's town planning sections, it is now a requirement for Council to seek the dedication of those areas on the approved plan of subdivision as road reserve for the extension of Lee Lane and access to the supermarket loading dock.

To allow the progression of the subdivision and approval of a diagram/plan of survey by Department of Lands it is requested that council request the Minister for Lands to dedicate such areas on the plan of subdivision as Road Reserve and to accept management orders accordingly.

**REPORT PURPOSE**

Council's consideration is required for the excision of portions of Reserve 38771 in order to plan for the proposed Town Square as well as catering for the widening of Lee Lane.

**BACKGROUND**

Council at its meeting held on 22 August 2014 resolved to agree in principle to the development of a Town Square which would form part of the overall Newman Revitalisation Plan.

Given the above, it is now appropriate to start planning and setting aside the designated area so that in future there are no delays in getting access to the land required should the proposal progress to design and construction phases.

Council will also be familiar with the construction of the new road into the town centre (Stage 3) which allows for the creation of the new lots on either side of such new road (to accommodate the new proposed Shopping Centre and car parking). The road is ultimately an extension of existing Lee Lane road reserve which currently is not sufficient in width and is required to be widened.

**COMMENTS/OPTIONS/DISCUSSIONS**

The status of the land currently proposed as the site to develop the town square is currently a Reserve, being number 38771, which is vested with the Shire for the purposes of Parking. Accordingly, the portion proposed for the future town square will need to have its own reserve created therefore requiring the excision of such land from the previously mentioned Reserve, this will formally be dealt with after the plan for the Square is finalised by the working group.

As can be seen on the plan accompanying this report, Reserve 38771 is currently 8902m<sup>2</sup> in area and it is proposed to excise the following areas:

- 862m<sup>2</sup> for the widening of Lee Lane; and

- Up to 3361m<sup>2</sup> for the creation of a new Reserve for the Town Square.

In requesting the Minister for Lands to excise the required areas and create new Reserves, it is also necessary for council to relinquish the management orders of the existing Reserve and accept new management orders for the proposed areas. This would also include a new reserve that will be the remainder of the existing parking Reserve.

The proposed excisions are necessary to create on a plan/diagram of survey both Lee Lane and to ensure that the Shire has access to land in the future to be able to plan and construct the future town square. Accordingly, it is recommended that Council support the proposed excisions for the creation of new Reserve(s) and accept new management orders accordingly.
