The election must be conducted by the Chief Executive Officer in accordance with the prescribed procedure.

In essence, the election will be conducted as follows:

1. Nomination forms have been previously provided to all Councillors to assist with the election process and, where possible, should be lodged with the Chief executive Officer prior to the commencement of the meeting. The Chief Executive Officer will, however, announce the closing time for the submission of nominations at the commencement of the meeting and will continue to receive nomination forms up until that time.

5. As soon as is practicable after the result of the election is known, the Chief Executive Officer will declare and give notice of the result.
6. If there is an equality of votes between two or more candidates who are the only candidates in, or remaining in the count, the meeting will be adjourned for a period of five minutes. At the recommencement of the meeting, the voting process will be commenced again.

7. At this point, any nomination previously submitted may be withdrawn and new nominations will be received by the Chief Executive Officer up to a specified time.

New ballot papers will be prepared and distributed at that time and Councillors will be asked to indicate their vote by placing a tick against the name of their preferred candidate as shown on the ballot paper and to place their completed ballot paper in the ballot box provided.

REPORT PURPOSE

For the Plant Committee to consider and provide strategic direction to staff on the 2019/20 plant replacement program.

BACKGROUND

Council resolved to establish a Plant Committee (Committee) to provide Council with the ability to provide input on the Shire's plant replacement program. The Plant Committee was established in accordance with the Terms of Reference (refer **Appendix 1** – Plant Committee Terms of Reference) and the members of the Plant Committee were nominated at the Ordinary Meeting of Council (OCM) held on the 25th of October 2019 (refer **Appendix 2** – Plant Committee Nominations).

Council has resolved that the Plant Committee meeting be held twice annually. The second Plant Committee meeting was to be held in August. However with the cancellation of the OCM's in August and September, and with the Executive Manager Infrastructure Services on leave in October, the next meeting was rescheduled to occur in November.

COMMENTS/OPTIONS/DISCUSSIONS

The purpose of this meeting is to give the Committee the opportunity to provide input into the development of the 10 year plant replacement schedule (refer **Appendix 3** – 10 year Plant Replacement Schedules). The Committee should

note that the 10 year Plant Replacement Schedules are currently in draft format and will be updated prior to the next meeting due for May 2020. However, this is an opportune time for the Committee to provide any strategic advice to the administration regarding plant purchasing.

While the capital purchases of plant items are reported to council monthly within the CAMM's capital project updates, staff have summarised the status of each purchase for the Committees easy reference (refer **Appendix 4 – 19/20 Plant Summary**)

Author:	Mrs Kylie Bergmann Coordinator Governance
Proposed Meeting Date:	25 October 2019

REPORT PURPOSE

To appoint members to the Plant Committee.

BACKGROUND

Council has established a number of Committees to provide it with advice on specific matters. The *Local Government Act 1995* requires that all appointments to committees of Council must fall vacant at the next Election Day, with new appointments to be made subsequent to the election.

In appointing committee members, Council is also requested to appoint a corresponding deputy member. The appointment of a deputy reduces the risk of a quorum not being met should a sitting member be unavailable.

Deputy members do not participate in committee meetings unless requested to do so in place of a sitting member. However, they are welcome to attend meetings as observers, and are included in the meeting invitations and provided copies of all relevant agendas and minutes so that they remain aware of the issues under discussion.

COMMENTS/OPTIONS/DISCUSSIONS

At its meeting on 25 January 2019, Council resolved to establish a Plant Committee for the purpose of allowing council involvement with respect to the Shire's plant replacement program.
